

Lansing Community College – Spring 2010

Weekend Courses

Listed below are the Weekend Courses that run from Friday at 5:00 p.m. through Sunday. Course lengths vary from one to three days or extend the entire semester. People who work full time may find weekend courses easier to fit into their schedule. Weekend courses are offered for both credit and non-credit.

For complete course prerequisites, class locations, dates and times, see the Course Offerings.

F= Friday, S=Saturday, U=Sunday
