

Business G.A.

Curriculum Code: 1821

Effective: Fall 2021 – Summer 2026

Purpose of Major

This degree is designed for students wishing to work in any Business-related field. The degree includes a common set of courses applicable to all Business majors and for all transfer institutions. Students beginning their college study in this degree program are encouraged to work with academic and program advisors throughout their first few semesters of study to determine their specific major area and transfer destination (if transfer is a goal). Students may select the Business Transfer Studies degree geared to any transfer major, including Economics, or a specific Associate in Business major (Accounting, Business Administration, Field Sales and Marketing, Financial Institutions, Human Resource Management, Insurance and Risk Management, International Business, Management, Marketing), which prepares students to work in the field on completion of the Associate degree and may also allow transfer to specific institutions.

Not all courses in this pathway transfer to all colleges. Students who also wish to transfer to a four-year institution should select coursework indicated for that institution and may complete the coursework for a Business, Enhanced AB degree. The Business, Enhanced AB option allows students to transfer additional credits toward the Bachelor's degree. This allows completion of credits required for employment and of additional requirements for the Bachelor's.

Contact Information

Contact the Business and Economics Department, Gannon Building, Room 1222, telephone number 517-483-1522 or the Academic Advising Department, Gannon Building – Star Zone, telephone number 517-483-1904.

General Education – Applied Degrees - Recommended Courses

Select courses as indicated for specific transfer institutions. These courses are preferred General Education courses listed on Transfer Articulation agreements. The recommended courses in each General Education category also meet Michigan Transfer Agreement (MTA) requirements. If no course is indicated, choose from the list of options under [General Education](#). A minimum grade of 2.0 is required for each General Education course.

- English Composition
ENGL 121 or 131 will meet this requirement.
- English Composition (Second Course) or Communications or Applied Communications
COMM 110 or 130 will meet this requirement.

- Humanities or Social Science or Applied Social Science
ECON 201 or 202 will meet this requirement.
- Mathematics or Applied Mathematics
MATH 120 or STAT 170 will meet this requirement.
- Natural Sciences Lab or Applied Science and Technology Lab
BIOL 120 or 125 will meet this requirement.

Business Career Community Required Courses – *These courses are required for all Business programs. They should be taken before other Program Required or Limited Choice Courses. Some courses meet General Education requirements for Michigan Transfer Agreement (MTA). A minimum of 2.0 is required to meet LCC degree requirements for General Education courses and for all courses to transfer to other colleges (some colleges, and some programs within colleges, require a higher grade in a course.)*

For students not considering transfer as an option, MGMT 234, Diversity in the Workplace, 3 credits / 3 billing hours, may be substituted for ECON 201 using the Course Substitution process. MGMT 234 meets LCC General Education requirements for Applied Degrees – Humanities or Social Science or Applied Social Science. MGMT 234 does not meet the Michigan Transfer Agreement (MTA) Social Science requirement for transfer as a General Education course.

Program of Study Required Courses – Limited Choice - *Select a minimum of 22 credits to reach the 60 credits required for the degree. Work with an Academic Advisor or Program Advisor to select the most appropriate courses or to select a field-specific major or transfer major that meets your educational and career goals. Some courses meet General Education requirements for Michigan Transfer Agreement (MTA). A minimum of 2.0 is required to transfer to other colleges (some colleges, and some programs within colleges, require a higher grade in a course.)*
