

Letter of Agreement by and between Lansing Community College and
Michigan Association of Higher Education

December 2, 2021

In finalizing the Collective Bargaining Agreement (CBA) at the conclusion of collective bargaining, the parties failed to detect that Article XI.C.9 remained in the CBA when it should have been deleted.

The parties agree to strike out the language in Article XI.C.9 in both the online and printed versions of the CBA.

Also, in Article XIII.D, a typo has the number 8 where the number 12 should be (Page 55, Article XIII.D.12).

The parties agree to change Article XIII.D.8 to Article XIII.D.12 in both the online and printed versions.

This Letter of Agreement is a full and complete agreement; its provisions are not to be considered as precedent for any other or future situation; it does not alter any provision of the parties' current collective bargaining agreement.

The parties have voluntarily entered into this Letter of Agreement, which represents their full understanding regarding the matters addressed herein and which may not be modified except by written agreement signed by the College and MAHE.
