CURRICULUM GUIDE

Automotive Technology, Maintenance/Light Repair Specialist
Certificate of Completion

Curriculum Code: 1764 (Effective Fall 2016 – Summer 2021)

Program Description

This program prepares individuals to work as an automotive Maintenance/Light Repair technician. Students will receive an overview of automotive systems and their maintenance. Completion of this certificate leads to an ASE Maintenance and Light Repair (MLR) certification. These skills will build the foundation for various careers in automotive technologies. ASE Certified technicians are more desirable to employers. All credits in this program apply toward the Automotive Technologies Associate degrees. The Automotive Technology Program is a National Automotive Technicians Education Foundation (NATEF) Certified Training Program, evaluated by the National Institute for Automotive Service Excellence (ASE).

PREREQUISITES

Students should see [Course Descriptions](#) for course prerequisite information. See [Academic Assessment and Placement Testing for Student Success](#) for skills assessment and advising information.
