

Phlebotomy Technician C.C.

Career Community: Health Careers

Curriculum Code: 1010

Effective: Fall 2025 – Summer 2027

Purpose of the Major

This certificate curriculum is designed to prepare an individual to function as a phlebotomy technician. It will provide the knowledge, skills, and externship experience that is necessary to safely and skillfully obtain a blood specimen from a patient. A phlebotomist may work in a variety of settings such as hospitals, outpatient labs, physicians' offices, or clinics.

Milestone

Completion of CHSE 143 with a 2.5 or higher is a key component for success in completing this program. Knowledge obtained in this course is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in the course.

Additional Information

Students must enroll in CHSE 144 within one year of completing CHSE 143 with a minimum grade of 2.5. CHSE 144 must also be completed with a minimum grade of 2.5 to receive this certificate.

Students wishing to pursue an associate degree, should declare the Allied Health A.A.S. major. Courses in this program of study may be applied toward that degree.

Contact Information

For further information, including career options, course substitutions and waivers, etc., contact the Community Health Services Education Program, Health and Human Services Building, Room 108, telephone number 517-483-1410, or the Academic Advising Department, Gannon Building - StarZone, telephone number 517-483-1904.
