

SUMMER SEMESTER 2009

Adjusting Your Schedule

Students should make adjustments to their schedules, **via the Web**, **drops** allowed through 50% refund, and **add** classes until the Teaching Period for the class begins. For important deadline details see the chart below. Register early for best class selection! For additional information, call LCC at (517) 483-1957 or toll-free at 1 (800) 644-4522. Refer to variable-date options list for classes beginning throughout the semester.

Selective Drop for Nonpayment

Students are responsible for dropping all courses they are not planning to attend, and are responsible for payment of classes in which they are enrolled. Students should **not** assume they will be dropped from a class or classes for nonpayment, as there are many factors which will determine whether and when a student is dropped for nonpayment. It is the student's responsibility to verify his or her enrollment status. To verify enrollment status, students can view their schedule on the LCC Web site at www.lcc.edu.
