

MiRIS Consortium

ASSOCIATE OF APPLIED SCIENCES

Admissions Requirements

Individuals applying for the certificate program must have graduated from an accredited educational institution, and be registered through the American Registry of Radiologic Technology in Radiography, Radiation Therapy, Nuclear Medicine (registration through NMTCB is also considered) or Sonography (registration through ARMDS also considered). Individuals must also provide evidence of current Health Care Provider CPR Certification.

Admission to the MRI Program through Lansing Community College is based on points. Points are awarded based on academic achievement and thoroughness of required documentation.

The following documents are required to be considered for the MRI Program:

1. ARRT Certification

A copy of current ARRT certification is required. If this documentation is not provided, application will not be considered.

2. Health Care CPR Certification

A copy of current Health Care Provider CPR certification is required. If this documentation is not provided, application will not be considered.

The following documentation will be considered for points ranking. Documentation must be attached to the application or mailed directly to the MRI Campus Program Coordinator at Lansing Community College.

Please carefully review the requirements. Failure to complete requirements as directed can result in forfeiture of points.

1. Letter of Intent (5 points)

Please submit a 250-300 word letter indicating why you are interested in pursuing a career in magnetic resonance imaging and why you feel you would be a successful student in this online/hybrid program.

2. Work Experience Documentation (2 points)

Please submit a resume or CV documenting of at least 2 years of clinical work experience in radiography, CT or MRI within the last 5 years

3. Letters of Recommendation (4 points)

Please submit two (2) letters of recommendation.

- One letter of recommendation must be from a supervisor who has worked with you within the past three (3) years. Letters of recommendation from supervisors must be on company letterhead, signed, and mailed directly to the MRI Campus Program Coordinator.
- The second letter of recommendation must be from a co-worker who has worked with you within an imaging modality within the past three (3) years. This can be attached to your application.

4. Radiography/Educational Transcripts

Please submit your transcript from an approved radiography program, transcripts must also verify a minimum GPA of 2.5 in all Radiologic Technology Courses. Student transcripts are acceptable. Please note, once admitted to the program official transcripts will be required.

- Points will be given for education achieved and for GPA in Radiologic Technology Courses:
 - Master's Degree in a Health-Related field: 10 points
 - Bachelor's Degree in a Health-Related field: 8 points
 - Associate Degree in a Health-Related field: 6 points
- Points will be given for GPA achieved in Radiologic Technologic Courses
 - 3.60 - 4.00: 10 points
 - 3.10 - 3.59: 8 points
 - 2.50 - 3.00: 4 points
