Agenda Item: Board Bylaw 1.7.10 – Complaints or Concerns Addressed to the

Board of Trustees (NEW)

Presented for Information

PURPOSE

To establish a clear and transparent procedure for managing, distributing, and responding to emails addressed to the Board of Trustees. This policy ensures that communication with the Board that contains a complaint or concern about a member of the board, the President of LCC, personnel of LCC, or college operations is managed timely, efficiently, and professionally.

BACKGROUND

When the Board receives communications, whether by email or mail, expressing a complaint or concern, the majority are received by the Board's Executive Assistant/Liaison. The Board Executive Assistant/Liaison distributes copies of the email to all members of the Board of Trustees. The Board Chair sends a copy of the email to the President within the same day, except in cases of alleged wrongdoing or impropriety on the part of the President or Trustee per Bylaw 1.7.9. In some instances, emails addressed to the Board of Trustees have been sent to the President simultaneously with the Board members, except again in cases of alleged wrongdoing or impropriety as outlined by Bylaw 1.7.9.

President Robinson is concerned that communications addressed to the Board, that express complaints or concerns, which are not "contemporaneously" provided to him when provided to the Board impede his ability to perform his duties as President, inasmuch as he is responsible for addressing those complaints or concerns about matters other than alleged wrongdoing or impropriety on the part of the President. To remedy the issue, President Robinson presented an amendment to Board Bylaw 1.7.4, adding a new letter F to 1.7.4 Communications Policy/Board Members Request for information by adding:

After reviewing the President's request, suggestions from other Trustees, and input from the Board's Executive Assistant/Liaison, the Policy Committee Chair concluded that the proposed language did not align with Bylaw 1.7.4, as it relates to the individual responsibilities of each trustee. Consequently, the Policy Committee Chair has proposed new language under a different policy title.

Agenda Item: Board Employee Time Reporting – February 2025

Presented for Action

PURPOSE

To secure Board approval of the time reporting for February 2025 for the President and the Executive Assistant/Liaison to the Board.

BACKGROUND

The College's Board of Trustees has two direct report employees: the President and the Executive Assistant/Liaison to the Board. The College utilizes an electronic system called Banner for employee time reporting and payroll processing. Every two weeks, employees submit their time reports in this system and notify the Board Chair of any exceptions to their hours for that payroll period, seeking provisional approval. Once the Board Chair grants provisional approval, the Executive Director of Human Resources approves the time entry in the system. Final approval of the time reports requires approval of the Board.

Lansing Community College – Board of Trustees February 17, 2025

Agenda Item: Cooperative Purchase – Elevator Maintenance Services

Presented for Action

PURPOSE

To procure as needed elevator maintenance services and supplies.

BACKGROUND

Lansing Community College's (LCC) current elevators within Arts and Sciences, Dart Auditorium, Health and Human Services, LCC Early Learning Center, Administration Building, and West Campus are manufactured and installed by Schindler Elevator Corporation. In order to properly maintain LCC's elevators within these buildings and to stay compliant with manufacturer's warranties, LCC is seeking a maintenance Blanket Purchase Order (BPO) with Schindler Elevator Corporation. The BPO period will be from March 1, 2025, through February 29, 2028.

As a local unit of government, the College has access to several cooperative agreements. These are agreements that have already been competitively bid by an established public agency. By utilizing a cooperative agreement, the College will benefit from nationally leveraged volume pricing and reduce the administrative burden of soliciting bids for this commodity and service. The Administration recommends the utilization of a cooperative agreement awarded by Sourcewell, allowing the College to procure maintenance services and parts from Schindler Elevator Corporation.

The purchasing policy and standard operating procedure do not require competitive bids for goods and services previously bid out by public agencies and made available through cooperative agreements.

IMPLICATIONS

Financial:

The requested three (3) year maintenance services Blanket Purchase Order (BPO) amount is \$192,795. This purchase will be funded by the General Fund.

Strategic Plan:

This request supports all the College's strategic focus area; Achieving Academic Excellence with Purpose and Equity, Foster Student Enrollment, Retention and Completion, Strengthening Community Engagement and Partnerships, and Establishing LCC as a Premier Workplace through Empowerment, Engagement, and Inclusion.

Human Resources:

There are no known human resources implications.

RISKS

Failure to procure elevator service maintenance could impact accessibility for students and employees.

OTHER OPTIONS/ALTERNATIVES

The alternative to using a cooperative agreement would be to solicit bids; however, Schindler Elevator Corporation is the only supplier able to service their elevators and supply any manufacturer's warranties.

RECOMMENDATIONS

The Administration respectfully recommends approving the requested three (3) year Blanket Purchase Order in the amount of \$192,795 for as needed and scheduled maintenance services and repairs of LCC's elevators.

Agenda Item: Request for Proposal – Plumbing, HVAC and Mechanical Services

Presented for Action

PURPOSE

To select qualified contractors to provide as needed plumbing, heating ventilation and air conditioning (HVAC), and mechanical services.

BACKGROUND

Lansing Community College (LCC) Facilities staff are responsible for maintaining buildings campus-wide which includes the Downtown Campus, West Campus, LCC East, Livingston County Center, and Aviation Maintenance Technology Center. Qualified professionals are needed to provide as needed plumbing, HVAC, and mechanical services including but not limited to hookup and maintenance of commercial furnaces, installation of ductwork and ventilation systems, installation of plumbing fixtures such as sinks, toilets, and showers, clearing clogged toilets and drains, maintenance or replacements of malfunctioning water heaters, boilers, chillers, and other plumbing systems.

Through a public competitive bid process, the College has identified Dee Cramer, Gunthorpe, Limbach, MDL Mechanical, and Stuart Mechanical as the contractors deemed able to meet the needs of the College. The recommended award is based upon price per hour, services offered, references received, and proximity to LCC building locations. Contractors will only be paid on an as needed basis for the services that are requested. The requested Blanket Purchase Order (BPO) time period is March 1, 2025, through February 28, 2026, with two (2) one-year renewal options.

IMPLICATIONS

Financial:

The annual estimated spend for plumbing, HVAC, and mechanical services is \$655,000. Therefore, the aggregate amount for the requested three-year period is \$1,965,000. It will be allocated as needed between the contractors. The services will be funded by the General Fund and the Maintenance & Replacement Fund.

Strategic Plan:

This request supports all of the College's strategic focus areas; Achieving Academic Excellence with Purpose and Equity, Foster Student Enrollment, Retention, and Completion, Strengthening Community Engagement and Partnerships, and Establishing LCC as a Premier Workplace through Empowerment, Engagement, and Inclusion.

Human Resources:

There are no known human resources implications.

RISKS

If the College chooses not to award this RFP, we lose the benefits of discounted pricing provided through the competitive bid process.

OTHER OPTIONS/ALTERNATIVES

As an alternative, the College could request quotes to purchase these services as needed; however, doing so would be time consuming, may result in delays for needed services, and be less cost effective.

RECOMMENDATIONS

The Administration respectfully recommends approval in awarding BPOs to Dee Cramer, Gunthorpe, Limbach, MDL Mechanical, and Stuart Mechanical. The total estimated aggregate amount for the proposed three-year period is \$1,965,000 which is based on an annual spend of \$655,000. The requested aggregate time period is March 1, 2025 through February 29, 2028.

Agenda Item: Request for Proposal – Policy Management Software

Presented for Action

PURPOSE

To select a qualified vendor to provide a policy management software solution.

BACKGROUND

The Board's Executive Assistant/Liaison is currently responsible for maintaining, managing, and tracking 65 college policies, Board Bylaws, and Board Governance Policies. The administration is responsible for managing and tracking all Standard Operating Procedures that implement these 65 college policies. Together, the Board's Executive Assistant/Liaison and the administration ensure that all policies and procedures are regularly reviewed.

The proposed software will assist them in creating, reviewing, distributing, and tracking policies and standard operating procedures. It will allow for a centralized repository for policy documentation, automated workflows, version control, collaborative editing, and a library to publish current document versions to employees in real-time. This software will also assist the Board's Executive Assistant/Liaison and the administration with consistency in the creation and updating of documents through features such as version tracking, review cycles, and approval workflows.

Through a public competitive bid process, DocTract was identified to meet the needs of the College. The proposed software will increase efficiencies for the administrators responsible for the College's standard operating procedures and for the Executive Assistant and Liaison to the Board of Trustees for the College's policies. The Administration recommends awarding a Blanket Purchase Order (BPO) for the time period March 1, 2025 through February 29, 2028.

IMPLICATIONS

Financial:

The requested three-year Blanket Purchase Order amount is \$30,310. This will be funded by the General Fund.

Strategic Plan:

This award supports the College's strategic focus area of Achieving Academic Excellence with Purpose and Equity and Establishing LCC as a Premier Workplace through Empowerment, Engagement, and Inclusion.

Human Resources:

There are no known human resources implications.

RISKS

There are no known risks.

OTHER OPTIONS/ALTERNATIVES

As an alternative, the College could forego or delay the requested policy management software and staff can continue to manage the policies and standard operating procedures manually.

RECOMMENDATIONS

The Administration respectfully recommends approving a Blanket Purchase Order to DocTract in the amount of \$30,310 for the time period of March 1, 2025, through February 29, 2028.

This statement provides the collegewide financial position as of January 31, 2025 compared to January 31, 2024.

Current Assets:

• **Exhibit C, Line 1** – *Cash & Cash Equivalents decreased* by \$1.8 million. This is due to moving reserves to *Short-Term Investments*.

- Exhibit C, Line 3 Property Tax Receivable, Net of Est Uncollectible increased by \$1.1 million. This is due to a higher levy in the current fiscal year and the timing of payments received.
- Exhibit C, Line 5 Federal & State Grants Receivable increased by \$0.6 million due to higher amounts of State Financial Aid awarded due to increased enrollment, and more State funding programs such as Michigan Reconnect and Michigan Achievement scholarships.
- **Exhibit C, Line 7** *Prepaid Expenses* increased by \$0.8 million due to the purchase of new long-term software subscriptions.

Non-Current Assets:

- **Exhibit C, Line 11** *Deferred Charge on Refunding* decreased \$0.2 million as a result of amortization on the 2017 and 2022 bonds.
- **Exhibit C, Line 12** *Deferred Pension Amounts* decreased \$13.7 million. The amount recorded in *Deferred Outflows* is a result of the differences between the retirement plan end date of 9/30/2023, LCC's fiscal year end date of 6/30/2024, and the actuarial changes to assumptions and valuation of the Michigan Public School Employee's Retirement System (MPSERS). The amounts recorded are based on the required payments to the plan for pension and post-employment benefits set by the state legislature and the actuarial assumptions approved by the MPSERS governing board.

Current Liabilities:

• **Exhibit C, Line 15** — *Accrued Payroll & Other Compensation* increased \$1.2 million due to the timing difference for the month-end payroll accrual and MPSERS payment compared to the prior fiscal year.

Long-Term Debt Obligations:

- **Exhibit C, Line 20** *Bonds Payable* decreased \$5.3 million due to ongoing scheduled payments on outstanding bond issues.
- **Exhibit C, Line 22 and 23** *Net Pension Liability* and *Net Other Post-Employment Benefits Liability* decreased \$28.5 million and \$9.7 million, respectively. The amounts recognize LCC's proportionate share of the overall net pension and other post-employment benefits liability of the Michigan Public School Employee's Retirement System. The amounts are dependent on the actuarially determined unfunded net pension and other post-employment benefit obligations.
- Exhibit C, Line 24 Deferred Inflow of Resources Pension Amounts increased \$7.6 million. The amount recorded in Deferred Inflows is a result of the differences between the retirement plan end date of 9/30/2023, LCC's fiscal year end date of 6/30/2024, and the actuarial changes to assumptions and valuation of the Michigan Public School Employee's Retirement System (MPSERS). The amounts recorded are

based on the required payments to the plan for pension and post-employment benefits set by the state legislature and the actuarial assumptions approved by the MPSERS governing board.

<u>Statement of Revenue, Expenses and Changes in Net Position</u> <u>Exhibit F</u>

This statement provides a collegewide summary of all funds. We have provided the detail of the General Fund above.

The Designated Funds had an increase in net position due to the Board approved transfer for tuition pre-funding for Fiscal Year 2026 which is offset by academic and student technology purchases.

The Auxiliary Funds had an increase in net position due to the net income results of the auxiliary fund activities.

The Restricted Funds had an increase in net position due to a one-time State appropriation payment of \$2.7 million.

The Plant Funds had an increase in net position as Board approved project funds have been transferred for long-term projects. As of January 31, 2025, there were approximately \$6.0 million in outstanding commitments.

IMPLICATIONS

Financial:

The College had a beginning unrestricted General Fund balance of \$36.6 million or 26.2% of budgeted Fiscal Year 2025 General Fund Total Revenues of \$139.8 million.

Strategic Plan:

The College's financial planning, forecasting and annual budget provide resources for all of the strategic plan's goals. Accurate and timely financial reporting is a key component of that process.

Human Resources:

There are no human resources implications.

RISKS

Due to the current economic environment, including inflation, the current Federal and State political environment, and the uncertainty for projecting future enrollment, the College's finances will continue to have risk in future years.

Lansing Community College - Board of Trustees February 17, 2025

Agenda Item: Monthly Police Department Report

Presented for Information

PURPOSE

To provide information regarding police contacts, parking enforcement, and dispatch activity as part of the administration's monthly monitoring reports.

BACKGROUND

On March 21, 2022, the Lansing Community College (LCC) Board of Trustees passed a motion requiring the administration to provide monthly reports regarding the Police Department's interactions with LCC's campus communities.

LCC's Police Department strives to be part of the solution to a national criminal justice system that has systematically and disparately impacted communities of color and the poor. In part, this report provides evidence of the Police Department's progress in responding to the Board's resolution to address racial injustice through diversity, equity, and inclusion and LCC's Equity Action Plan.

Exhibit A - Monthly Citizen Contact Reports

Beginning in August 2021, LCC police officers started providing Citizen Contact Receipts (aka Stop Receipts) to any individual with whom the officers have official contact. Stop Receipts are physical documents containing all the relevant information resulting from a person's interactions with LCC police, including time, date, location, officer name, and badge number, the reason for interaction, race, gender, and result of the interaction. Information pertaining to force or other aspects of police intervention will also be chronicled on Stop Receipts, as applicable.

In addition, parking enforcement and dispatch activity information is pulled from the Michigan State Police – State Records Management System. Calls for service include but are not limited to battery jump starts, vehicle unlocks, parking assistance, escorts, room unlocks, after-hours building access, accidents, injuries, medical emergencies, concerning behaviors, select college policy violations, campus-related crimes, and general request for assistance from students, employees, and guests.

RISKS

Maintaining transparency in LCC's policing policies, procedures, and practices is an essential part of being accountable to the community we serve. This framework establishes a culture of value around diversity, equity, inclusion, and justice. It also creates the foundation for a system of accountability for everyone who works within the Police Department. Failure to adhere to these values would erode the trust between LCC's Police Department and the community.

Agenda Item: Review of Annual Board Planning Cycle – GP 306

Presented for Action

PURPOSE

To review the Board's annual planning calendar, develop the agenda for the upcoming year in accordance with Goverance 306, and make necessary changes. Additionally, consider shifting larger agenda items to different months to reduce the volume of materials distributed in the board packet.

BACKGROUND

To accomplish its job outputs with a governance style consistent with Board policies, the Board will follow an annual agenda which (a) completes a re-exploration of Ends policies annually and (b) continually improves its performance through attention to Board education and enriched input and deliberation.

1. The cycle will conclude each year on the last day of December so that administrative budgeting can be based on accomplishing a one-year segment of the most recent Board long-range vision. Long-range planning will be addressed annually.

In December, the Board will develop its agenda for the ensuing one-year period.

2. Education, input, and deliberation will receive paramount attention in structuring the series of meetings and other Board activities during the year.

To the extent feasible, the Board will identify those areas of education and input needed to increase the level of wisdom and forethought it can give to subsequent choices.
