Features

This insurance offering from your employer and MetLife comes with a variety of added features that can provide assistance to you and your family members today and during a difficult time.

Accelerated Benefits Option¹

For access to funds during a difficult time

You can receive up to 80% of your Basic and Optional Term Life insurance proceeds to a maximum of \$400,000 in the event that you become terminally ill and are diagnosed with less than 12 months to live. This can go a long way toward helping your family meet medical and other related expenses at this difficult time. The Accelerated Benefit Option is also available to spouses insured under Dependent Life insurance plans. This option is not available for dependent child coverage.

Conversion

For protection after your coverage terminates

You can generally convert your Group Term Life insurance benefits to an **Individual Whole Life** insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or a change in your employee class. Conversion is available on all Group Life insurance coverages. [Please note that conversion is not available on AD&D coverage. If you experience an event that makes you eligible to convert your coverage, you can speak with a MetLife representative by calling: 1-877-275-6387, please contact your plan administrator/employer for more information.](#)

Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage when you need it most

You may be eligible for waiver of your Optional and Dependent Spouse Term insurance premium until you reach age 65, die or recover from your disability, whichever is sooner, should you become unable to work due to total disability. Total disability or totally disabled means your inability to do your job and any other job for which you are fit by education, training or experience, due to injury or sickness. The total disability must begin before age 60, and your waiver will begin after you have satisfied a 9-month waiting period. The Waiver of Premium will end on the earliest of your turning age 65, death or recovery. Please note that this benefit is available after you have participated in the Optional Term Life Plan for one year and it is only available to you. This one-year requirement applies to new participants in the plan.

Portability

So you can keep your coverage even if you leave your current employer

Should you leave Lansing Community College for any reason, and your Optional, Dependent Term Life and Voluntary Accidental Death and Dismemberment insurance under this plan terminates, you will have an opportunity to continue group term coverage ("portability") under a different policy, subject to plan design and state availability. Rates will be based on the experience of the ported group and MetLife will bill you directly.

Rates may be higher than your current rates. To take advantage of this feature, you must have coverage of at least \$10,000 up to a maximum of \$2,000,000.

Portability is also available on coverage you've selected for your spouse and child(ren). The maximum amount of coverage for spouses is \$250,000; the maximum amount of dependent child coverage is \$25,000. Increases, decreases and maximums are subject to state availability.

Generally, there is no minimum time for you to be covered by the plan before you can take advantage of the portability feature. Please see your plan administrator or certificate for specific details. Please note that if you experience an event that makes you eligible for portable coverage, please call a MetLife representative at 1-888-252-3607 or contact your plan administrator/employer for more information.

Will Preparation Service²

To help ensure your decisions are carried out

Like life insurance, a carefully prepared Will (Simple, Complex or Living) along with a Power of Attorney are important. With a Will, you can define your most important decisions such as who will care for your children or inherit your property.

Living Will:

- Ensures your wishes are carried out, and protects your loved ones from making these very difficult and personal medical decisions by themselves.
- Also called an "advanced directive," it is a document authorized by statutes in all states. A person appoints someone as his/her proxy or representative to make decisions on maintaining extraordinary life-support if the person becomes incapacitated so that he or she cannot communicate his or her wishes

Power of Attorney:

- Allows you to plan ahead by designating someone you know and trust to act on your behalf in the event of unexpected occurrences or if you become incapacitated. It is a written document that grants an individual the power to act on the grantor's behalf.

By enrolling for Optional Term Life coverage, you will have access to Hyatt Legal Plans' network of 11,500+ participating attorneys. When you enroll in this plan, you may take advantage of this benefit with a participating plan attorney.* When you use a participating plan attorney there will be no charge for the services. To obtain the legal plan's toll-free number and your company's group access number, contact your employer or your plan administrator for this information.

* You also have the flexibility of using an attorney who is not participating in the Hyatt Legal Plans' network and being reimbursed for covered services according to a set fee schedule. In that case you will be responsible for any attorney's fees that exceed the reimbursed amount.

MetLife Estate Resolution Services—ERS³

Personal service and compassion to help your beneficiaries and others manage your estate during their time of need

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the “Full Amount” and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a Table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.
