CURRICULUM GUIDE

Teacher Paraprofessional Certificate of Completion

Curriculum Code: 0829 (Effective Fall 2011 – Summer 2016)

The certificate offers a foundation in educational concepts and a practical introduction to classroom management and content-area instruction. It is intended for students who may have already met federal requirements for teacher paraprofessionals by completing 60 college credits or an associate degree in a field other than education. It is also recommended as preparation for students who plan to take the state-approved exam for paraprofessionals. Courses in this certificate may also be applied toward an associate degree or transfer program leading to teacher certification.

A criminal background check is required for employment in this field.
