Subject: Achievement of Excellence in Procurement Award

Dear Dr. Brent Knight:

The Achievement of Excellence in Procurement award is designed to recognize organizational excellence in procurement. The award is achieved by those organizations that demonstrate excellence in procurement by obtaining a high score on a rating of standardized criteria. The program is designed to measure innovation, professionalism, e-procurement, productivity, and leadership attributes of the procurement function. The Achievement of Excellence in Procurement is sponsored by the National Purchasing Institute (NPI), the California Association of Public Purchasing Officers (CAPPO), the Florida Association of Public Purchasing Officers (FAPPO), the Institute of Supply Management (ISM), the National Institute of Governmental Purchasing (NIGP), the National Association of State Procurement Officials (NASPO), the National Association of Educational Procurement (NAEP), and the Texas Public Purchasing Association (TxPPA).

It is my pleasure to notify you that the Procurement Department of your agency has earned the 14th Annual Achievement of Excellence in Procurement Award for 2009. Moreover, Lansing Community College is one of only 21 higher education agencies in the US to receive the award and your agency has won the award for 7 consecutive years.

A beautiful trophy, which has developed into the AEP icon, will be presented to your entity at either the conference specified or mailed as indicated on the application.

Congratulations on the Achievement of Excellence in Procurement Award!

Sincerely,

Beth Fleming, C.P.M., CPPO
