* Both courses must be completed

****Notes:**

The CPR requirement states the student must have a current CPR card, which includes adult, child and infant resuscitation. This requirement may be satisfied by successful completion of an appropriate American Heart Association course, Red Cross course, GRCC course or LCC course.

- Recognition for credit granted would appear on the student's academic record. "No more than 50 percent of credits required in specialized course work, unique to a program may be transferred and applied toward graduation from LCC." Transfer students accepted by LCC with advanced standing must complete a minimum of 30 credits of satisfactory work at LCC to be eligible for graduation with an Associates Degree.
- The Lansing Community College Surgical Technology Academic Team Leader will determine the total number of articulating students to be accepted. The program expects to accept a minimum of 5 GRCC students each year.
