

LANSING COMMUNITY COLLEGE

CURRICULUM GUIDE

Kitchen and Bath Technology
Certificate of Completion

Curriculum Code: 1254 (Effective Fall 2009 – Summer 2014)

This certificate of completion program is the first step of the National Kitchen and Bath (NKBA) Career Path Certification Levels for the Professional Kitchen and Bath Designer. Graduates are prepared to work in the industry in the areas of kitchen/bath design assistant, computer aided drafting, distribution, cabinet design, kitchen and bath product sales, manufacturer representative, etc.

PREREQUISITES

Students should see *Course Descriptions* or *Course Offerings* for course prerequisite information. See the *Assessment and Placement Testing* section for skills assessment and advising information.

INFORMATION

Contact the Environmental, Design and Building Technologies Department, West Campus, Room M103, telephone number (517) 483-5338 or Student Services West Campus, West Campus Building, Room M106, telephone number (517) 267-5510.

19

NOTES:

1. This curriculum requires basic interior drawing skills attained in INTR 105 or an equivalent high school drawing course. Students may waive INTR 105 by passing the interior design placement test with a score of 80% or higher.
2. Students who plan to pursue the Kitchen/Bath Design Associate in Applied Science Degree should take SPCH 120 to fulfill the Communication Core area associate degree requirement.

SUGGESTED COURSE SEQUENCE

Students should see course descriptions to find out when departments plan to offer courses. Students who for any reason are unable to follow the course sequence suggested below (for example, those who are part-time, have transferred in courses from another school, or have prerequisites to fulfill) should contact an academic advisor or counselor for help with adjustments.
