

LANSING COMMUNITY COLLEGE

CURRICULUM GUIDE

Architectural Technology, Residential Design
Associate in Applied Science Degree

Curriculum Code: 0758 (Effective Fall 2009 – Summer 2014)

This degree option will provide architectural students with the opportunity to study all aspects of single and multi-family residential design and construction. Areas of required study include residential design theory, preparation of residential working drawings, construction techniques, construction materials, residential landscaping, residential interiors, computer graphics, presentation techniques, structural design, and architectural history. Students will have the opportunity to take a cross-disciplinary array of technology courses, preparing for work in all segments of the residential design/build markets. **Not all courses in this program transfer to all colleges.** Students planning to transfer should see an academic advisor or counselor before enrolling in any course.

PREREQUISITES

Students should see *Course Descriptions* or *Course Offerings* for course prerequisite information. See the *Assessment and Placement Testing* section for skills assessment and advising information.

NOTES:

1. This curriculum requires basic architectural drafting skills attained in ARCH 100 or an equivalent high school drafting course. Students may waive ARCH 100 by passing the drafting placement test with a score of 80% or higher.
2. This curriculum requires Microsoft Windows skills attained in CITF 108. Students may waive this prerequisite by passing the MS Windows Assessment Test with a score of 80% or higher.
3. Contact the Architecture Technology Program Advisor at (517) 483–1627 for courses that will satisfy this area.
4. Students completing CHOICE 2 have fulfilled the requirements for this Core area.
5. Students completing "REQUIREMENTS" have fulfilled the requirements for this Core area.
6. Students completing CHOICE 3 have fulfilled the requirements for this Core area.

SUGGESTED COURSE SEQUENCE

Students should see course descriptions to find out when departments plan to offer courses. Students who for any reason are unable to follow the course sequence suggested below (for example, those who are part-time, have transferred in courses from another school, or have prerequisites to fulfill) should contact an academic advisor or counselor for help with adjustments.
