

Medical Insurance Billing and Coding C.C.

Curriculum Code: 1488

Effective: Fall 2021 – Summer 2023

Description

This curriculum introduces the student to insurance billing, diagnostic and procedure coding for physician and facilities billing as well as comprehensive billing directions for commercial insurances and worker's compensation. Students will also learn to record charges/payments/information; schedule appointments; ICD-10 and CPT coding; produce claim forms and patient statements; submit claims electronically; and build office databases. Students following the Suggested Course Sequence at the end of this guide may complete this certificate in one year. Upon successful completion of the program, students are eligible to take various billing and coding certification exams.

Additional Information

Students must complete all courses with a minimum grade of 2.5 to receive this Certificate of Completion.

Upon completion, students wishing to pursue an associate degree should declare the Allied Health A.A.S. major. Courses in this certificate program of study may be applied toward that degree.
