Business, Economics & Management

Curriculum Code: 0243
(Effective Fall 2018 –
Summer 2023)

Business Administration A.B. Pathway

This degree, which can be completed entirely online, provides basic instruction in key business areas such as management, marketing, finances, computers and other business-related areas. Graduates may qualify for entry level/hands-on positions. Additional education will enhance an individual's employment and advancement opportunities. Not all courses in this program transfer to all colleges. Students planning to transfer should see an academic advisor before enrolling in any course.

Additional Information

Students in this program choose a subspecialty, Accounting/Finance, Entrepreneurial, General Business, or Management, to determine the courses needed to complete the degree.

Upon completion of a subspecialty, any additional subspecialty courses will not count toward the student's enrollment level for determining financial aid eligibility.
