

**TRANSFER AGREEMENT
BETWEEN
LANSING COMMUNITY COLLEGE
AND
MONTCALM COMMUNITY COLLEGE**

Montcalm Community College and Lansing Community College have developed this transfer agreement in order to facilitate the educational mobility and transfer of MCC students who are candidates for the Molecular Biotechnology Program at LCC.

Section I.

The purpose of this agreement is to provide a mechanism, which will allow Montcalm Community College students to transfer specified academic courses to the Molecular Biotechnology Program at Lansing Community College.

Section II.

The following articles will apply to this agreement.

- Lansing Community College agrees to grant college credit consistent with its current credit policies.
- All transfer students must meet and maintain all entrance and academic standards including eligibility requirements for the Molecular Biotechnology Program and graduation requirements for Lansing Community College.
- Lansing Community College shall not charge a fee for transfer credits and additional courses will not be added to a student's program due to articulated credits received.
