# **LCC FOUNDATION ANNOUNCES SCHOLARSHIP TO BENEFIT POLICE ACADEMY STUDENTS**

## *Memorial golf outing to support fund*

LANSING - The Lansing Community College Foundation has announced a new scholarship funded by the Gene Hanselman Foundation in support of LCC Police Academy students. Scholarships will be awarded for the 2010-2011 academic year and will benefit one police academy student per year. Applications for the scholarships will be accepted through the college-wide scholarship application process.

The Gene Hanselman Foundation was established in memory of Gene Hanselman, an instructor at the Mid Michigan Police Academy at Lansing Community College and seeks to remember those who have battled cancer as well as help support the fight against cancer.

A 2010 Gene Hanselman Memorial Golf Scramble will be held **on Saturday, June 19, 2010, Prairie Creek Golf Course, DeWitt, MI** in support of this scholarship fund. Activities will include contests on and off the course, chances to win prizes, and a dinner featuring a silent auction.
