

## **Insurance and Risk Management A.B.**

Career Community: Business

Curriculum Code: 1804

Effective: Fall 2025 – Summer 2030

### **Purpose of Major**

This major is designed for students wishing to work in the field of Insurance and Risk Management on completion of the Associate of Business degree. Graduates of this degree will be prepared to start their career. The insurance industry is experiencing a high demand for professionals, providing graduates with many career opportunities. Not all courses in this pathway transfer to all colleges. Students who also wish to transfer to a four-year institution should select coursework indicated for that institution and may complete the coursework for a Business, Enhanced AB degree. The Business, Enhanced AB option allows students to transfer additional credits toward the Bachelor's degree. This allows completion of credits required for employment and of additional requirements for the Bachelor's. Institutions accepting coursework for the Business, Enhanced AB, Insurance and Risk Management track include Davenport University, Ferris State University (Business Administration – Professional Track), and Northwood University. Students wishing to transfer to the University of Olivet in the Insurance and Risk Management major should choose the Business Transfer Studies Associate in Arts degree and follow instructions for transfer to the University of Olivet, Insurance and Risk Management major.

### **Milestone**

In addition to the required General Education courses in Math and English, completion of INSU 105 and INSU 110 with a 2.0 or higher is a key component for success in completing this program. Knowledge obtained in these courses is the foundation for learning in other required courses. Students are encouraged to contact their faculty if they need additional assistance with learning the concepts presented in these courses.

### **Contact Information**

For further information, including about career options, course substitutions and waivers, etc., contact the School of Business, Gannon Building, Room 1222, telephone number 517-483-1546 or the Academic Advising Department, Gannon Building – Star Zone, telephone number 517-483-1904.

**Major Required Courses** - *Some courses meet General Education requirements for Michigan Transfer Agreement (MTA). A minimum of 2.0 is required for General Education courses and to transfer to other colleges (some colleges, and some programs within colleges, require a higher grade in a course.)*
