CURRICULUM GUIDE

Basic Emergency Medical Technician
Certificate of Completion

Curriculum Code: 1018 (Effective Fall 2015 – Summer 2017)

Basic Emergency Medical Technicians are members of the health care team in the pre-hospital emergency care setting. EMT personnel staff ambulances and are also employed in hospitals, industry, and other public service agencies. They are expected to respond rapidly and effectively to many forms of trauma and medical emergencies and work in close contact with emergency physicians. The job is often fast-paced and always challenging. State licensing is required. Basic EMT courses are approved by the Michigan Department of Community Health. An EMT Academy option is available to students.
