

Lansing Education Alliance with Capella University

Dear Students, Faculty and Staff:

By pursuing a degree at Lansing Community College you've taken strides toward the future you've dreamed about. If you're ready for the next step on your educational path, you now have a powerful new option.

We're pleased to announce an education alliance with Capella University. For students who graduated or are transferring from Lansing Community College this alliance offers significant benefits:

- 10% tuition reduction on Capella courses
- Access to scholarships, grants, and free professional development webinars
- Free, efficient processing of educational transcripts
- A clear, transparent process for transferring your prior credit

An accredited*, online university, Capella provides quality education and unrivaled support to working adults. Choose from bachelor's programs in business, information technology, nursing, psychology, and public safety.

With a focus on outcomes and relevance, Capella delivers an active educational experience that blends theory and practice. This approach has earned Capella praise from a number of sources. Here are some recent recognitions and affiliations:

- The Council for Higher Education Accreditation Award for Outstanding Institutional Practice in Student Learning Outcomes, 2010. Capella is the first online university to receive this award.
- Capella is a Registered Education Provider of the Project Management Institute, offering more than 25 courses approved by PMI for its professional development units (PDUs)
- IMS Global Learning Consortium's Learning Impact Award, 2009, for outstanding use of technology in support of learning.
- The Society for Human Resource Management (SHRM) has recognized several Capella specializations—including the BS in Business, Human Resource Management—for aligning with their Human Resources Curriculum Guidebook and Templates.
- Blackboard Greenhouse Exemplary Course Award, 2009, 2007, for best practices in learning, course design, interaction and collaboration, assessment and evaluation, meaningful technology use, and student support.
