

# LANSING COMMUNITY COLLEGE

## CURRICULUM GUIDE

Computer Repair and Support Technician  
Associate in Applied Science Degree

Curriculum Code: 0743 (Effective Fall 2015 – Summer 2020)

A computer service technician is highly knowledgeable in both computer hardware and software. This person must not only understand the operation of the computer system, but must also diagnose and repair the system when it fails, make upgrades, and perform preventive maintenance. A computer service technician also answers customers' questions relating to correct use of computers or components and may install new equipment. A successful computer service technician must understand electronics, computer hardware and software, and how they work together to make the computer operate. Computer service technicians are employed in computer sales and service shops and any place a large number of computers are found. **Not all courses in this program transfer to all colleges.** Students planning to transfer should see an academic advisor before enrolling in any course.

### PREREQUISITES

Students should see [Course Descriptions](#) for course prerequisite information. See [Academic Assessment and Placement Testing for Student Success](#) for skills assessment and advising information.

### INFORMATION

Contact the Computer Information Technologies Program, West Campus Building, Room M103, telephone number (517) 267-6406 (Website: [www.lcc.edu/cit/support/](http://www.lcc.edu/cit/support/)) or Academic Advising Department, Gannon Building – StarZone, telephone number (517) 483-1904.

### REQUIREMENTS

**TOTAL: 46 CREDITS**

CODE	TITLE	CREDIT HOURS
CITN 115	Home Technology Integration	5
CITN 222	Wireless Networking & Security	3
CITP 110	Intro to Computer Programming	4
CITS 125	Computer Support: A+ Cert Prep	6
