CURRICULUM GUIDE

German Studies
Certificate of Completion

Curriculum Code: 1786 (Effective Fall 2016 – Summer 2021)

This Certificate of Completion in German Studies provides the beginning and intermediate level German language skills and cross-cultural information for students preparing to transfer to college or university programs, qualifying dual-enrolled high school or home school students, or those seeking to reinforce their own professional German language and cultural competencies. In an increasingly international world economy, with Germany being one of the largest export countries in the world, holders of this Certificate of Completion in German may improve their employment opportunities, in particular since many German companies have ties to Michigan businesses. Students may apply all courses in this curriculum toward other certificates and/or degrees.
