

LANSING COMMUNITY COLLEGE

CURRICULUM GUIDE

Fashion Merchandising and Design Technology
Associate in Applied Science Degree

Curriculum Code: 1252 (Effective Fall 2014 – Summer 2019)

This degree is designed to give students an opportunity to study all aspects of fashion design. Includes instruction in wholesaling, wholesale advertising, selling and customer relations, retailing, apparel technologies, distribution, customer sales and service skills, and principles of consumer research and sales forecasting. The Associate in Applied Science degree provides students with an option for a career or the requisite foundation for transfer to a four-year college or university. **Not all courses in this program transfer to all colleges.** Students planning to transfer should see an academic advisor before enrolling in any course.

PREREQUISITES
