CURRICULUM GUIDE

Fashion Design
Associate in Applied Science Degree

Curriculum Code: 1767 (Effective Fall 2016 – Summer 2021)

This degree is designed to give students an opportunity to study all aspects of fashion design. Includes instruction in clothing production techniques, fashion sketching, fashion illustration, pattern making, draping, computer-aided fashion design, and presentation techniques, fashion marketing, fashion buying and planning, promotion, fashion coordination, advertising, and sales. The Associate in Applied Science degree provides students with an option for a career or the requisite foundation for transfer to a four-year college or university. Not all courses in this program transfer to all colleges. Students planning to transfer should see program advisor before enrolling in any course.
