

LANSING COMMUNITY COLLEGE

CURRICULUM GUIDE

Fashion Technology
Certificate of Completion

Curriculum Code: 1056 (Effective Fall 2009 – Summer 2014)

This program prepares individuals to apply artistic principles and techniques to the merchandising of commercial fashions, apparel, and accessories, and the management of fashion development projects. Instruction includes apparel design; accessories design; the design of men's, women's, and children's wear; computer assisted design and manufacturing; concept planning; designing specific materials; labor cost and analysis; fabric art and printing; and the principles of management and operations in the fashion industry.

PREREQUISITES

Students should see *Course Descriptions* or *Course Offerings* for course prerequisite information. See the *Assessment and Placement Testing* section for skills assessment and advising information.
