

## Building Construction C.C.

Curriculum Code: 1714

Effective: Fall 2020 – Summer 2025

### Description

The Building Construction Certificate is designed to prepare students to work in entry-level carpenter positions. This curriculum incorporates elements required for home construction, renovation work and small scale commercial construction. The curriculum provides a broad foundation of technical skills related to framing, doors/windows/siding, roofing, and interior installation/finishes.

### Additional Information

Students who have completed ELTE 102, HVAC 102, METS 102 or WELD 102 with a grade of 2.0 or higher may substitute one of these courses for DCTM 102.

### Contact Information

Contact the Building Construction Technologies Program in the West Campus Building, Room M103, telephone number 517-483-5338 or Student Services West Campus, West Campus Building, Room M106, telephone number 517-267-5452.
