General Associate Degree
Curriculum Code: 0863
Effective: Fall 2021 - Summer 2026

Description
This degree is a customized program of study that should be approved by an academic advisor. A minimum of 60 credits is required and includes the LCC General Education-Applied Degree requirements. Students must also complete one of two options: EITHER 40-45 credits in an area of study of their own choosing (Option A); OR they must complete the credits required for admission to a selective admission program (Option B). Students planning to transfer should see an academic advisor before enrolling in any course.

Additional Information
Students should meet with an academic advisor prior to selecting courses for customized options. Courses may not be counted more than once for those options.

The following cannot be used for degree requirements:
   a) courses numbered below 100
   b) courses in Mathematics or Statistics that are not listed on the Transfer Degrees (MTA) tab or Applied Degrees tab of LCC General Education.
   c) courses in English or Writing numbered below 118
   d) courses in English as a Second Language
   e) courses in Reading
   f) courses in non-technical Vocabulary
   g) courses in Academic Experience (ACAD) numbered other than 100

Contact Information
Prior to beginning this program, students should meet with an academic advisor in the Academic Advising Department, Gannon Building - StarZone, telephone number 517-483-1904.
