## CURRICULUM GUIDE

EMS Instructor–Coordinator  
Certificate of Completion

Curriculum Code: 1638 (Effective Fall 2014 – Summer 2015)

The EMS Educator–Coordinator curriculum is intended for teacher candidates who have proven their commitment to the profession through self–initiated field experiences and academic performance. The State of Michigan Licensing and Regulation Division of the Department of Community Health requires this curriculum/certification that is specific to the preparation and education of EMS Instructor–Coordinator Candidates. The curriculum gives the EMS educator the ability to engage in learner–centered, outcome based practices articulated by the National Guidelines for Educating EMS Instructors. The curriculum provides the opportunity for building and developing teaching skills that will lead to higher levels of instructional and administrative expertise in accordance with applicable state and federal mandates. Students who successfully complete this program are eligible to sit for the State of Michigan for EMS Instructor–Coordinator licensure exam.
