

Web Site Developer C.C.

Curriculum Code: 0843

Effective: Fall 2019 – Summer 2024

Description

This certificate provides students with the technical skills necessary to use the Internet as an effective business resource, including building and maintaining commercial websites. It is designed for students who already have basic computer skills and want to specialize in Internet technology and web site design and development. This course work can be applied toward completion of the E-Business, Associate in Business Degree (0839).
