Web Site Developer C.C.

Career Community: Computer Technology and Networking
Curriculum Code: 0843
Effective: Fall 2024 – Summer 2029

Description
The Web Site Developer certificate provides students with the technical skills necessary to use the internet as an effective business resource, including building and maintaining commercial websites. This program of study is designed for students who already have basic computer skills and want to specialize in internet technology and, web site design and development. This certificate can be completed entirely online. The course work can be applied toward completion of the E-Business Associate of Business Degree (0839).

Milestone
Completion of CITW 160 with a 2.0 or higher is a key component for success in completing this program. Knowledge obtained in this course is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in this course.

Additional Information
A student must earn a minimum grade of 2.0 in all courses.

Contact Information
For further information, including career options, course substitutions and waivers, etc., contact the Computer Information Technologies Program at the West Campus Building, Room M103, telephone number 517-267-6406 or Student Services West Campus, West Campus Building, Room M016, telephone number 517-267-5452.
