CURRICULUM GUIDE

Advanced Technology Vehicles Certificate of Achievement

Curriculum Code: 1443 (Effective Fall 2009 – Summer 2014)

This certificate program is intended for individuals who are currently employed in the automotive repair industry. Students are trained specifically in the area of advanced vehicle technology and are prepared to take the State of Michigan Mechanics Certification Tests to become automotive technicians through the Secretary of State. State certification tests are available at the end of fall and spring semesters in the LCC Automotive Program Office. The Automotive Technology Program is a National Automotive Technicians Education Foundation (NATEF) Certified Training Program, evaluated by the National Institute for Automotive Service Excellence (ASE). The Automotive Technology Program is also a member of the National Alternative Fuels Training Consortium (NAFTC).
