**Vascular Technology C.C. Pathway**

This certificate includes the instructional component of the preparation that students need to take either the examination by the American Registry for Diagnostic Medical Sonography (ARDMS) or the American Registry of Radiologic Technologists (ARRT). It provides the didactic and applied instruction necessary for students to be competent in the specialty of Vascular Sonography. Students must also seek clinical verification in order to sit for their registry exam.

**Note:**

Students must complete all courses with a minimum grade of 2.5 to receive this certificate.
