	Career Planning 101	Michigan Works! Employability Express Workshop	
	When considering various types of occupations or careers, it is important to match information about yourself to information about specific careers. This session will introduce you to the 4-step career planning process and empower you to become confident, informed decision-maker in charting your own career path.	In the midst of all the news about the job market, how does one go about the process of looking for the right job? How do you know if you're on the right track? So many questions...so little information... where to go? If you have these and other questions about today's job search, this is the session you won't want to miss!	
11:00 - 11:15 am	Break		
11:20 - 1:00 pm	Choose between 3 breakout sessions:		
	Breakout Session-Education Beyond the Associates	Breakout Session-Road Map to Starting a Business	Breakout Session-The Secret to Setting, Keeping, and Achieving Your Goals
	Come and learn about LCC's University Center where over 40 baccalaureate and master's programs could move you on your way to an exciting career.	This introductory session helps aspiring entrepreneurs assess their abilities to lead and manage a company, as well as discussing the benefits and drawback of owning a business. The basics of business ownership are introduced, along with resources available to help launch new ventures in Michigan.	The Secret to Setting, Keeping and Achieving Your Goals is simple! Bob Hoffman will share his personal life lessons that will help you keep focused and moving forward towards achieving the results you want, even if outside factors seem to prevent you from achieving your heart's desire.
