

## LANSING COMMUNITY COLLEGE

### CURRICULUM GUIDE

Web Site Developer  
Certificate of Completion

Curriculum Code: 0843 (Effective Fall 2011 – Summer 2016)

This certificate provides students with the technical skills necessary to use the Internet as an effective business resource, including building and maintaining commercial web-sites. It is designed for students who already have basic computer skills and want to specialize in Internet technology and web site design and development. This course work can be applied toward completion of the E-Business Associate in Business Degree and Computer Programmer/Analyst Associate in Business Degree.

#### PREREQUISITES

Students should see *Course Descriptions* or *Course Offerings* for course prerequisite information. See the *Assessment and Placement Testing* section for skills assessment and advising information.
