

**LANSING COMMUNITY COLLEGE**

**Health & Public Services**

**Curriculum Code: 1017**  
(Effective Fall 2018 –  
Summer 2020)

**Sterile Processing Technician C.C. Pathway**

This certificate curriculum prepares individuals to function competently in the central service department of a healthcare facility. Duties include, but are not limited to, processing of patient care equipment, supplies, and instruments for use in all departments. Includes principles and practices of decontamination, cleaning, disinfection, sterilization, and distribution of medical/surgical supplies. This curriculum provides externship experience and prepares the successful completer for the National Certification Exam for Sterile Processing and Distribution.

**Note:**

Students must complete all three courses below with a minimum grade of 2.5 to receive this certificate.

**For More Information**
