

Human Services C.A.

Career Community: Health and Human Service Careers

Curriculum Code: 1201

Effective: Fall 2023 – Summer 2028

Description

This Certificate of Achievement provides the essential values, knowledge, and skills to promote client and community well-being. It is designed as the second certificate in an enhanced career pathway into human services. Standards from the Council for Standards in Human Services Education and the generic competencies and ethical standards from the National Organization for Human Services serve as guidelines for the course work.

Milestone

Completion of ENGL 121 or ENGL 131 with a 2.0 or higher, and GERO 100, HUSE 100, HUSE 105, and HUSE 242 with a 2.5 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

Additional Information

Students completing this degree will select a Specialization - Addiction, Aging, or Children and Families. Students may follow other placement options with approval by the Human Services Program Director.

For students interested in addiction, view the [Michigan Certification Board for Addiction Professionals website](#) for current addiction credentialing. Students interested in aging should follow the Human Services Aging Studies course work.

Upon completion of a specialization, any additional specialization courses will not count toward the student's enrollment level for determining financial aid eligibility.

Students must meet the criteria as described in the Human Services Advising Guide for a supervised consecutive two-semester practicum within a community agency for experiential learning. Students are required to meet with the Human Services Program Director prior to, or during, their first semester to obtain practicum information and application requirements for Fall semester. Before practicum placement, a criminal background check is required, and a DHHS Central Registry check is required for placement with children and families or agencies providing services to children and families.

To earn this Certificate of Achievement a 2.5 grade or higher is required in all GERO, HUSE, SOWK courses and Specialization Choices. General education courses require a 2.0 grade or higher. An overall 2.5 GPA or higher is required. Students continuing their education are encouraged to take the required general education courses in their first, second, third and summer semesters to complete the Human Services Associate Degree on time.
