

NEW
Articulation/Transfer Agreement
between
Lansing Community College
and
Saginaw Valley State University
College of Education

- I. This new agreement is designed to facilitate the transition of students from Lansing Community College to the Bachelor of Arts (B.A.) degree with a major in Elementary Education at Saginaw Valley State University.

Lansing Community College (LCC) and Saginaw Valley State University (SVSU) will maintain the integrity of their separate programs and enter into this agreement as cooperating institutions.

- A. LCC transfer students seeking admission to the SVSU College of Education (COE) may transfer up to the standard maximum of 62 credits to SVSU in initial transfer.

Up to 8 additional credit hours may be awarded in transfer upon acceptance to the SVSU College of Education's Teacher Education Program in Elementary Education. This opportunity is available with or without an associate degree.

NOTE: If a student changes his/her major at SVSU from Elementary Education to another program, the student's transfer credits will be re-evaluated in the usual course-by-course manner with up to the usual maximum of 62 credits in transfer.

- B. Elementary Education is a limited-enrollment program at SVSU. This agreement does not guarantee acceptance into SVSU or the SVSU College of Education. Articulation students must apply for admission as must any other students.

- II. Requirements at Saginaw Valley State University are as stated in the SVSU catalog under which the student first enrolls at SVSU. Any curriculum guides which might use this agreement as their basis will reflect subsequent catalog changes.

NOTE: Basic Skills and General Education requirements remaining will be examined/determined in the usual manner: course-by-course and case-by-case.

- III. The requirements herein will be reviewed and revised (if necessary to revise) by both LCC and SVSU:

The *academic signatories* of this agreement and/or their *departmental* designees shall maintain at least annual contact with each other and will communicate in writing to each other (and to the articulation office at their home institution) any curricular or other changes which may affect the accuracy/integrity of this basic agreement.

- IV. This agreement is effective immediately and shall remain in effect until such time as either party wishes to terminate; notice of termination shall be given in writing at least one year prior to the effective date of termination. Qualified students applying to SVSU during or after the semester of this document's signing shall be considered under this agreement.
