Science and Math Elementary Exploration

Lansing - The Science Department along with the Math and Computer Science Department invites the community to bring children Kindergarten through Sixth Grade to explore and be challenged by math and science activities. Come explore with Lansing Community College on **Saturday, November 7 from 8:30 am to noon.**

Among the most popular events: Biology and Chemistry Demonstrations; Circuit Wizardry; Impression 5 Science Center; Magnets Planetarium Shows; Slime and Veterinary Technician. Cost is \$3.00 per child. Accompanying adults are free. Pre-registration is at http://www.lcc.edu/science/youth_programs/smee/

Walk-ins also welcome!
