

EKG Technician C.C.

Curriculum Code: 1442

Effective: Fall 2021 – Summer 2022

Description

This certificate is designed to prepare an individual to safely and skillfully work as an EKG technician, also known as a cardiology technician at certain facilities. An EKG technician works primarily in a hospital but could also work in an outpatient clinic or cardiology practice. Completers of this curriculum meet the requirements to take any one of the various exams for EKG certification.

Additional Information

- Students must complete all courses with a minimum grade of 2.5 to receive this certificate.
- Students wishing to pursue an associate degree, should declare the Allied Health A.A.S. major. Courses in this program of study may be applied toward that degree.
