Online Anatomy Lab

- **Looking for an anatomy refresher?**
- **Need some help with current anatomy material?**
- **Have you had an anatomy course that was lecture only, and now you need a lab?**

Then, this course is for you!

- What:** Lansing Community College's
Human Anatomy Laboratory - 1 credit
BIOL 214; CRN 30350
Covers the same topics as Biol 201 (Human Anatomy) lab portion
- When:** 8 week **online** course; starts June 5, 2009
- Where:** Anywhere you want - it's online!
(Tests will be taken in the assessment center on LCC's main campus; off campus proctoring option for students who live >60 miles from Lansing)
- How:** Contact Betsy Brantley (517-483-5201; brantlb2@lcc.edu)
or the Science Department Office (517-483-1092; sciinfo@lcc.edu)
