Please note you only need to fill in one section on the top and one on the bottom. So you will enter either your Banner ID, UC ID (for university center students) or User ID (TUID) but be sure to enter to enter only one of the three and then either your last 4 digits of your social security number on the bottom OR your eight character date of birth.

Continue with steps 1-4 listed above. You will be asked to read and accept the acceptable use policy, set a password and select 3 challenge questions for if you ever forget your password.
