LCC Emergency Alerts are used to warn people of an emergency that poses an imminent threat to life safety, such as violence or severe weather, ongoing criminal activity, or an urgent situation like a power outage.

There are three types of alerts, and three distinct email banners:

1. An **EMERGENCY NOTIFICATION** is an immediate threat to persons or property.
2. A **TIMELY WARNING** is based on a [Clery crime\(s\)](#) that pose(s) a serious or ongoing threat to the campus community.
3. **PUBLIC SAFETY NOTICES** are non-Clery incidents or situations that may impact campus safety or operations.

You can review or make changes to your RAVE profile by going to [RAVE Mobile Safety webpage](#) and specifying Lansing Community College.

A History of LCC

Lansing Community College is one of the largest community colleges in Michigan, serving more than 13,000 students each year. It offers a multitude of associate degrees and certificate programs in addition to career and workforce development and personal enrichment options. The college was founded in 1957 and has since grown from its flagship campus in downtown Lansing to include locations in Delta Township, East Lansing, and Mason. LCC is consistently named one of Michigan's best community colleges, and students enjoy unsurpassed instruction, beautiful facilities, cutting-edge technology and comprehensive support services to help them succeed.

Accreditation

Lansing Community College (LCC) is accredited by the Higher Learning Commission (HLC), an agency approved by the U.S. Department of Education to accredit degree-granting institutions of higher education throughout the United States. Accreditation validates the quality of an institution as a whole and evaluates multiple aspects of an institution, including its academic offerings, governance and administration, mission, finances, and resources. Institutions that HLC accredits are evaluated against the Commission's [Criteria for Accreditation](#), a set of standards that must be met in order for the institution to receive and/or maintain accredited status. HLC's Criteria for Accreditation reflect a set of guiding values. Accreditation is largely a peer-based review and evaluation process. HLC decision-making bodies are comprised of institutional representation from colleges and universities accredited by the Commission; public members are also sometimes involved.

Board of Trustees

LCC is governed by a Board of Trustees, consisting of seven members, elected at large in the community college district on a nonpartisan basis. Elected members retain positions for 6-year terms. For more information, view the [Board of Trustees](#) webpage.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA): FERPA is a federal law that sets forth requirements regarding the privacy of student education records. FERPA governs the release of and access to education records that are maintained by an educational institution.

LCC is prohibited from sharing student education records with parents, spouse, guardians, or any other third party without a release (consent) on file. Students may submit a Release of Information (FERPA) request form directly to the Registrar's Office in order to authorize the College to share education records with named designee(s). This form can also be used to cancel, add, remove, or change the designee(s) on the release. Paper copies are available by visiting the StarZone or by accessing the Registrar's Office public shared drive.

When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student. The FERPA statute is found at 20 U.S.C § 1232g, and the FERPA regulations are found at 34 CFR Part 99 on the U.S. Department of Education FERPA webpage.

LCC Registrar's office will communicate students' rights under the Family Educational Rights and Privacy Act (FERPA) with all registered students through their LCC student email every semester.

Directory information may be released at the discretion of College officials for any student who has not submitted a completed [Request to Prevent Disclosure of Directory Information](#) form. Students may submit the form at any time. The disclosure prevention form remains in effect until the student provides a written release to the Registrar's Office.

LCC defines directory information as the following:

- Name of student
- Dates of attendance
- Enrollment status
- Awards, degrees, or certificates received
- Participation in officially recognized activities
- Sport, weight, and height of members of an athletic team
- Previous educational agency or institution attended
- LCC email address

Under the provisions of the FERPA of 1974, as Amended, students have the right to withhold the disclosure of the Directory Information. To request to prevent disclosure, students must submit a [Request to Prevent Disclosure of Directory Information](#). Students may submit this form at any time. The form remains in effect until the student provides a written release to the [Registrar's Office](#) requesting the form to be canceled.

Care Team

The Care Team, formerly named the Behavioral Intervention Team (BIT), works to promote the sharing of information internally when significant circumstances pertaining to the health and safety of LCC's students arise. The team links students of concern to appropriate services either on or off campus while balancing the individual's rights with the rights of all others for safety. For more information, view the [Care Team webpage](#).

Military-Connected Student In-State Tuition

A Military-Connected Student is an individual who is using Veterans Affairs (VA) Educational Benefits under Chapter 30, Chapter 31, Chapter 33, Chapter 35, or the Fry Scholarship. A Military-Connected Student who lives in the State of Michigan while attending LCC, regardless of their former state of residence, and regardless of when they or the military member was discharged from military service, will pay in-state tuition rates for all VA approved programs.

To remain compliant and approved to receive VA GI Bill® funding, schools must charge in-state tuition and fee amounts to "covered individuals." A "covered individual" is defined in Section 1005 of Public Law 116-315 as:

- A veteran who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when they discharged from military service.
- A spouse or child using transferred benefits who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member discharged from military service.
- A spouse or child using benefits under the Survivors' and Dependents Educational Assistance Program (DEA) who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member died in the line of duty or when the individual became eligible to receive the benefit.
- A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member died in the line of duty.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government web site for [U.S. Department of Veterans Affairs](#).

The registration fee is applied to each semester the student is enrolled and pays for some of the cost of registration. This fee is charged to all students.

- **Student Support Fee - \$15***
Fee includes student support services such as tutoring, advising, counseling, library, computer lab, and parking. (This fee is charged per billable hour.)

About Billing Hours

What is a billing hour?

The cost for attending a course is determined by the course's billing hours, instead of credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor or with laboratory equipment.

How are billing hours for a course determined?

Several factors are considered in determining the billing hours of a course. The main factor is the number of hours the student is expected to either be in a class or in another "instructional" setting (such as a lab) in a typical week for a full-semester course. LCC courses range from one billing hour to more than 10 billing hours per course. The billing system caps the number of billing hours that can be added to a course. For the majority of courses at LCC, the credit hours and the billing hours are the same.

Tuition Estimate Resources

[Tuition Cost Estimator](#)

The Course Tuition Cost Estimator will give you a rough estimate of the tuition and fee charges for one or more courses you plan to enroll in. This is a tool to help you plan prior to registering for courses.

[Net Price Calculator](#)

This tool can be used to receive an estimate of how much students similar to you paid to attend LCC during the current Academic Year.

Financial Aid

The Financial Aid Office assists students with finding resources to finance their postsecondary education. Financial Aid resources are available through the federal government, state government, private organizations, and LCC. Students can contact the Financial Aid Office by calling 517-483-1200, Option 1, visit the [Financial Aid](#) webpage, or via [email](#).

Financial Responsibility

Students are expected to remain current on their financial obligations to the College. Students owing money to the College may be subjected to a hold and may not be permitted to register for classes until their account is paid in full or until a payment plan is approved by the College.

In addition, students must review, update, and accept the Financial Responsibility Agreement each semester of enrollment by logging into [Banner](#), then Student, and "Financial Responsibility Agreement." Doing so will automatically release the financial responsibility agreement hold allowing for registration in courses. Students are expected to and responsible for checking their LCC email for communications from Student Finance.

Maximum Enrollment per Semester

Individual students will enroll in no more than 28 credits per semester. Students who wish to enroll in more than 28 credits per semester may request permission from the Dean or designee overseeing the academic program the student is following. The Dean or designee will make a decision which is based on the student's academic and personal circumstances and which supports reasonable expectations for successful learning and course completion. In the case of any appeal, the final decision rests with the Academic Affairs Office.

Payment of Tuition & Fees

According to the Michigan Community College Act, "the Board of Trustees may establish and collect tuition and fees for resident and nonresident students." The Board of Trustees shall review student tuition and fees on an annual basis, based on the financial requirements of the College, to provide optimal services to students at an affordable price.

What is Financial Aid?

Financial aid refers to funding intended to help students cover the cost of their education. It may come in the form of grants, scholarships, work-study opportunities, and loans. Financial aid is typically awarded based on financial need, academic merit, or a combination of both. Federal and state regulations, institutional policies, and individual program requirements determine eligibility and application procedures.

Ways to Cover the Cost of Post-Secondary Education

Scholarships

Scholarship eligibility varies based on financial need, academic merit, field of study, talent, athletic participation, etc. For the most part, these funds do not need to be repaid. Students can apply for scholarships at LCC, the State of Michigan, community organizations, employers and other entities. Selection criteria and requirements vary according to the individual scholarship

and it is important to pay attention to application deadline dates. Learn more and apply for available scholarship opportunities through a variety of [online scholarship search engines](#).

Grants

Grants are funds to help cover educational costs and do not need to be repaid. These funds are offered by the federal government, State of Michigan, and LCC. Additional information can be found on the [Grants](#) webpage.

Student Employment & Work-Study

On- and off-campus employment opportunities allow students to earn funds to help cover the costs of educational expenses. As work is completed, the student earns wages that may be used toward school-related costs. More information can be found on the [LCC Student Employment & Work-Study](#) webpage.

Loans

Loans are funds available through the government and private lenders that students can borrow to pay for educational expenses. These funds must be repaid. See the [Loans](#) webpage for more information. Effective as of the 2026-2027 award year, federal regulations require a Schedule of Reductions (SOR) calculation for Federal Direct Loans. The regulation states how annual loan limits are calculated for students enrolled less than full-time.

Applying for Financial Aid

Free Application for Federal Student Aid (FAFSA) Process

To qualify for Financial Aid, students must complete and submit the Free Application for Federal Student Aid ([FAFSA](#)) using LCC's school code: 002278.

If planning on attending Fall 2026, Spring 2027, and/or Summer 2027, the student must complete the 2026-2027 FAFSA, which requires 2024 income information.

Types of Financial Aid

Need-Based v. Non-Need-Based Financial Aid

Need-based aid is financial aid a student can receive if the student has financial need and meets other eligibility criteria. Financial need is determined by subtracting the Student Aid Index (SAI) derived from the FAFSA from the student's Cost of Attendance (COA). Students cannot receive more need-based aid than the amount of financial need.

Example: COA of \$11,000-SAI of \$7000 = financial need of \$4,000. Student is eligible for \$4,000 in need-based aid.

The following are need-based financial aid programs:

- [Children of Fallen Heroes Scholarship](#)
The Children of Fallen Heroes Scholarship is provided to students whose parent or guardian was a public safety officer who died in the line of duty. This scholarship is available to those who are Federal Pell Grant eligible and are under 24 years of age or enrolled at an institution of higher education at the time of parent's or guardian's death.
- [Federal Pell Grant](#)
The Federal Pell Grant is a need-based federal grant to promote access to postsecondary education, and is awarded to low- and middle-income undergraduate students who have not yet earned a bachelor's or professional degree. Students must meet [basic eligibility requirements](#). Grant amounts are based on the student's SAI (see [Determining Financial Aid Eligibility](#)), and [enrollment level](#) at the [Federal Pell Grant Census Date](#). The maximum annual award is \$7,395 for 2026-2027 award year. Students are limited to receiving the equivalent of 12 full-time semesters of Federal Pell Grant.
- [Federal Supplemental Educational Opportunity Grant \(FSEOG\)](#)
The FSEOG is a federal grant awarded to students who demonstrate financial need, meet the [basic eligibility requirements](#), and qualify for a Federal Pell Grant. FSEOG funding is limited; therefore, priority is given to students who have the lowest SAI.
- [Federal Direct Subsidized Loan](#)
Federal Direct Subsidized are loans offered to eligible undergraduate students who need help with covering educational expenses. These funds must be repaid according to the terms of the Master Promissory Note and interest does not accrue while the student is in school.
- [Federal Work-Study](#)
Federal Work-Study is a need-based federal program that provides students with employment opportunities, both on- and off-campus, to assist with educational expenses. Students complete work and funds are paid in the form of a paycheck. Students must meet the [basic eligibility requirements](#) to receive these funds.
- [Fostering Futures Scholarship](#)
The Fostering Futures Scholarship is awarded on a first-come, first-served basis to students who have been placed by the Department of Human Services in the Michigan foster care system on or after their 13th birthday. To apply for these funds, students can create an MISSG portal and submit a Fostering Futures Scholarship application or contact the Customer Care Center at 1-888-447-2687. Eligible applicants are required to maintain half-time enrollment (minimum 6 credit hours) and meet Satisfactory Academic Progress. Students must apply for this scholarship each academic year.
- [Iraq & Afghanistan Service Grant](#)
The Iraq and Afghanistan Service Grant is a need-based federal grant awarded to students whose parent or guardian was a member of the U.S. armed forces who died as a result of military service performed in Iraq or Afghanistan after the events of 9/11 when the student was under 24 years old or enrolled in college at least part-time at the time of the student's parent's or guardian's death. The student must be enrolled at least half-time

(6 credit hours) and the award amount is prorated based on enrollment level: 100% for full-time (12 or more credits), 75% for three-quarter-time (9-11.99 credits), and 50% for half-time (6-8.99 credits).

- [LCC Grant](#)

The LCC Grant is an institutional grant awarded to students who demonstrate financial need. Grant funds are limited; therefore, priority is given to students with the lowest SAI.

- [Michigan Competitive Scholarship](#)

The Michigan Competitive Scholarship is awarded to students who are pursuing their first degree and demonstrate financial need along with having a qualifying ACT or SAT score. Eligible applicants are required to file a FAFSA each year, maintain half-time enrollment (minimum 6 credit hours), maintain a GPA of 2.0 and meet Satisfactory Academic Progress. This award can only pay for tuition and fee charges and may be adjusted due to other awards. It is currently being phased out and is restricted to students who graduated high school prior to 2023.

Non-need-based aid is financial aid that is not based on SAI. The student's eligibility is determined by COA and the amount of other financial aid awarded. [State of Michigan, Scholarship and Grant Programs webpage](#).

Example: COA of \$11,000-need-based awards of \$4,000 = no more than \$7,000 in non-need-based aid.

The following are non-need-based student aid programs:

- [Children of Veterans Tuition Grant \(CVTG\)](#)

The CVTG is awarded for up to four academic years to students older than 16 and younger than 26 years of age who are the biological or adopted child of a Michigan veteran. The veteran must have died or become totally and permanently disabled as a result of military service. Students must enroll at least half-time (minimum 6 credit hours) and meet Satisfactory Academic Progress (SAP) standards, which includes maintaining a minimum GPA of at least a 2.25, to continue to receive the award. This award covers tuition and mandatory fees (Registration and Student Support Fees), prorates based on enrollment level and may be adjusted due to other awards. CVTG will not cover any billing hours in excess of credit hours.

- [Federal Direct Unsubsidized Loan](#)

The Federal Direct Unsubsidized are loans made to eligible undergraduate, graduate, and professional students to help cover educational expenses. These funds must be repaid according to the terms of the Master Promissory Note and interest does accrue while the student is in school.

- [Federal Direct PLUS Loan](#)

The Federal Direct PLUS are loans made to parents of a dependent student to help cover educational expenses of the dependent student. Eligibility is not based on financial need, but a credit check is required. Parent borrowers who have an adverse credit history must meet additional requirements to qualify.

- [Gaining Early Awareness and Readiness for Undergraduate Programs \(GEAR-UP\)](#)
The Michigan GEAR UP (MI GEAR UP) is a federally funded program designed to provide early intervention services and programs to students in middle school and high school. MI GEAR UP targets low-income students by providing them with support services to increase their opportunity to succeed in postsecondary education. The scholarship covers any remaining in-district tuition and mandatory fees that are not covered by the Federal Pell Grant or any state tuition-restricted scholarships. In addition to completing the FAFSA, students must complete and submit the [Reconnect Application](#). Students must begin classes within 12 months from the date the application was approved by the State of Michigan. Determining Eligibility

After completing the [Free Application for Federal Student Aid \(FAFSA\)](#), the student will receive a Student Aid Report. The Financial Aid Office will use the information from this report to determine the types and amounts of financial aid the student may qualify for by using the following formula:

$$\text{COST OF ATTENDANCE} - \text{STUDENT AID INDEX} = \text{FINANCIAL NEED}$$

Cost of Attendance

Cost of attendance (COA) is based on the average educational and living expenses for a student attending LCC. It does not represent an individual student's actual costs. The COA includes:

- Tuition and Fees
- Books and Supplies
- Housing and Food
- Transportation
- Personal and Miscellaneous
- Loan Fees
- Professional Licensure (if required for program)

Students may determine or estimate their COA using the following methods:

1. Current financial aid students, login to [Banner](#), select Financial Aid and Financial Aid Record to access the Award Overview tab
2. Prospective students, access the [Net Price Calculator](#) or view the below chart for fall and spring semester costs for a full-time student

Student Aid Index

The Student Aid Index (SAI) is an eligibility index number that the financial aid office uses to determine how much federal student aid a student would be eligible to receive. This number results from the information provided on the FAFSA® form. This number is not a dollar amount of aid eligibility or what a student's family is expected to provide. A negative SAI indicates the student has a higher financial need.

The SAI is not the amount of money the family will have to pay for college, nor is it the amount of federal student aid a student will receive. It is a number used by schools to calculate how much financial aid students are eligible to receive.

Professional Judgment

Professional Judgment refers to the discretion that federal regulations give to financial aid administrators to make adjustments, on a case-by-case basis, to certain elements of a student's FAFSA information or adjust a student's dependency status. These adjustments are intended to provide a more accurate assessment of the amount of federal aid a student is eligible to receive. There are two types of Professional Judgment:

Special Circumstances:

Refers to financial situations that justify an aid administrator adjusting the student's data elements in the Cost of Attendance and/or Expected Family Contribution calculation(s) such as:

- Loss of Income: Loss of employment; household size changes due to separation, divorce, birth or additional dependents, etc.; high medical expenses; Rollovers of IRA's; etc.
- Cost of Attendance: Study abroad expenses; cooperative education costs; dependent care; disability-related expenses; etc.

Unusual Circumstances

Refers to the conditions that justify an aid administrator making an adjustment to dependency status (more commonly referred to as a dependency override), based on a student's unique situation such as:

- Human trafficking; refugee or asylee status; parental abandonment; homelessness; incarceration; etc.

Students, with an approved dependency override in a prior academic year, will remain independent for each subsequent award year unless LCC has conflicting information about the student's independence status or the student's circumstances have changed. If the student's circumstances have changed, the Financial Aid Office must be notified.

Students will need to complete the [Professional Judgment Request](#) form and will be required to provide supporting documentation. If additional clarification is needed after reviewing the supporting documentation, the student will be notified via their LCC email to access their Banner Self Service account to determine the clarifying documentation that is needed. In some cases, an advising appointment and/or phone conversation may be needed.

Consortium

In some cases, students choose to attend two colleges simultaneously. In most cases, a student cannot receive Federal or State financial aid at both institutions simultaneously and consequently, financial aid would be processed by only one of the colleges where the student is enrolled.

In the case where a pre-articulated Consortium Agreement exists between two institutions, the student's combined enrollment will be used to determine aid eligibility. To learn more, please contact the Financial Aid Office at LCC for program specific information.

Courses in Program of Study

The U.S. Department of Education requires students to be enrolled in an eligible program of study to receive financial aid and only courses that apply toward that program of study will be used to determine the amount of financial aid the student will receive. The purpose of this federal requirement is to ensure students are able to obtain their degree or certificate in a timely manner with minimal debt for student loan borrowers and to ensure that federal funds are used only to obtain a degree or certificate. Therefore, if a student registers for a course that does not count toward the declared degree or certificate, the course will not be used to determine the student's financial aid eligibility. To learn more, please refer to the [Courses in Program of Study Q&A](#).

Enrollment Level

Financial aid is offered to students based on enrollment as a full-time student. If a student enrolls less than full-time, certain awards may be prorated. Enrollment level changes could impact the amount of financial aid a student will receive. Adding, dropping, withdrawing, or changing a course to audit status, after the semester begins, are types of enrollment level change that could impact the amount of aid a student receives. Before making an enrollment level change, students should contact their instructor, Success Coach, and the Financial Aid Office to understand all possible consequences of the change.

The chart below defines enrollment level based on the number of credits a student enrolls for:

Enrollment Level	Credits Required for Fall, Spring, and Summer Semesters
Full-Time	12 or more credits
Three-Quarter-Time	9 - 11.99 credits
Half-Time	6 - 8.99 credits
Less Than Half-Time	Less than 6 credits

- **Add** - adding a course to the student schedule.
- **Audited** courses are taken for no grade. Therefore, courses being audited cannot be considered part of a student's enrollment level for financial aid purposes.
- **Drop** - removing a course from the student schedule where instructor approval is not required. A drop also removes the course from the student's academic record. Generally, this means that the student will no longer be charged for all or part of the course. A course canceled by LCC is also considered a dropped course.
- **Non-credit courses** are courses that are not given credit or grade for the hours earned. Therefore, non-credit courses cannot be considered part of a student enrollment level for financial aid purposes.
- **Withdrawal** - removing a course from the student schedule by issuing a grade of W (withdrawal) for the course. The course will be part of the student's academic record.

Enrollment Intensity for Federal Pell Grant

Enrollment intensity is the percentage of full-time enrollment at which a student is enrolled, rounded to the nearest whole percent. For example, full-time enrollment is 12 credit hours and the student is enrolled in 7 hours, the enrollment intensity would be $7 \div 12 \times 100\% = 58\%$.

Enrolled Credit Hours	Formula	Enrollment Intensity
12	12 hours $\div$ 12 hours	100%
11	11 hours $\div$ 12 hours	92%
10	10 hours $\div$ 12 hours	83%
9	9 hours $\div$ 12 hours	75%

8	8 hours ÷ 12 hours	67%
7	7 hours ÷ 12 hours	58%
6	6 hours ÷ 12 hours	50%
5	5 hours ÷ 12 hours	42%
4	4 hours ÷ 12 hours	33%
3	3 hours ÷ 12 hours	25%
2	2 hours ÷ 12 hours	17%
1	1 hours ÷ 12 hours	8%

Falsification of Information

Falsification of information submitted by the student or parents for the purpose of receiving financial assistance may result in cancellation of assistance, require the student to pay back assistance received, and referral to the appropriate federal authorities. If students purposely give false or misleading information, they may be fined \$10,000, sent to prison, or both by the federal government.

The Financial Aid Office may be required to verify information provided on the FAFSA by requesting documentation of income or other types of financial assistance. In addition, if the Financial Aid Office has conflicting information or has reason to believe that student information may not be valid, further investigation will occur prior to financial aid being awarded and/or refunded.

Remedial / Developmental Courses

Remedial/Developmental Courses are defined as courses that are below college level but at least at the secondary (high school) education level. Once students attempt more than 30 remedial/developmental credits, the Financial Aid Office must begin limiting federal financial aid eligibility. Even if financial aid funds were not used for the prior coursework, the Financial Aid Office must limit federal financial aid eligibility. For example, if a student attempted 30 remedial/developmental credits and the following semester register for a total of 12 credits with

4 out of the 12 credits are considered remedial/developmental, the student's financial aid eligibility will be based on 8 credits (half-time).

Below are courses that LCC considers remedial/developmental:

Repeated Courses

Federal regulations limit the number of times a student may repeat a course while receiving financial aid for that course. This limit applies even if the student did not receive financial aid for earlier enrollments in the course. Note: Students must also adhere to the [College's Repeat Procedure](#).

- A student may receive financial aid to repeat a previously passed course (1.0 or higher) one additional time.
- A student may receive financial aid when repeating a previously failed course (0.0F, 0.0U, ZF, or ZU) for as long as it takes the student to pass (1.0 or higher) the course.
- **A student who is taking a course that requires the student to enroll in the course multiple times to meet degree requirements may receive financial aid for these courses.**

Return of Title IV Funds (R2T4)

LCC is a non-attendance taking institution with the exception of programs that have licensure/accreditation requirements for attendance. Federal regulations require schools to perform a Return of Title IV Funds (R2T4) calculation for Title IV grant and/or loan recipients if one of the events in the table below occurs within the student's payment period. Note: The R2T4 calculation is independent of the institution's Refund Policy.

Event	Determination of Withdrawal	Type of Withdrawal	What is Used as Withdrawal Date
Student completely withdraws/is withdrawn from all courses	Date student withdrew from final course	Official Withdrawal	Last Date of Participation in an Academic Engagement*
Student withdraws/is withdrawn or drops from a course and the student's remaining courses have not yet begun	Date student withdrew or dropped from last active course	Official Withdrawal	Last Date of Participation in an Academic Engagement*
Student does not earn credit in at least one course and all failed courses were graded as unfinished	Date grade(s) post showing student did not earn credit in at least one course and all failed courses were graded as unfinished. The instructor provides the last date of participation when the grade for the course is submitted.	Unofficial Withdrawal	Last Date of Participation in an Academic Engagement*
Student is withdrawn for non-participation from a course that is part of a program that has licensure/accreditation requirements for attendance	Date student is withdrawn from last active course	Official Withdrawal	Last Date of Participation in an Academic Engagement*

Within 30 days of the determination of withdrawal, the R2T4 calculation must be completed to determine the amount of earned and unearned aid based on the student's withdrawal date[^]. The institution and/or the student owes the unearned aid to the federal government. LCC will return the institution's and the student's unearned aid to the federal government within 45 days of the date of determination of withdrawal, LCC will bill the student for the unearned aid, and the student is responsible for repaying LCC. If the student was disbursed less than the revised award, the student may be due a post-withdrawal disbursement. LCC must notify the student in writing of eligibility for a post-withdrawal loan disbursement within thirty days of the determination of withdrawal. LCC must obtain the student's permission to disburse additional loan funds. The student may choose to decline some or all of the loan funds to avoid incurring additional debt. For grant funds, LCC will use post-withdrawal funds to pay any allowable institutional charges prior to refunding the remaining funds to the student.

Unearned aid will be returned within 45 days of the date of determination of withdrawal in the following order:

- Federal Direct Unsubsidized Loans
- Federal Direct Subsidized Loans
- Federal Direct PLUS Loans
- Federal Pell Grants
- Federal Iraq and Afghanistan Service Grant
- Federal SEOG

^Withdrawal Date

- Official Withdrawal
 - When a student withdraws from all courses or withdraws/drops from a course and the student's remaining courses have not yet begun.
 - When an instructor in a program with licensure/accreditation requirements for taking attendance withdraws/drops a student from a course. This action must occur within 14 days of the student's last date of participation in an Academic Engagement*. The official withdrawal date used in the R2T4 calculation is the student's last date of participation in an Academic Engagement*.
- Unofficial Withdrawal
 - When a student does not earn credit in at least one course and all failed courses were graded as unfinished. The instructor reports the last date of participation in an Academic Engagement* with the grade, which is the unofficial withdrawal date.
 - The unofficial withdrawal date used in the R2T4 calculation is the student's last date of participation in an Academic Engagement*.

Calculating Earned Title IV Aid

To determine the total aid earned, LCC must divide the number of days the student attended during the semester by the total number of days the student was scheduled to attend for courses that were used to determine the student's financial aid. This percentage is multiplied by the total Title IV financial aid the student is awarded for the semester (disbursed and to be disbursed).

For example:

- Student attended 64 days.
- Student's schedule is 118 days in length.
- Student was awarded (disbursed and to be disbursed) Title IV aid of \$5000 for the semester.
- The percentage of total aid earned = 54.2% (64 days attended / 118 days)
- The earned Title IV financial aid = \$2710 (54.2% of total aid earned x \$5000 awarded)

*Definition of Academic Engagement

Academic engagement is defined as active participation by a student in an instructional activity related to the student's course of study that includes, but is not limited to:

- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:

- Logging into an online class or tutorial without any further participation; or
- Participating in academic counseling or advisement.

Student Academic Progress (SAP)

Federal regulations require the Financial Aid Office at LCC to monitor the progress (both qualitatively and quantitatively) of all students toward the completion of a degree through Satisfactory Academic Progress (SAP). SAP is separate from [LCC's Academic Standing](#). In order to receive federal funds, a student must meet SAP. If required, SAP also applies to state, institutional, and private funding.

To determine eligibility each semester, the Financial Aid Office will monitor and evaluate students' academic progress, regardless of whether aid was received. SAP is evaluated at the end of fall, spring, and summer semesters for all students who had academic history updates during the semester being evaluated. The evaluation will include all attempted credits, including earned credits (4.0-1.0 and Pass), failed credits (0.0F, 0.0U, ZF, and ZU), transfer credits, withdrawals, incompletes, audits, remedial, and repeated courses. Remedial coursework will be included in the determination of the GPA, completion ratio, and maximum timeframe. Repeated coursework will only include the highest grade earned in the GPA, but all attempts will be counted in the completion ratio with only one successful attempt counted as earned. All attempts will be used in the determination of maximum timeframe. Incomplete coursework will have no effect on the GPA; however, incompletes are counted as unearned in the determination of the completion ratio and maximum timeframe. Students who change majors or are pursuing a second degree will have SAP evaluated on all attempted credits, not just those applicable to their new major or second degree. Students will be notified of their SAP status via email and Banner Self Service after each evaluation period.

Note: SAP may be re-evaluated for students who have a Reinstated SAP status at any point of the semester if one of the following has occurred:

- Grade Change, except for Incompletes
- Change of Program occurs

SAP Standards

Student must meet all the following SAP standards to remain eligible for financial aid:

- Maintain a minimum cumulative GPA of a 2.0 in all credits attempted at LCC.
- Maintain a minimum cumulative completion ratio of 70% of all credits attempted.
- The total number of credits a student attempts cannot exceed 150% of the maximum credits required for the student's program of study.

Note: The table below represents a student pursuing a general associate degree requiring 63 credits. In order for the student to successfully complete their program within 150% of the credit hours required and maintain a cumulative completion ratio of 70%, the student must earn the following minimum credits.

Semester	Credits Earned	Credits Attempted	Completion Ratio	Maximum Timeframe
1	11	15	73%	25%
2	21	30	70%	50%
3	32	45	71%	75%
4	42	60	70%	100%
5	53	75	70%	125%
6	63	90	70%	150%

SAP Statuses

Good:

- Students who meet SAP are in Good status.

Warning:

- New Students: Students who have completed at least one course with a minimum 1.0 grade and do not meet SAP after the first semester of attendance.
- Continuing Students: Students in Good status who fail to meet SAP but completed at least one course with a minimum of 1.0 grade in the most recent semester of attendance and have not attempted more than 150% of the credit hours required for the program..

To receive financial aid, students in Financial Aid Warning status must electronically submit a Warning Contract. Warning status will only be effective for one semester. If the student does not meet SAP by the end of the warning semester, the student will be Suspended and ineligible for financial aid.

Suspended:

- Students in Good status who fail to meet SAP and did not earn a minimum 1.0 grade in the most recent semester of attendance or have attempted more than 150% of the credit hours required for the program.
- Students who do not meet SAP by the end of the warning period.
- Students who did not meet the terms of an approved appeal.

Students in Financial Aid Suspended status are denied financial aid until SAP is met or the Financial Aid Office approves an appeal.

Reinstated:

- Students who calculate to Suspended but have an approved appeal and taking courses that count towards their program of study.

Students in Financial Aid Reinstated status are approved for financial aid as long as the student completes each semester with a minimum semester GPA of 2.0, completes 100% of all credits attempted and is taking courses that count toward the program of study on record.

To view LCC's Academic Standing process, [click here](#).

Regaining Eligibility

- Students may regain financial aid eligibility by taking courses at their own expense or by using other funding sources until they meet the minimum GPA and Completion Ratio requirements; however, students who exceed 150% of the credit hours required for the program may only regain eligibility through an SAP Appeal.
- Students who are suspended and have extenuating circumstances may submit a SAP Appeal. Submission of an appeal does not guarantee reinstatement of financial aid eligibility. Examples of extenuating circumstances are:
 - Death of an immediate family member
 - Documented hospitalization or illness
 - Major accident or illness of student or family member
 - Being victim of a crime or unexpected disaster
 - Change of major
 - Pursuit of second degree
- The SAP Appeal is available online at the [Financial Aid Forms & Other Requirements Forms](#) webpage. Students may submit an appeal throughout the semester using their secure sign-in. Students will be notified of the appeal decision within three weeks of submission. Students may request a paper version of this form by contacting the Financial Aid Office
- Students with a denied appeal may continue to attend but must pay all tuition and fees.

Leave of Absence-Michigan Reconnect/Continued Eligibility Appeal

Participants of the Michigan Reconnect, Reconnect Expansion, and Futures for Frontliners programs must meet the program's annual renewal requirements, including continuous enrollment and earning at least 12 credits that apply toward their program of study during each academic year.

A student who was unable to meet the continuous-enrollment or annual credit requirement because of extenuating circumstances may request continued eligibility through the Leave of Absence/Continued Eligibility Appeal. To be considered, the student must have participated in the Michigan Reconnect, Reconnect Expansion, or Futures for Frontliners program for at least one semester, have a FAFSA on file for the applicable aid year, and submit an explanation of the circumstances and requested documentation.

Students who participated in all three semesters of the academic year but did not earn 12 eligible credits are not eligible to submit this appeal.

Student Bereavement Resources

Lansing Community College (LCC) recognizes that students may experience the loss of a loved one while taking classes. If you have lost someone while actively enrolled in courses, you should consider the following:

- Reach out to your instructor(s) using their preferred method of contact to notify them if you need to miss class or coursework for bereavement purposes, such as attending a funeral, wake, memorial service, bereavement counseling, or other bereavement related event(s). Contact information for your instructor(s) can be found on your course syllabus.

- If requested by your instructor(s), please be prepared to provide documentation of your loss (e.g., an obituary or funeral program).

Academic Amnesty

LCC has an Academic Amnesty process associated with the Board Policy 3.010 to authorize the elimination of a grade or grades of 0.0, 0.0F, or 0.0U in calculating a student's grade point average (GPA). Academic Amnesty recognizes that factors or reasons may result in a student not achieving satisfactory academic performance and that such performance may be a barrier to the student's eligibility to enter some occupational fields or achieve academic progress. This process applies to qualified students who receive one or more 0.0, 0.0F, or 0.0U grades, resulting in a low GPA possibly blocking their entrance into programs or fields of study. For additional information, please see [Academic Amnesty process](#).

Academic Standing

Only coursework completed at LCC is considered for determination of Academic Standing. The Academic Standing is determined at the end of each semester (Fall, Spring, Summer).

At LCC, students must maintain at least a 2.00 cumulative Grade Point Average (GPA) to remain in good academic standing.

- Students in Good Standing may enroll in up to 28 credits per semester.

Students with a cumulative GPA of a 3.5 or higher will be recognized by the College via the Dean's List and the President's List.

- Dean's List: GPA of 3.50 to 3.80 and completion of at least 6 credits for the calculated term.
 - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
 - Calculations are based on LCC courses only (no transfer credits).
- President's List: GPA of 3.81 or above and completion of at least 6 credits for the calculated term.
 - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
 - Calculations are based on LCC courses only (no transfer credits).

Students whose cumulative GPA falls below 2.0 will be placed on Probation 1, Probation 2, or Probation 3 standing, which indicate unsatisfactory academic progress. While on a Probationary standing, the student may have limits on registration for courses. In addition, students on a Probationary standing may be required to meet with an Academic Success Coach and sign a Success Contract prior to registering. Students can return to Good Standing by earning a cumulative GPA of 2.0 or higher.

- Probation 1: Generally, the first semester with a Cumulative GPA below 2.0
 - Registration is limited to enrolling in no more than 12 credits per semester.
 - If the student has already registered for more than 12 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the students over the credit limit.
 - Students are encouraged to meet with an Academic Advisor and Academic Success Coach.
- Probation 2: Generally, the second continuous semester with a Cumulative GPA below 2.0
 - Registration is limited to enrolling in no more than 8 credits per semester.
 - If the student has already registered for more than 8 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the student over the credit limit.
 - Students are encouraged to meet with an Academic Success Coach, complete an Academic Success Self-Assessment, and share the Academic Success Self-Assessment with the Success Coach.
- Probation 3: Generally, the third continuous semester with a Cumulative GPA below a 2.0
 - Registration is limited to enrolling no more than 4 credits per semester.
 - If the student has already registered for more than 4 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the student over the credit limit.

- Students are required to meet with an Academic Success Coach, complete an Academic Success Self-Assessment and share the Academic Success Self-Assessment with their Success Coach.
- Students also are encouraged to meet with an Academic Advisor.

This information is associated with the LCC Board Policy 3.040 (Academic Standing and the [Standard Operating Procedure RO.021 - Academic Standing](#)).

Administrative Appeals

To provide students who experience an emergency situation, unexpected event, or administrative error an avenue to submit an administrative appeal to request an amendment to their academic record that is appropriate to the student's circumstantial need(s). For more information, view the [LCC Student Appeals and Complaints](#) webpage.

Canceling Course Sections

In the event a class is canceled as a result of College administrative action, students enrolled in that class will receive 100% tuition and fee refund.

To view the Cancelling Course Sections Board Policy 3.080, please visit the [Board of Trustees Board Policies](#) webpage.

Computing Grade Point Average

A student's grade point average (GPA) is determined on the following basis:

Numerical Grade	GPA Points
4.0	4.0
3.5	3.5
3.0	3.0
2.5	2.5
2.0	2.0
1.5	1.5
1.0	1.0
0.0F	0.0
0.0U	0.0

"00A," "0.0FA," "0.0UA," "FA," "I," "NR," "NS," "P," "TR," "TRL," "TRP," "W," "X," "ZF," and "ZU" grades are not included in calculating grade point averages.

For example, a student who receives five credit hours of 4.0, five credit hours of 3.0 and five credit hours of 2.0 would have a total of 45 GPA points. To compute the grade point average (GPA), the number of GPA points is divided by GPA hours (credits) taken during the semester. The student in this example would have a 3.0 GPA (45 GPA points/15 credits).

Course Withdrawal Procedure

Students may elect to voluntarily withdraw from courses for a variety of reasons. To view the course withdrawal procedure, [click here](#).

Enrollment Verification and Student Attendance

LCC is not an attendance-taking institution with the exception of Eaton Regional Educational Service Agency (ERESA), Clinton County Regional Education Service Agency (CCRESA), and programs that have licensure and/or accreditation requirements for attendance.

During the first 2 weeks of each part of term, or by the 8th day of variable terms less than 8 weeks, faculty are required to determine if the student has actively engaged in an instructional activity related to the student's course. Faculty must notify the Registrar's Office of any student who has not actively engaged in an instructional activity as noted above.

Academic engagement is defined as active participation by a student in an instructional activity related to the student's course that includes, but is not limited to:

- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:

- Logging into an online class or tutorial without any further engagement; or
- Participating in academic counseling or advising.

For licensure/accreditation requirements:

- For programs which require attendance due to 3rd-party accreditation, faculty responsible for those courses will take attendance in accordance with the accreditor's requirements.

If a student is dropped from a course through Enrollment Verification, they will receive a 100% refund of tuition and refundable fees. However, the Financial Aid Office will recalculate the student's financial aid eligibility and adjust awards as necessary for any change in enrollment status for the semester. For more information, students should contact the [Financial Aid Office](#); Students who receive veteran benefits should contact the [Center for Veteran and Family Support](#).

After the first 2 weeks of the part of term, or by the 8th day of variable terms less than 8 weeks, if the faculty identifies a student as having not engaged in the course, the faculty must complete Enrollment Verification in the student information system (Banner) indicating that the student never engaged in an instructional activity.

Initial attendance and participation records are retained in the instructor's grade book and/or in the D2L system and Banner system according to the [Academic Records Policy \(Board Policy 3.030\)](#). Additional information can be obtained by viewing the Standard Operating Procedure, [Enrollment Verification and Student Attendance, RO.026](#).

Examinations

Students are required to take examinations at scheduled appointed time and place at the discretion of instructors. Generally, examinations are given during the regularly scheduled class period with a final exam during the last week of the semester. Please see course syllabi for details.

Extra Credit

Extra credit is defined as any opportunity for a student to raise a course grade that is not included in the percentages stated in the Methods of Evaluating Student Achievement/Progress in the section syllabus. Each department will determine for each of their courses and state in the course's syllabus whether or not extra credit may be offered.

In courses where extra credit may be offered:

- Individual instructors will determine whether or not there will be extra credit opportunities in their sections.
- Instructors' extra credit guidelines will be stated in their section syllabi.

In sections where there are extra credit opportunities:

- They must involve student work that is directly related to the Student Learning Outcomes of the course.
- They may be used to raise a student's final grade a maximum of 0.5 on LCC's 4.0 scale.
- All students in a section must have the possibility of earning extra credit; however, instructors may set eligibility criteria such as completion of all homework assignments or tests. These eligibility criteria may not be connected to a student's cumulative course grade and must be provided to students far enough in advance for all students to have the opportunity to satisfy the criteria.
- Detailed information, including any eligibility criteria, must be distributed in advance of each opportunity.

Final Grades

Final grades are available on the web to students within 5 business days after the close of each semester.

Final Grade Appeals

A Final Grade Appeal should only be submitted when the student believes that the final course grade is incorrect.

Mistakes in calculations, computer errors, or assignment misunderstandings are resolved informally by contacting your instructor. To review the final grade appeal process, [click here](#).

General Education Requirements

LCC is committed to helping its graduates gain 4 valuable [Essential Learning Outcomes](#): knowledge of human cultures and the physical and natural world, intellectual and practical skills, personal and social responsibility, and integrated and applied learning. With these strengths, our graduates will be better equipped and empowered to complete their goals while becoming engaged global citizens.

All associate degrees therefore incorporate LCC General Education requirements fostering the capabilities and the flexibility that employers look for, and that citizens of the 21st century need. Depending on their chosen degrees, students will successfully complete the options in the appropriate Transfer Degrees (MTA) tab or Applied Degrees tab of LCC [General Education](#).

Appropriate transfer credit from other colleges and universities, along with credit from the list below, is applicable toward LCC General Education requirements for all degrees, including

degrees that otherwise would require completion of the full Michigan Transfer Agreement (MTA).

- Advanced Placement (AP)
- College-Level Examination Program (CLEP)
- DANTES Subject Standardized Test (DSST)
- International Baccalaureate (IB)
- Credit by Examination
- Credit for Experiential Learning

However, due to statewide rules, areas of prior learning such as CLEP, DSST, IB, Credit by Examination, and Credit for Experiential Learning are not applicable to the MTA endorsement at this time.

General Rules and Guidelines

LCC is an institution of educational excellence. Members of the LCC community strive to create an environment that contributes to academic success and personal growth. All members of LCC's community are responsible for creating and respecting conditions both in the classroom and on campus that encourage teaching and learning in a positive atmosphere.

General Student Complaints

To find assistance in resolving matters that are non-academic in nature, view the [LCC Student Appeals and Complaints webpage](#).

Grade Changes

Students may petition an instructor for a grade change of a final grade in a course. A student's final grade in a course may be changed by the course instructor. Grade changes by instructors are initiated by submitting a signed Grade Change Form to the departmental office for review and approval by the departmental chair or lead faculty member. The completed Grade Change Form is then forwarded by the appropriate academic area to the Registrar's Office for updating the student's academic record.

If a grade change request is denied, the student may review the [final grade appeal process](#).

Grading System

The following numerical system is used at Lansing Community College (LCC) to evaluate academic work:

College Standard Numeric Grade	Narrative Equivalent	Recommended Guideline for Performance Achievement of Objectives*
4.0	Excellent	91% to 100%
3.5	86% to 90%	
3.0	Good	81% to 85%
2.5	76% to 80%	
2.0	Satisfactory	71% to 75%
1.5	66% to 70%	
1.0	Poor	60% to 65%
0.0F	Failed - Finished	0% to 59%
0.0U	Failed - Unfinished	0% to 59%

**This is the standard LCC grading scale. Specialized programs may use a different scale. Students should see their syllabus regarding the program grading system used for a specific course.*

Instead of a numerical grade, students may receive an alphabetical letter for their course work if they did not complete course work (I), audited a course (X), withdrew from a course (W), or never attended a course (NS). Specific procedures regarding these alphabetical letters are as follows:

1. An "I" (incomplete) will not be counted toward the establishment of an earned grade point average (GPA) or toward graduation from LCC. An instructor will approve a student-initiated request for an incomplete if no more than 25% of the course's graded assignments, or as close as is practicable, left to complete, and can complete the remaining assignments without further faculty instruction, unless the student is enrolled

in a specialized accreditation program that prevents the Incomplete from being granted. After the instructor issues an "I" grade, a written "I" grade form will be provided to the student and the instructor's supervisor. The form will indicate what work needs to be submitted, the grade that will be assigned if no further work is completed, and the deadline for completion of the work. All incompletes must be made up by the end of the next regular semester (summer semester is excluded) or earlier if an earlier date is established by the instructor or department. An extension may be granted if requested in writing by the student and approved in writing by the instructor and department by the last day of the deadline; otherwise, the "I" grade will be converted to the grade specified if no further work is completed.

Note: A student may not register for the same course until the "I" grade is resolved.

2. An "X" (audit) grade is given when a student chooses to audit a course. No credit is granted, but enrollment is reflected on the student's academic record.
3. A "W" (withdrawal) indicates a withdrawal from a course. If a request for withdrawal from a semester-length class is received by the Registrar's Office prior to the end of the 2nd week of the semester (or other equivalent dates as specified for variable length courses), no grade will be recorded on the student's academic record. For specific dates, see the [Academic Calendar webpage](#). For withdrawals after:
 1. The 2nd week and before the end of the 8th week of the semester (or other equivalent dates as specified for variable length courses), the student will receive a "W" for the course.
 2. The 8th week of the semester (or other equivalent dates as specified for variable length courses), a "W" is given only if the student has done passing work (1.0 or higher). If the student has not done passing work, the student will receive a 0.0.

A student may request to withdraw from a class with instructor's approval until the end of the 14th week of the semester (or other equivalent dates as specified for variable length courses).

4. An "NS" (no show) indicates a student did not participate in the course at all, with the course being removed from the student's transcript. The "NS" will not appear on the student's transcript but could be used for advising and/or financial aid purposes.
5. An "0.0F" (failed-finished) indicates a student attempted the last graded assignment of a course but did not earn an overall course grade above a 0.0 or Z, will be given a "finished" 0.0 or Z.
6. An "0.0U" (failed-unfinished) indicates a student did not attempt the last graded assignment of a course, and thereby receives a 0.0 or Z course grade, will be given an "unfinished" 0.0 or Z.

Granting an Associate Degree when the Student has an Earned Bachelor's Degree or Higher

A student who has earned a bachelor's degree or higher from an accredited college or university may be awarded an associate degree at Lansing Community College (LCC) subject to the following requirements:

1. All requirements for the associate degree must be met.
2. The LCC cumulative grade point average must be a 2.0 or above.
3. A minimum of 15 semester credits toward the program of study must be completed directly from LCC (except for approved consortial programs taught primarily by partner schools).
4. The College's General Education requirements are satisfied by virtue of the student earning the bachelor's degree or higher.
5. The following CANNOT be used for degree requirements:
 1. courses numbered below 100
 2. courses in Mathematics or Statistics that are not listed on the Transfer Degrees (MTA) tab or Applied Degrees tab of [LCC General Education](#)
 3. courses in English or Writing numbered below 118
 4. courses in English as a Second Language
 5. courses in Reading
 6. courses in non-technical Vocabulary
 7. courses in Academic Experience numbered other than 100 or 101
 8. courses in Student Development numbered other than 101
6. Exceptions to the above should be appealed to the Academic Affairs Office.

Note: Students can not be granted certificates from program pathways that are expired, or from catalog years that predate their first semester of enrollment as shown on their LCC web transcript.

Granting Exceptions to the Institutional General Education Requirements for Associate Degrees

General Education exceptions may be granted when courses outside the approved list satisfy the specific General Education requirement(s). Examples include appropriate Lansing Community College (LCC) term/quarter courses or transfer credits without an exact LCC course equivalent.

A student who wishes to formally appeal a determination that the General Education requirement for an Associate degree has not been met should appeal to Academic Affairs. Academic Affairs will apply the following parameters in making a determination on whether an exception to current policy is warranted:

1. A College error does not automatically warrant a waiver of a published graduation requirement.
2. The College does not waive a General Education requirement, though a substitution might be appropriate.

The Academic Affairs Office will inform the student and the Registrar's Office in writing of either the approval or denial of the exception.

The final decision for granting exceptions to the institutional General Education requirements rests with the Academic Affairs Office.

Guest Speakers

In situations involving guest speakers, the College requires orderly conduct, non-interference with College functions or activities, and identification of the sponsoring groups or individuals.

How Students Can Satisfy LCC General Education Requirements

For more information, see the Transfer Degrees (MTA) section or Applied Degrees section of Lansing Community College (LCC) [General Education](#).

All students must fulfill LCC General Education requirements in order to be awarded an associate degree. The ways in which students can satisfy these requirements are presented below. Because these requirements may be revised each academic year, students should consult an Academic Advisor to stay informed of current options for satisfying General Education requirements. Students should also be aware that not all courses that satisfy General Education - Applied Degrees requirements transfer to all colleges. Students planning to transfer should see an Academic Advisor before enrolling in any course.

For degrees requiring General Education - Applied Degrees, students can satisfy the requirements in any of the following ways:

1. Achieve grades of 2.0 or higher in approved General Education - Applied Degrees courses. ([See the General Education webpage for the full list of options.](#))
2. Achieve a grade of 2.0 or higher on a comprehensive examination, where appropriate and available, for an approved course in a General Education area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the \$150 processing fee, and may receive transfer credit on their LCC transcript. See [Credit by Examination](#) procedure.)
3. Present evidence of completed Michigan Transfer Agreement from an accredited Michigan college or university.
4. Present evidence of an earned associate degree or higher degree from an accredited college or university.
5. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless use of the general credit is approved by the Provost or designee.
6. Establish appropriate course credit through the Advanced Placement Examination (AP), Cambridge International, College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), and/or others as recognized by LCC.
7. Establish credit for an approved course through the Experiential Learning Process. (See [Credit for Experiential Learning](#).)

For degrees requiring the Michigan Transfer Agreement (MTA), students can satisfy the requirements in any of the following ways:

1. Achieve grades of 2.0 or higher in approved MTA courses. ([See the General Education webpage, specifically the MTA accordion, for a full list of courses.](#))
2. Achieve a grade of 2.0 or higher on a comprehensive examination, where appropriate and available, for an approved course in an MTA area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the \$150 processing fee, and may receive transfer credit on their LCC transcript. (See [Credit by Examination](#) procedure.)
3. Present evidence of completed Michigan Transfer Agreement from an accredited Michigan college or university.
4. Present evidence of an earned bachelor's degree or higher degree from an accredited college or university.
5. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless approved by the Provost or designee.
6. Establish appropriate course credit through the Advanced Placement Examination (AP), Cambridge International, College Level Examination Program (CLEP), DANTES

Subject Standardized Tests (DSST), International Baccalaureate (IB), credit by examination, or credit for experiential learning. Non-AP areas of prior learning - for example, Cambridge International, College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), credit by examination, and credit for experiential learning - may satisfy LCC General Education requirements but are not applicable to the MTA at this time.

The following do NOT satisfy General Education requirements:

- LCC placement test scores,
- A waiver of any course that is also a General Education course,
- Completion of higher-level courses that are not approved General Education courses.

How to Apply for an Associate Degree or Certificate

Prior to submitting an application for an Associate Degree, Certificate of Achievement, or Certificate of Completion, students should consult with an [advisor](#) to review progress toward completing requirements. Any substitutions or waivers for program requirements must be approved on an authorized form signed by the department offering the program. Substitutions and waivers are not allowed for institutional degree and certificate requirements. (See [Graduation Requirements for Associate Degrees](#) procedure and [Graduation Requirements for Certificates](#) procedure under the [Graduation Requirements, Certificates & Degrees](#) header.) Students apply by the deadline the semester they complete the program requirements. Information and the applications are located online at the [Graduation](#) webpage.

Procedures are as follows:

1. Complete and submit an Application for Associate Degree, Certificate of Achievement, or Certificate of Completion to the Registrar's Office. These applications are available on the [Graduation](#) webpage. If substitutions and/or waivers have been approved and are not indicated in Degree Works, a Course Substitution and Waiver Authorization form must be attached to the application when submitted or the application will be denied.

Note: Students may not be granted associate degrees or certificates whose program pathways are expired or whose catalog year predates their first semester of enrollment as shown on their LCC web transcript. The requirements must be met by the semester the program pathway expires.

2. Once the audit for the associate degree or certificate has been completed, the Registrar's Office will send a notification via LCC email indicating whether the associate degree or certificate has been approved or denied.
3. Once awarded, the LCC transcript will show the degree or certificate earned.
4. Diplomas are mailed to students during the semester after degrees and certificates have been awarded.

Incoming Transfer Student Information

Evaluation and Acceptance of Transfer Credits from Other Institutions

LCC welcomes students who have already successfully completed college-level course work. Accordingly, the college will allow for the transfer and acceptance of credit from other accredited institutions of higher education.

Incoming Transfer Credits

The information below describes alternative, or accelerated degree completion options to obtain credit toward a degree or certificate, including transfer credit, credit for licensure/certification, credit for prior learning, and credits earned during military service. For general rules, view the [Transfer Credit - Evaluation and Acceptance, RO.004](#), Standard Operating Procedure, which is associated with the [LCC Board Policy 3.100](#).

Credit for Licensure, Certification, and Other Credentials

LCC recognizes that current licensure, certification, or other credentials represents earned credentials for which credit may be granted. Therefore, the college assesses national and state licensures and certifications as part of its credentialing function. Any student who has applied to LCC may apply for licensure or certification credit evaluation. Please visit the [Licensure, Certification, and Other Credentials](#) webpage for the list of accepted equivalencies.

Credits Earned in the U.S. Armed Forces

LCC will evaluate the student's military training and coursework for possible award of transfer credit after the student has been admitted to the College and the official Joint Services Transcript has been received. For general rules, view the [Transfer Credit Earned in the U.S. Armed Forces](#) Standard Operating Procedure.

Credit Earned at Foreign Educational Institution

Current students requesting credit for credits earned at foreign institutions will need to submit their international transcripts to a [National Association of Credential Evaluation Services \(NACES\) member](#) for evaluation before having it sent to LCC.

Credit Earned by Examination

To allow students who may have previous knowledge or experience to prove competency when appropriate and gain credit by comprehensive or other applicable exams. For general rules, view the [Credit by Examination](#) Standard Operating Procedure.

Credit for Experiential Learning

LCC is in agreement that learning outside the classroom is valid. Therefore, it is the College's function to assess extra-institutional learning and experience as part of its credentialing responsibility.

Current students requesting credit for previously acquired knowledge and learning experience will need to complete an Experiential Learning Application. For more information, go to the [Credit for Prior Learning](#) webpage.

Credits Earned from National Normed Exams

LCC recognizes students may have previous knowledge or experience as measured by Nationally Normed Exams. Students may receive credit for LCC coursework completed if minimum score requirements are met. Credits can be granted from the following National Normed Exams: Advanced Placement Examination (AP), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), and International Baccalaureate Program (IB). For general rules, please view the [Transfer Credit Earned from Nationally Normed Exams](#) Standard Operating Procedure.

General Credits

Due to curricular, financial aid, and Veteran's implications, LCC will not automatically award General Credits (non-equivalent 000) during the initial evaluation of incoming transcripts. All General Credit 000 equivalencies will be removed from the College webpage.

Requests for awarding general credits are allowable only for the following purposes:

- General Associate degree elective(s) which can be requested by a general academic advisor, a program advisor, or Academic Affairs Project Manager (AAPM).
- Specific program requirement(s) which can only be requested by a program advisor or AAPM.
- General education requirement(s) which can only be requested by AAPM.

In addition, please note the following provisos:

- With the exception of Prior Learning Assessments (PLA), general credits must be from a regionally accredited institution and must be college-level (nondevelopmental).
- Only general credits can used for program substitutions for a maximum of 12 credits unless approved by Academic Affairs or if the credits are being applied to programs that allow more than 12 general credits, such as General Associate GA, Agricultural Technology AAS, Veterinary Technology AAS, Nursing - RN Option AAS, etc.

The requirement(s) the general credits are intended to satisfy.

- For programs other than the General Associate degree, a substitution form also will be needed per Standard Operating Procedure "[Course Substitutions and Waivers - Program-Level, RO.007](#)".

Outgoing Transfer Students

Students planning to transfer to another institution should be aware that universities and colleges differ widely in the courses they accept for transfer. A student intending to transfer should follow the transfer guide of the institution to which they intend to enroll. Transfer guides are not LCC degree guides. In order to achieve maximum transferability of courses, students should consult with an academic advisor. Visit the [Transfer Center](#) webpage for more information about transfer programs.

Program Health Requirements

Some selective admission programs may require students to undergo medical testing and vaccinations. Students with medical conditions or disabilities are encouraged to contact the Center of Student Access (CSA) to determine whether they qualify for accommodations or exemptions. Discussions with CSA about medical conditions of students are confidential.

Student Appeals and Complaints

If you have any feedback, complaints, appeals, or grievances, you can rest assured that there is a place on campus where you will be heard. Your starting point depends on the nature of your concern, as described below. If you are still unsure about where to go, contact the [LCC Ombuds](#) and we will guide you in the appropriate direction. Introduction

Lansing Community College (LCC) recognizes the value and importance of a safe and orderly learning environment that encourages honesty, integrity, and ethical conduct conducive to academic success, personal growth, and responsible social behavior. The Student Code of Conduct and Student General Rules and Guidelines ensure the protection of student rights and the health and safety of the College community, as well as to aid in efficiently operating College programs. It is the responsibility of each student to know and abide by the Student Code of Conduct and Student General Rules and Guidelines.

The College has established procedures for reporting and addressing alleged violations of the Student Code of Conduct and [Student General Rules and Guidelines](#) in accordance with the College's [Ethics and Standards of Conduct for Students Policy](#). These procedures are designed to provide a fair, consistent, and reliable process for all parties.

The Student Code of Conduct and Student General Rules and Guidelines apply from the time of admission to the College and continue as long as the student remains enrolled at the College. They are also applicable to a student's conduct even if the student withdraws from school while a disciplinary matter is pending.

If an individual has violated the Student Code of Conduct or Student General Rules and Guidelines on College property (including buildings, grounds, structures, and real estate, and

vehicles that are owned, rented, leased, or otherwise utilized by or under the control of LCC) while not enrolled as a student at the College, but then later seeks to enroll, they must first contact the Office of Student Compliance. The same Due Process procedures listed in Section 5 will be followed.

Section 1: Student Code Authority

The implementation of this procedure is the responsibility of the Dean of Student Affairs or designee.

- 1.1 The Director of Student Compliance develops procedures for the administration of the Student Code of Conduct and procedural rules for hearings that are in compliance with College policies and consistent with provisions of the Student Code of Conduct and Student General Rules and Guidelines.
- 1.2 Alleged violations are reported to the Office of Student Compliance. Due Process procedures listed in Section 5 are followed upon receipt of a report.
- 1.3 In cases of non-compliance with the Student Code of Conduct or Student General Rules and Guidelines, the College will issue appropriate sanctions (See Section 6) up to and including expulsion.
- 1.4 Decisions made by a Hearing Panel and/or the Director of Student Compliance (or designee) will be final, pending the appeal process listed in Section 7.
- 1.5 The College reserves the right to refer the alleged violation to authorities for criminal prosecution or to pursue civil action if warranted.

Section 2: Jurisdiction

- 2.1 The Student Code of Conduct and Student General Rules and Guidelines applies to conduct that occurs on College property (including buildings, grounds, structures, and real estate, and vehicles that are owned, rented, leased, or otherwise utilized by or under the control of LCC), at College sponsored activities or events, while pursuing an academic program, and to off-campus conduct that adversely affects the College.
- 2.2 The Student Code of Conduct and Student General Rules and Guidelines applies at all locations under the jurisdiction of the College, and also applies to all current students of

LCC regardless of their enrollment status or actual geographical location of a student (i.e., face-to face; hybrid, HyFlex, on-line, etc.).

- 2.3 Students are responsible for their conduct from the time of admission to the College.
- 2.4 The Student Code of Conduct and Student General Rules and Guidelines applies to a student's conduct even if the student withdraws from school while a disciplinary matter is pending.
- 2.5 If an individual has violated the Student Code of Conduct or Student General Rules and Guidelines within the jurisdiction outlined in this section while not enrolled as a student, but later seeks to enroll, they must first contact the Office of Student Compliance. The same Due Process procedures listed in Section 5 will be followed.
- 2.6 The Dean of Student Affairs (or designee) will decide whether the Student Code of Conduct or Student General Rules and Guidelines applies to conduct occurring off campus.

Section 3: Definitions

- 3.1 **Academic Negligence** means unknowingly or unintentionally claiming credit for the work or effort of another person, or unknowingly or unintentionally gaining (or causing another to gain) an unfair academic advantage.
- 3.2 **Alcohol** is defined as any beverage in liquid form which contains not less than one-half of one percent of alcohol by volume.
- 3.3 **Appellate Officer** is the Provost (or designee).
- 3.4 **Cheating** includes, but is not limited to attempted or actual: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) use of sources or resources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) the acquisition, without permission, of tests or other academic material belonging to the College, a member of the College faculty, staff, or another student; (4) engaging in any behavior specifically prohibited by a faculty member in the course syllabus, program handbook, or class discussion for the

purposes of academic credit; (5) allowing or participating in cheating by other students; or (6) other acts of dishonesty within the College but outside of the classroom.

- 3.5 **College** means Lansing Community College.
- 3.6 **College Official** includes any person employed by the College, performing assigned administrative or professional responsibilities.
- 3.7 **College property** includes buildings, grounds, structures and real estate, and vehicles that are owned, rented, leased or otherwise utilized by or under the control of LCC (including adjacent streets and sidewalks).
- 3.8 **Complainant** means any person who submits a report alleging that a student violated the Student Code or General Rules or a student who believes they are a victim of another student's misconduct.
- 3.9 **Conduct Officer** is the Director of Student Compliance (or designee).
- 3.10 **Consent** is present when clearly understandable words or actions manifest a knowing, active, voluntary, and present and ongoing agreement to engage in specific sexual or intimate conduct. Consent must be all of the following:

Knowing: Consent must demonstrate that the individuals involved understand, are aware of, and agree to everything about the "who" (partners), "what" (acts), "where" (location), "when" (time), and "how" (conditions) of the sexual activity.

Active: Consent must take the form of "clearly understandable words or actions" that reveal one's expectations and agreement to engage in specific sexual activity. This means that silence, passivity, submission, or the lack of verbal or physical resistance (including the lack of a "no") should not, in and of themselves, be understood as consent. Consent cannot be inferred by an individual's manner of dress, the giving or acceptance of gifts, the extension or acceptance of an invitation to go to a private room or location, or going on a date.

Voluntary: Consent must be freely given and cannot be the result of external pressures such as force (violence, physical restraint, or the presence of a weapon), threats (indications of intent to harm, whether direct or indirect), intimidation (extortion, menacing behavior, bullying), coercion (undue pressure, hazing) or fraud (misrepresentation or material omission about oneself or the present situation in order to gain permission for sexual or intimate activity).

Present and ongoing: Consent must exist at the time of the sexual activity. Consent to previous sexual activity does not imply consent to later sexual acts; similarly, consent to one type of sexual activity does not imply consent to other sexual acts. Consent may also be withdrawn at any time, provided the person withdrawing consent makes that known in clearly understandable words or actions.

See [College Policy](#) for an expanded definition of Consent.

- 3.11 **Dating or Domestic violence** includes all violent criminal offenses (e.g., physical violence, interfering with personal liberty, etc.) as well as intimidation, harassment, physical abuse, or sexual abuse when it is caused by someone in an intimate relationship with another person.  6. Attempted, or actual Financial Aid fraud or corresponding behaviors that would allow a student to receive a monetary benefit for which they are not eligible.
- 4.2 Disruption or obstruction of teaching and learning, research, administration, disciplinary proceedings, College activities, events, or service functions.
- 4.3 Physical violence or assault; threats of physical violence; or threatening behavior which causes harm, or produces a risk of harm that would cause fear in a reasonable person; or other conduct which threatens or endangers the health or safety of any person or group of persons or the College community (including, but not limited to, messages stated in-person, by phone, via text message, by email, via messaging apps, on social media networks, or any electronic format, etc.).

- 4.5 Unlawful discrimination or related harassment

The College is an educational institution that embraces and promotes diversity, equity, and inclusion in all aspects of its operations.

No student or applicant for admission to any of the College's educational programs or services shall be discriminated against on the basis of race, color, sex, age, religion, national origin, creed, ancestry, height, weight, sexual orientation, gender identity, gender expression, disability, familial status, marital status, military status, pregnancy, pregnancy-related conditions, veteran status, or other status protected by law or genetic information that is unrelated to the person's ability to participate in educational programs, courses, services, or activities offered by the College.

The College prohibits retaliation or reprisals against any individual because the individual has filed a complaint or report about, participated in an investigation of, or otherwise opposed unlawful discrimination.

Anyone who is aware of possible retaliation or has concerns regarding the response to a complaint of prohibited discrimination or harassment should immediately report such concerns to the Equal Opportunity Officer, who will investigate the matter and pursue any appropriate corrective action.

See the [College Nondiscrimination Policy](#) for more information and the [Consumer Information website](#) for contact information to file a complaint.

4.6 Sexual misconduct, including:

1. Dating or Domestic Violence (as defined in Section 3)
2. Sexual Assault - Non-Consensual Sexual Contact (as defined in Section 3)

All members of the LCC community, regardless of their sexual orientation or their gender or gender expression, or gender identity, have the right to engage in their College education, work, and other activities free from all forms of sex or gender-based discrimination or harassment, including sexual misconduct. Sexual misconduct includes all forms of sexual harassment as well as acts of sexual assault, dating or domestic violence, stalking, sexual exploitation and intimidation, and retaliation. Consensual or non-consensual sexual activities are prohibited in non-residential areas of the College. All members of the LCC community are required to conduct themselves in a manner that does not infringe upon the rights of others.

No person shall be penalized for good faith utilization of channels available for resolving concerns dealing with prohibited discrimination or harassment. The College strictly prohibits any adverse or retaliatory action against any individual for making a good faith report, providing information, exercising one's rights or responsibilities under College policy, or otherwise being involved in the process of responding to, investigating, or addressing, or opposing any alleged incidents of prohibited discrimination or harassment, including allegations of sexual misconduct. Any person who engages in any retaliatory actions against any such individual for having engaged in these legally protected activities will be subject to disciplinary action that may include, but is not limited to, expulsion from the College and termination of employment. In addition, any person who engages in such retaliatory actions may be subject to criminal prosecution and may become liable in civil litigation.

Making deliberately false accusations of discrimination or harassment violates College policy and may violate other standards of conduct. In such instances, the complainant will be subject to disciplinary action. However, failure to prove a claim of discrimination or harassment does not constitute proof of a false and/or malicious accusation.

Anyone who is aware of possible retaliation or has concerns regarding the response to a complaint of prohibited discrimination or harassment, including allegations of sexual misconduct, should immediately report such concerns to the Title IX Coordinator or the Deputy Title IX Coordinator, who will investigate the matter and take appropriate corrective action.

See the College [Prohibited Sex or Gender-Based Discrimination, Harassment, and Sexual Misconduct Policy](#) for more information and the [Student Title IX and Sexual Misconduct Procedure](#) for procedures and information to file a complaint.

Violation of Law and Student Code of Conduct

The Conduct Process may be instituted for conduct that potentially violates both law and the Student Code of Conduct without regard to any arrest or the pendency of any civil litigation or criminal prosecution. The Conduct Process may be carried out prior to, simultaneously with, or following civil or criminal proceedings at the discretion of the Dean of Student Affairs (or designee). Determinations made or sanctions imposed pursuant to this process are independent of the outcome of any civil or criminal processes.

Section 5: Student Conduct Process and Procedures

Any member of the College community should submit a report when they become aware of potential violations by a student of the Student Code of Conduct or Student General Rules and Guidelines. Reports may be made to the Office of Student Compliance via the [online reporting form](#).

Initial Steps

- 5.1 The Director of Student Compliance (or designee) will conduct a preliminary review and investigation of the report to determine if the allegations have merit. If the allegations are determined to not have merit, the reporting party will be notified stating the reasons, and the matter will be closed. Such disposition shall be final and there shall be no subsequent proceedings unless the College becomes aware of additional material information that may lead to a different conclusion.
- 5.2 If it is determined that the allegations have merit, the responding student will be notified in writing of the allegations and alleged violation(s). The notification will direct the student to schedule an appointment with the Director of Student Compliance (or designee) to review the facts concerning the alleged violation(s) in order to determine if the process will move forward.

Student Meeting

- 5.3 During the meeting, the responding student meets with the Director of Student Compliance (or designee). Additional staff from the Office of Student Compliance may also be present. Meetings are not open to the public, but the student may have a support

person or advisor present during the meeting. The responding student is responsible for presenting their own information, and therefore, a support person or advisor is not permitted to speak or to participate directly in the meeting. If the responding student would like a support person or advisor present during the meeting, they must make this known at the time of scheduling the meeting, and completion of a [Release of Information \(FERPA\) form](#) will be required. Meetings may be facilitated via video conference at the sole discretion of the Director of Student Compliance (or designee).

- 5.4 After reviewing the facts with the responding student and completing any additional witness meetings, investigation, or follow-up as needed, a decision will be made as to whether to move forward with a violation(s) of the Student Code of Conduct. The standard used in the determination is the preponderance of the evidence defined as "more likely than not" whether the responding student violated the Student Code of Conduct and/or Student General Rules and Guidelines. Based on the facts and circumstances presented, the charges may be amended, changed, or dismissed, and the student will be made aware of those changes as soon as possible.
- 5.5 In the event that the responding student fails to contact the Office of Student Compliance within five (5) business days of the written notification, a hold may be placed on the student's record which may result in the student's enrollment being delayed. The Director of Student Compliance (or designee) will then review the facts available without the student and make a decision whether to move forward with charges of the Student Code of Conduct.
- 5.6 If a decision is made to move forward with charges, the responding student will be notified in writing of the alleged violation(s), and may elect to do one of the following:
 1. The responding student may admit the alleged violation(s) and request, in writing, that the Director of Student Compliance (or designee) determine sanctions; or
 2. The responding student may admit the alleged violation(s) and request a Student Conduct Hearing for determination of sanctions; or
 3. The responding student may deny the alleged violation(s), and request a Student Conduct Hearing for determination of responsibility and sanctions, if found responsible.
- 5.7 In the event that the responding student does not make an election of one of the three options listed above in 5.6 within ten (10) business days of the written notification, then the Director of Student Compliance (or designee) will determine sanctions.

Student Conduct Hearing

- 5.8 A hearing will be scheduled as promptly as possible for students who request a hearing as determined under Section 5.6.
- 5.9 The responding student and complainant shall be given written notice of the time, date, and place of the hearing; a list of the Hearing Chairperson and Hearing Panel members; the alleged violations of the Student Code of Conduct; and additional instructions regarding Student Conduct Hearing preparation.
- 5.10 Members of the Student Conduct Hearing Panel are selected from a pool of trained members appointed by the Dean of Student Affairs (or designee) and are comprised of the following:
- A Hearing Chairperson who conducts the hearing but does not participate in the deliberation;
 - One college administrator;
 - Two college faculty members; and
 - Two current students from the student body.

In cases involving sexual misconduct, the board will be comprised of the following:

- A Hearing Chairperson who conducts the hearing but does not participate in the deliberation;
- One college administrator; and
- Two college faculty members.

In these cases, students do not serve in order to protect the privacy of the parties involved.

- 5.11 Student Conduct Hearings shall be carried out according to the following guidelines:
1. The Student Conduct Hearing will be scheduled at the convenience of the sitting Panel members. Efforts will be made, however, to schedule the hearing within three (3) weeks of the date the student requested a hearing. Depending on their complexity, it may take longer to schedule a hearing.
 2. The parties will provide the Hearing Chairperson with a list of witnesses, and copies of documents and/or evidence they propose to present, if any, at the hearing, on or before a date set by the Chairperson (as communicated in the written hearing notice to the parties referenced in 5.9). The Chairperson will then provide each party with the list of Hearing Panel members, witnesses and identification of case documents and/or evidence submitted by each party, if any, not later than four (4) days before the scheduled hearing date. Depending on

case complexity, timelines and deadlines for identification and notification of witnesses, documents, and/or evidence may be extended.

In the absence of good cause, as determined by the Chairperson at their sole discretion, the parties may not introduce witnesses, documents, and/or other evidence at the hearing that were not provided to the Chairperson on or before the date set by the Chairperson (as communicated in the written hearing notice to the parties referenced in 5.9). The parties are also responsible for the attendance of their witnesses at the hearing.

3. Student Conduct Hearings are not open to the public. In cases involving sexual misconduct under the Student Code of Conduct, the College will keep the complaint and investigation confidential to the extent possible or as required by law.
4. The complainant and the responding student may have a support person or advisor present during the hearing. The complainant and the responding student are responsible for presenting their own information, and therefore, a support person or advisor is not permitted to speak or to participate directly in the hearing. Parties should select a support person or advisor whose schedule allows attendance at the scheduled date and time of the hearing. If the complainant or responding student would like a support person or advisor present during the hearing, they must make this known on or before a date set by the Chairperson (as communicated in the written hearing notice to the parties referenced in 5.9), and completion of a [Release of Information \(FERPA\) form](#) will be required.
5. The complainant, responding student, and their support person, or advisor will attend the entire hearing (excluding deliberations). Admission of any other person(s) to the hearing beyond the Hearing Panel members and Office of Student Compliance staff, shall be at the sole discretion of the Chairperson (or designee).
6. In Student Conduct Hearings involving more than one responding student, the Chairperson (or designee), at their sole discretion, may permit the hearings concerning each student to be conducted either separately or jointly.
7. The complainant, responding student, and witness will provide information to and answer questions from the Hearing Panel. Questions among the parties will be directed through the Hearing Chairperson. Acceptance of potential information/questions shall be at the sole discretion of the Chairperson.
8. Pertinent records, exhibits, and written statements (including Student Impact Statements) may be accepted as information for consideration by a Hearing Panel at the sole discretion of the Chairperson.
9. All procedural questions are subject to the final decision of the Chairperson.
10. Requests for a continuance shall be at the discretion of the Chairperson.
11. After all pertinent information has been received, the Hearing Panel shall determine (by majority vote) whether the responding student is responsible or not responsible for each alleged violation of the Student Code of Conduct. The Hearing Panel will also recommend an appropriate sanction(s) to the Chairperson.

12. The Panel may also recommend a different charge(s) to the Chairperson if they believe the facts support other violation(s) of the Student Code of Conduct. If the Panel recommends new charges, and they are approved by the Chairperson, a new notice of alleged violation(s) will be sent to the responding student beginning with step 5.1.
13. The Hearing Panel's standard used in the determination shall be made based on the preponderance of the evidence defined as "more likely than not" whether the responding student violated the Student Code of Conduct and/or Student General Rules and Guidelines.
14. If a disruption occurs during the hearing, the Chairperson, at their sole discretion may have the disruptive party removed from the hearing.
15. There shall be a single verbatim record of all Student Conduct Hearings. Deliberations shall not be recorded. The record shall be the property of the College. Any digital recording will be maintained only until the appeal process has concluded (if applicable) or until the time of appeal has lapsed. The digital recordings are not part of the public domain.
16. If a responding student or complainant, with notice, elects not to participate in the Student Conduct Hearing, they shall be considered to have waived the right to appeal. The hearing will proceed as scheduled and a determination will be made by the Hearing Panel with the student in absentia.
17. The Chairperson may accommodate concerns for personal safety and well-being of all parties by providing separate facilities, by using a visual screen, or by authorizing participation by video conference. In such cases, written notice will be given to all parties as to the reason for the decision.
18. Once the Hearing Panel has made a decision as to whether more likely than not the responding student, student group, or organization has violated the Student Code of Conduct and/or Student General Rules and Guidelines, the Hearing Panel will make recommendations to the Chairperson regarding appropriate sanction(s).
19. After receiving the Panel recommendations, the Chairperson shall make a final determination of the most appropriate sanction(s) proportionate to the violation(s), taking into consideration the Hearing Panel's recommendations.

Informal Resolution

- 5.12 If the complainant requests an alternate form of resolution, and the responding student agrees, then the parties will engage in an informal process. If the Informal Resolution results in mutual satisfaction of both parties, then the case will be considered adjudicated. If the case is not adjudicated, then it will be forwarded to the Hearing Panel for a Student Conduct Hearing.

- 5.13 The College will obtain the parties' voluntary, written consent to the Informal Resolution, and will provide the parties written notice disclosing the allegations and the requirements of the Informal Resolution Process. The College may also determine when an Informal Resolution may be appropriate. Either party can withdraw from an Informal Resolution at any time prior to agreeing to the resolution. The College may propose sanctions as part of the Informal Resolution, and both parties must agree to the resolution.
- 5.14 Informal Resolution provides an opportunity for the complainant and the responding student to state their positions regarding the incident as well as to communicate their proposed solutions. Both parties must attend the Informal Resolution in front of a Presiding Officer, who facilitates the Informal Resolution. Both parties must fully participate in a respectable manner.
- 5.15 A Presiding Officer will facilitate the Informal Resolution. Staff from the Office of Student Compliance may also be present. Informal Resolution proceedings are not open to the public, but the parties may have a support person or advisor present. The parties are responsible for presenting their own information, and therefore, a support person or advisor is not permitted to speak or to participate directly in the proceeding. If the complainant or responding student would like a support person or advisor present, they must make this known at the time of consenting to the Informal Resolution, and completion of a [Release of Information \(FERPA\) form](#) will be required.
- 5.16 If the responding student elects to acknowledge their actions and take responsibility for the alleged violation(s), the Presiding Officer will ask for input from the parties in deciding the appropriate sanction(s). The Presiding Officer will present the proposed sanction(s) to the parties. The parties must agree on the sanction(s). If the parties disagree, further discussion will take place until the parties are in agreement. Once an agreement on sanctions has been reached, the Informal Resolution will be concluded, and the case will be resolved without any further rights of appeal by either party. The Presiding Officer may also issue supportive measures such as a no-contact order agreed upon by the parties as deemed appropriate. In the event an agreement cannot be reached regarding sanction(s), the case will be forwarded to the Hearing Panel for a Student Conduct Hearing.
- 5.17 If the responding student elects to contest their actions and deny responsibility for the alleged violation(s), and the complainant agrees, the Informal Resolution will be concluded, and the case will be closed without any further rights of appeal by either party. The case, however, may be reopened if material additional information becomes

known. If the complainant disagrees, further discussion may take place with agreement from the parties, or the case will be forwarded to the Hearing Panel for a Student Conduct Hearing. The parties may also discuss mutually agreed upon supportive measures such as a no-contact order or change in schedule that may bring resolution to the matter without a finding of responsibility.

Outcome of Student Meeting, Hearing, or Informal Resolution

- 5.18 The complainant will receive information regarding the notification of alleged violations to the responding student, as well as the outcome and final decision of the meeting, hearing, or informal resolution including a rationale for the decision.

Complainants of sexual misconduct under the Student Code of Conduct will receive a copy of the actual notification and sanction letter sent to the responding student.

Section 6: Sanctions

- 6.1 The Conduct Officer, Presiding Officer, or Hearing Panel and the Chairperson will consider the sanctions listed below for any student found responsible for a violation(s) of the Student Code of Conduct or Student General Rules and Guidelines that they find to be fair and proportionate to the violation(s). In determining an appropriate sanction(s), they endeavor to be educational and restorative in nature and may also consider any record of past violations of the Student Code of Conduct or Student General Rules and Guidelines as well as the nature and severity of such past violation(s). Any sanction(s) issued will include a rationale in the written determination. The College will issue sanctions consistent with the impact of the offense on the College community.

Progressive sanctioning principles will be followed in that the student's prior discipline history at the College will be taken into account. The following sanctions may be issued:

1. Written Warning - A written notice to the student that the student has violated College regulations.
2. Probation - A period of observation and review of conduct during which the student or student group or organization must demonstrate compliance with College standards. Probation is for a designated period of time and includes the probability of additional sanctions if the student or student group or organization is found to violate any College regulation(s) during the probationary period. Probation may be issued for any violation(s), but will be issued for all alcohol and drug violations and all violations resulting in sanctions of suspension or dismissal.

3. Restrictions - Denial of access to specific areas of the College or participation in certain groups or activities for a designated period of time and for clearly stated reasons.
4. Restitution - Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
5. Discretionary Sanctions - Educational assignments, essays, or other related discretionary assignments.

Discretionary sanctions may be issued for any violation(s). Discretionary sanctions for drug and alcohol offenses specifically, may include assignments, essays, informational meetings, meeting with an LCC Counselor to discuss drug and alcohol abuse, Random Preliminary Breath Test (PBT), and completion of community drug and/or alcohol rehabilitation programs, and education programs. Discretionary sanctions for sexual misconduct offenses specifically, may include meeting with an LCC Counselor to discuss sexual harassment and/or completion of education programs.

6. No contact order - an order prohibiting contact between the responding student and the complainant, witnesses, and/or other individuals including any/all unwarranted communications between the parties including, but not limited to, communication via technology, third party communication, or face to face.
7. Suspension - Separation of the student from the College for a specified length of time (usually a year or less) after which the student is eligible to return. Conditions for readmission may be specified. Suspensions may be effective immediately or deferred (e.g., a suspension issued toward the end of a semester may be deferred to the day after the end of that semester).

When students are issued a suspension, re-entry to the College is determined at the return from suspension meeting with the Office of Student Compliance. All sanctions must be completed prior to the return from suspension meeting. The College does not have a specific re-entry program for students with alcohol and drug violations beyond what is listed here.

8. Dismissal - Separation of the student from the College for a year or more. The student may be eligible for return. Conditions for readmission may be specified. Dismissals will be effective immediately.

When students are issued a dismissal, re-entry to the College is determined at the return from dismissal meeting with the Office of Student Compliance. All sanctions must be completed prior to the return from dismissal meeting. The College does not have a specific re-entry program for students with alcohol and drug violations beyond what is listed here.

9. Expulsion - Termination of the student from the College permanently. Expulsions will be effective immediately.
10. Revocation of Admission and/or Degree - Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

11. Withholding Degree or Certificate - The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Code of Conduct, including the completion of all sanctions imposed, if any.

6.2 More than one of the sanctions listed above may be imposed for any single violation.

6.3 The following sanctions may be imposed for student groups or organizations:

1. Those sanctions listed above in 6.1 (a-j).
2. Loss of selected rights and privileges for a specified period of time.
3. Loss of Recognition- Registered Student Organizations may lose recognition and will be deprived of the use of College resources, the use of the College's name, and the right to participate in College or campus-sponsored activities. The loss of recognition may be for a specific period of time or for an indefinite period of time until stated all conditions are met.

Interim Suspension

6.4 In certain circumstances, the Dean of Student Affairs (or designee), may impose an interim suspension at the onset of the Student Conduct Process.

6.5 Interim suspension may be imposed only in the following circumstances:

1. to ensure the safety and well-being of members of the College community or preservation of College property; or
2. to ensure the student's own physical or emotional safety and well-being; or
3. if the student causes disruption of, or interference with, the normal operations of the College.

6.6 During the interim suspension, a student shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as determined by the Dean of Student Affairs (or designee).

6.7 Students may appeal an interim suspension by submitting a written statement within two business days of receiving written notification of the interim suspension to the Office of Student Compliance. The written statement should outline why the interim suspension is inappropriate. The Provost (or designee) will review the appeal and provide a response within 5 business days.

- 6.8 The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and including the completion of a Student Conduct Hearing, if required.

Section 7: Appeals

- 7.1 Either party (responding student or complainant) may appeal the decision of the Director of Student Compliance (or designee) or the decision of the Hearing Panel within ten (10) business days of the date of the decision. Such appeals shall be in writing by completing the appeal form, including any additional information, and submitting it to the Office of Student Compliance. Both parties will be notified in writing upon receipt of an appeal.
- 7.2 The Provost (or designee) shall have the sole authority to determine whether or not an appeal warrants further review. An appeal that has been accepted for review shall be limited to a review of the information submitted in the appeal. In addition, for appeals regarding the Hearing Panel's decision, the review may include the verbatim record of the Student Conduct Hearing and supporting documents. Appeals may be considered for one or more of the following reasons only:
1. A procedural irregularity that affected the outcome of the matter;
 2. New evidence that was not reasonably available at the time determination regarding responsibility was made, that could affect the outcome of the matter;
 3. A demonstrable bias by a member(s) of the Hearing Panel;
 4. A sanction that is (substantially) disproportionate to the severity of the violation(s).
- 7.3 If an appeal is based on 7.2 (a), (b) or (c) (as listed above) and is approved by the Provost (or designee), the matter shall be returned to a new Student Conduct Hearing Panel and Chairperson for a hearing or rehearing, which will take into consideration the suggestions made by the Provost (or designee) in addition to the facts that were originally presented.
- 7.4 If an appeal is based on 7.2 (d) (as listed above) and is approved by the Provost (or designee), the matter will be returned to a new Student Conduct Hearing Panel and Chairperson to determine sanction(s) only.
- 7.5 The decision of the new Hearing Panel and Chairperson, after it has rendered its decision in any of these cases, shall be final and binding upon all involved.

- 7.6 If an appeal is not approved by the Provost (or designee), the matter shall be considered final and binding upon all involved.
- 7.7 Both parties will be notified simultaneously in writing of the appeal outcome, including the rationale for the decision.

Section 8: Revisions

This Procedure may be revised, in writing, by the College at any time in compliance with regulatory guidance, College policies, and procedures. The College will maintain the most updated procedure on the LCC website.
