

Music Technology C.C.

Curriculum Code: 1358

Effective: Fall 2020 – Summer 2025

Description

The Music Technology Certificate of Completion combines practical and applied coursework in audio production, recording, MIDI composition, music fundamentals, and keyboard skills. Students develop technical and creative skills in the field of music and sound through access to state of the art sound recording and electronic music studios. Diverse opportunities exist to develop performance skills.
