About Lansing Community College

Lansing Community College is Michigan's third largest community college with more than 32,000 students attending each year. The College has more than 240 degree and certificate programs. LCC offers courses in general education for those interested in transferring to a four-year institution, career and workforce development, developmental education and personal enrichment. To meet the professional development and training needs of regional employees, the college offers customized programs for credit, non-credit and continuing education. The University Center at LCC offers students the opportunity to earn bachelor's and master's degrees from six partner universities on the downtown LCC campus. For more information, visit www.lcc.edu.
