1. Share your understanding of the needs of the College and its stakeholders through developing a college profile.
2. Detail your experience with training Boards on the process for selecting a President.
3. Describe your proposed search committee development plan.
4. Discuss the candidate screening process that shall include attracting qualified applicants; credential review and background check procedures (of your firm). Discuss diversity and how traditionally underrepresented groups and people of color will be included in the search process. Describe the proposed methodology for a joint screening process shared by your firm and the College.
5. Explain your technology plan. The plan should include how technology will be used during candidate screening and reporting.
6. Describe your media plan (advertising and promotion). The plan should address how you would conduct media reviews for potentially controversial areas of concern under the advisement and direction of the Board of Trustees.

7. Share information on how project updates will be provided for review by college personnel such as Human Resources or the Board of Trustees.

8. Demonstrate your experience creating a comprehensive onboarding process for successful presidential candidates.

9. Provide a schedule indicating when the elements of work will be completed and when deliverables, if any, will be provided. Please remember that the LCC desires successful completion of services to ensure that the candidate’s official start date of employment at LCC will be no later than July 1, 2020.
