- Provisional/Grant Funded

No. of Employee if this position is pooled: 2

JOB SUMMARY: (This section should summarize the overall purpose (“mission”) of this job in 1-4 sentences. Briefly describe the primary reason the job exists at LCC.)

Functions as the secondary source of instruction in the Welding Lab to support instruction provided by the instructor of record. Assists students in completing lab projects and assignments by providing necessary instruction. Provides evaluation of student performance as requested by the instructor of record. Ensures that the lab is set up and prepared with all required tools and materials for the assigned class and planned instruction. Inspects the lab and classroom area after each class to ensure proper cleanup of the facility. Coordinates the ordering, inventorying, and maintenance of lab supplies, tools, equipment. Must be able to effectively communicate and demonstrate knowledge of specific technical skills in the lab to a diverse student population. Must have the ability to collaborate with students and peers in order to establish an environment where safety is not compromised. The successful candidate will be an advocate for shop safety and be very familiar with Personal Protective Equipment and safe industrial practices. Work hours may be daytime, evening, or weekends.

DIRECT REPORTS: (If this is a supervisory position (authority to hire, assign, discipline, approve timesheets), list position #s of those supervised).

CORE COMPETENCIES. Record the knowledge, skills and abilities necessary to perform the essential functions of this position. Provide descriptions of core competencies below (e.g. communication, customer service, decision-making, leadership, problem-solving, etc.). An incumbent or applicant must be able to demonstrate and results must be measurable.

Knowledge:
1. Basic welding skills and ability to demonstrate to others.
2. Knowledge of OSHA safety standards and policies and general shop safety practices.

Communication:
3. Good listening and verbal skills.
4. Able to communicate in written form.

Problem Solving:
5. Able to evaluate daily situations involving parts, supplies, equipment, and improving the Welding Lab.
6. Able to analyze short- and long-term needs for space, supplies, equipment, training aids, etc.
7. Able to handle crisis situations that come up when dealing with equipment, machinery, students, and faculty.

Other:
8. Able to design and build training aids, special fixtures and modifications of equipment.
9. Knowledge of the assembly, repair, and maintenance of various types of tools and equipment.
10. Keyboard skills, knowledge of computer software.
11. Flexibility and the ability to work various shifts.

EDUCATIONAL/EXPERIENCE REQUIREMENTS: Identify the education and/or equivalent combination of education and experience, plus additional specific years of experience, certifications, licenses and/or special training required to perform the essential functions of this job.

Required:
- High School Diploma/GED or higher.
- Some college coursework in the Welding field

Preferred:
- Associate’s Degree or higher in a Welding field.

PHYSICAL AND MENTAL REQUIREMENTS: Complete the physical and mental demands on the attached ADA Checklist that must be met to successfully perform the essential functions of this job. Mobility around the LCC campus is a normal part of the position’s functions. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Go to the ADA Checklist.

WORK ENVIRONMENT: Complete the work environment characteristics on the attached ADA Checklist that must be met to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Go to the ADA Checklist.

Note: Position description to be reviewed annually, upon posting or transfer of person or position.
The immediate supervisor is responsible for completion of this form. Fill in more information as needed that apply to the essential job duties of the attached job description.

Position #: PLWELD  Date: 10/11/2017  Supervisor’s Position #: FA9680

Materials Used:

Standard Office Equipment:
- Computer keyboard, mouse, screen (either desktop or laptop)
- Various software (spreadsheet, word-processing, web-base, other media)
- Telephone, blackberry, fax

Others, please list:

Standard Trades Equipment:
- Carpentry
- Electrical
- Plumbing

Others repair/maintenance tools, please list:

Mental Functions:
- Comparing (compare/contrast data, people, things)
- Copying (entering, posting, transcribing data)
- Synthesizing (combine data, concepts, interpretations)
- Analyzing (examine, test data, present alternative actions)
- Computing (math calculations or carrying out formula operations)
- Compiling (gathering, classifying, evaluating data, people, things)

Auditory Functions:
- Talking (express ideas, thoughts, languages, conveying details, accurately, loudly, quickly)
- Hearing (receive details through oral communication, make fine differences in sound with other sound interference e.g. running machines, other people)

Visionary Functions:
- Near acuity (at 20 inches or less when minute accuracy is essential)
- Far acuity (more than 20 inches when day and night/dark conditions are essential)
- Depth perception (3 dimensional vision, judge distances, space)
- Color vision (distinguish colors)
- Field of vision (up-down and right-left)

Smell and Tasting Functions:
- Flavors & odors (distinguish similarities, differences, intensities, qualities using tongue & nose)

Movement, Strength, Repetition Functions:
- Climbing
- Kneeling
- Reaching
- Balancing
- Crouching
- Grasping
- Stooping
- Crawling
- Picking/Typing/Keyboarding
- Sedentary (exert up to 10 lbs of force to lift, carry, push, pull, move objects; sit most of the time)
- Light (exert up to 20 lbs of force to lift, carry, push, pull, move object; walk/stand occasionally)
- Medium (exert 21-50 lbs of force, walk/stand frequently)
- Heavy (exert 51-100 lbs of force, walk/stand routinely)
- Very Heavy (exert over 100 lbs of force, walk/stand routinely)

Environmental Conditions:
- Weather (rain, snow, wind)
- Vibrations
- Extreme cold (inside, outside)
- Hazards (fumes, odors, dust, toxic chemicals, allergens, poor ventilation, shock)
- Extreme heat (inside, outside)
- Extreme noises
- Confined/restricted spaces
- Hazards (fumes, odors, dust, toxic chemicals, allergens, poor ventilation, shock)
