

Install: Oracle Calendar

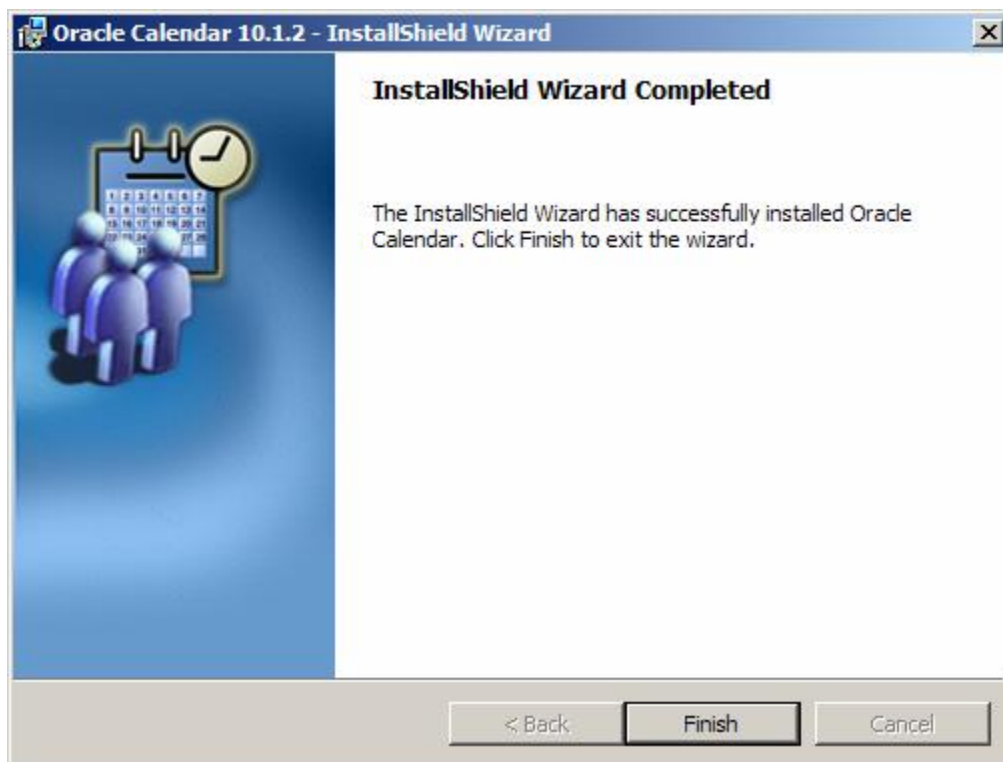

Tasks

1. Access the Software Download Center at <http://www.lcc.edu/pcts/sdc.htm>
2. Click the link for **Oracle Calendar Client for Windows**
3. Save the file to your desktop.
4. Double click on the file you just downloaded.

The number in the file name may not be the same as shown in the graphic. As we update to later versions this number changes.

5. Click the **Next >** button.

6. Click the **Finish** button.

End of activity.
