About LCC

Vision
Serving the learning needs of a changing community.

Mission
Lansing Community College provides high-quality education ensuring that all students successfully complete their educational goals while developing life skills necessary for them to enrich and support themselves, their families, and their community as engaged global citizens.

Motto
Where Success Begins

Guiding Principles
1. LCC will be a “Comprehensive Community College,” focused upon offering learning opportunities in four areas: career and workforce development, general education, developmental education, and personal enrichment.
2. LCC will have a careers emphasis and, in support of this, maintain a technology-rich environment, fostering “user-” vs. classroom-level information technology skills.
3. LCC will maintain and support a well-qualified, committed, and competitively compensated faculty and staff who use both proven traditional and progressive student-centered learning approaches.
4. LCC commits to continuous improvement in its programs and services and will maintain high expectations of its students.
5. LCC will be flexible, affordable, and accountable, continuously improving student learning and support services through the assessment of measurable outcomes.
6. LCC will strive to be “state of the art” in all that it does, while pursuing a select number of cutting-edge initiatives.
7. LCC will have a local emphasis in allocating its resources, while maintaining vital connections to the world, culturally and technologically.
8. LCC, within its broader purpose of serving its entire community in diverse ways, recognizes a special responsibility to young adults, those from lower income brackets, and those requiring developmental academic or entry-level career skills.
9. LCC seeks cooperative relationships with both private and public organizations, pursuing growth not as an end in itself but only when it best serves student and community needs.
10. LCC will prepare those it serves to thrive in a diverse world by reflecting that diversity in its student enrollment, staffing, planning, and allocation of resources.
11. LCC will manage its finances in a responsible manner; allocating resources and achieving efficiencies to best serve the priority needs of its students and the taxpayers who support its operation.
12. LCC is a dedicated community member working for the betterment of all.
A History of LCC
Lansing Community College (LCC) is one of the largest community colleges in Michigan, serving more than 17,700 students each year. It offers more than 200 associate degree and certificate programs in addition to career and workforce development and personal enrichment options. The College was founded in 1957 and has since grown from its flagship campus in downtown Lansing to include locations in Delta Township, East Lansing, Mason, and Livingston County. LCC is consistently named one of Michigan’s best community colleges, and students enjoy unsurpassed instruction, beautiful facilities, cutting-edge technology and comprehensive support services to help them succeed.

Accreditation
LCC is accredited by the Higher Learning Commission (HLC), an agency that accredits degree-granting institutions of higher education throughout the United States. Accreditation validates the quality of an institution as a whole and evaluates multiple aspects of an institution, including its academic offerings, governance and administration, mission, finances, and resources. Institutions that the HLC accredits are evaluated against the Commission’s Criteria for Accreditation, a set of standards that must be met in order for the institution to receive and/or maintain accredited status. The HLC’s Criteria for Accreditation reflect a set of guiding values. Accreditation is largely a peer-based review and evaluation process. HLC decision-making bodies are comprised of institutional representation from colleges and universities accredited by the Commission; public members are also sometimes involved.

Board of Trustees
LCC is directed and governed by a Board of Trustees, consisting of seven members, elected at large in the community college district on a nonpartisan basis. Members are elected to serve 6-year terms.

Board Policies
As with any other professional or workplace responsibility, failure to follow any Board Policy which applies to any College employee may result in disciplinary action up to and including discharge where appropriate. Before any discipline is administered, the College will follow applicable established administrative procedures with respect to non-bargained for employees, and applicable provisions of any collective bargaining agreement. To view Board Policies, go to the Board of Trustees’ Policies webpage.

Program Accreditations
The following occupational programs are accredited, approved, certified, licensed, or regulated by the association, agency, or governmental agency identified. For the most current list, please visit our Program Accreditation website.

**Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA): FERPA is a federal law that sets forth requirements regarding the privacy of student records. FERPA governs the release of these records (known as education records) maintained by an educational institution and access to these records. When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student. The FERPA statute is found at 20 U.S.C § 1232g, and the FERPA regulations are found at 34 CFR Part 99 on the U.S. Department of Education FERPA webpage.

LCC Registrar’s office will communicate students’ rights under the Family Educational Rights and Privacy Act (FERPA) with all registered students through their LCC student email every semester.

LCC cannot discuss student academic and/or personally identifiable information (PII) with parents, spouse, or guardians, or any other third party without a release (consent) on file. Students may submit a Release of Information (FERPA) request form directly to the Registrar’s Office authorizing LCC to discuss selected information with your designee(s). This form can be used to cancel, add, remove, or change the designee(s) on the release. Paper copies are available by visiting the StarZone or by accessing the Registrar’s Office public shared drive.

Directory Information: Directory information is information contained in the education records of a student that would not generally be considered harmful or an invasion of privacy if disclosed.

LCC defines directory information as the following:

- Name of student
- Dates of attendance
- Enrollment status
• Awards, degrees, or certificates received
• Participation in officially recognized activities
• Sport, weight, and height of members of an athletic team
• Previous educational agency or institution attended
• LCC Email address

Under the provisions of the FERPA of 1974, as Amended, students have the right to withhold the disclosure of the Directory Information. To request to prevent disclosure, students must submit a Request to Prevent Disclosure of Directory Information. Students may submit this form at any time. The form remains in effect until the student provides a written release to the Registrar's Office requesting the form to be cancelled.

Behavioral Intervention Team (BIT)
LCC is concerned with the safety, health, and well-being of its students, faculty, staff, and community. The Behavioral Intervention Team (BIT) works to promote the sharing of information internally when significant circumstances pertaining to the health and safety of LCC's students arise. Members of the team intake and assess information, take action when necessary, and monitor details about behavioral concerns noted on campus. The team links students of concern to appropriate services either on or off campus while balancing the individual's rights with the rights of all others for safety.

Title IX Resources
LCC policies prohibit sexual harassment, sexual discrimination, and sexual misconduct in its employment and educational programs. The Prohibited Sex or Gender Based Discrimination, Harassment, and Sexual Misconduct Policy can be found on the LCC Title IX and Sexual Misconduct Resources webpage along with additional resources and forms to file a complaint. Students, employees, and visitors are encouraged to report any allegations of sexual discrimination, sexual harassment, or sexual misconduct to:

Estimate Tuition Cost

Planning for the cost of higher education is extremely important. Use the Tuition Cost Estimator tool to estimate the cost of tuition for this semester.

Course fees support costs unique to specific courses, beyond the standard cost of instruction and basic materials. Fees include a variety of consumable costs, specialized equipment, and technology dedicated to the associated course. Further, small group instruction is sometimes required by state or federal regulations, national accreditation mandates, or quality and safety standards, which all impact faculty-to-student ratios and overall program costs. These costs have not changed because of distance learning.

LCC’s longstanding practice is that students are charged for the cost to deliver their education in their chosen program. As such, the courses and programs that have these additional costs are charged to the students enrolled in the courses rather than spreading those costs out evenly among all students by way of higher tuition. This practice promotes fairness for all.
Register for Class(es)

Transfer Programs

For students following the Michigan Transfer Agreement, the requirements can be completed online.
**Maximum Enrollment per Semester**

Individual students will enroll in no more than 28 credits per semester. Students who wish to enroll in more than 28 credits per semester may request permission from the Dean or designee overseeing the academic program the student is following. The Dean or designee will make a decision which is based on the student’s academic and personal circumstances and which supports reasonable expectations for successful learning and course completion. In the case of any appeal, the final decision rests with the Academic Affairs Office.

**Placement Levels**

Most courses require basic skills proficiency levels which must be met prior to enrolling in courses that require specific placement levels. Students are strongly encouraged to establish their placement levels, complete orientation, and meet with an advisor prior to registration. Placement levels may be established through high school transcripts documenting required GPA or through ACT, SAT, CLEP, ASVAB, or GED test scores, or through placement testing. Levels may also be established through previously completed college coursework.
Tuition and Fee Information

Below are policies related to the calculation of tuition based on residency and veteran status, the payment of those fees, and the refund policy.

Eligibility for In-District, In-State, Out-of-State, or International Tuition

In order to abide by state law and ensure the fairness for taxpayers in the district, the College’s Board of Trustees periodically approves tuition and fees for resident, non-resident, out-of-state, and international students.

2024-2025 TUITION RATES (PER BILLING HOUR)

The cost for attending a course is determined by the course's billing hours, instead of credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor, in lab, or with laboratory equipment.

IN-STATE STUDENTS - $240*

If student resides in Michigan, but not in one of the above 15 school districts, the student is an in-state student.

OUT-OF-STATE STUDENTS - $360*

If student lives outside of Michigan, the student is an out-of-state student.

INTERNATIONAL STUDENTS - $420*

If the student has been admitted to the United States on a temporary, non-resident status, the student is classified as an international student.
**SENIOR CITIZENS***

If the student is age 62 or older on the first day of the semester and a resident of the LCC district four months prior to the beginning of the semester in which registering, the student qualifies for a reduced tuition rate of $60 per billing hour on classes at LCC. (Note: Michigan residents living outside the LCC district qualify for a reduced rate of $120 per billing hour.) These rates apply to LCC classes taken for audit or credit. Classes with zero billable hours are not covered by the tuition rate reduction. For details, stop by the StarZone or call 517-483-1957.

**Mandatory Fees**

- **Registration Fee** - $25*
  The registration fee is applied to each semester the student is enrolled and pays for some of the cost of registration. This fee is charged to all students.

- **Student Support Fee** - $15*
  Fee includes student support services such as tutoring, advising, counseling, library, computer lab and parking. (This fee is charged per billable hour and to all students).

- **Course Fee** *
  Course fees vary and apply to courses requiring specialized supplies, equipment, facilities, and other instructional resources unique to the individual course. See class offerings to determine if a course has an applicable course fee.

*Tuition and Mandatory Fees are subject to change by action of the LCC Board of Trustees.

**About Billing Hours**

**What is a billing hour?**

The cost for attending a course is determined by the course's billing hours, instead of credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor, in lab, or with laboratory equipment.

**How are billing hours for a course determined?**

Several factors are considered in determining the billing hours of a course. The main factor is the number of hours the student is expected to either be in a class or in another "instructional" setting (such as a lab) in a typical week for a full-semester course. LCC courses range from one billing hour to 21 billing hours per course. The billing system caps the number of billing hours that can be added to a course. For the majority of courses at LCC, the credit hours and the billing hours are the same.
Tuition Estimate Resources

*Tuition Cost Estimator*
The Course Tuition Cost Estimator will give you a rough estimate of the tuition and fee charges for one or more courses you plan to enroll in. This is a tool to help you plan prior to registering for courses.

*Net Price Calculator*
This tool can be used to receive an estimate of how much students similar to you paid to attend LCC during the current Academic Year.

Military-Connected Student In-State Tuition
Any individual using Veterans Affairs (VA) Educational Benefits under Chapter 30, Chapter 31, Chapter 33, Chapter 35, or the Fry Scholarship and who lives in the State of Michigan while attending LCC, regardless of their former state of residence, and regardless of when they or the military member was discharged from military service, will pay in-state tuition rates for all VA approved programs.

To remain compliant and approved to receive VA GI Bill® funding, schools must charge in-state tuition and fee amounts to “covered individuals.” A “covered individual” is defined in Section 1005 of Public Law 116-315 as:

- A veteran who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when they discharged from military service.
- A spouse or child using transferred benefits who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member discharged from military service.
- A spouse or child using benefits under the Survivors’ and Dependents Educational Assistance Program (DEA) who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member died in the line of duty or when the individual became eligible to receive the benefit.
- A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member died in the line of duty.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government web site for [U.S. Department of Veterans Affairs](https://www.vba.va.gov/).
Payment of Tuition and Fees

According to the Michigan Community College Act, “the Board of Trustees may establish and collect tuition and fees for resident and nonresident students.” The Board of Trustees shall review student tuition and fees on an annual basis, based on the financial requirements of the College, to provide optimal services to students at an affordable price.

Tuition and Fees Refund Policy

It shall be the College policy to refund tuition and fees accordingly, except where superseded by law, to a student who properly withdraws from a class. Specific dates can be found in the Teaching Period Schedule for Fall 2024, Spring 2025, and Summer 2024.

Additional information can be viewed on the Tuition and Fees Refund Policy webpage, per the Board Policy 5.070: Student Tuition and Fees.
Financial Aid

What is Financial Aid?
It is resources to assist students with paying for their post-secondary education.

Ways to Cover the Cost of Post-Secondary Education

*Scholarships*
Scholarship eligibility varies based on financial need, academic merit, field of study, talent, athletic participation, etc. For the most part, these funds do not need to be repaid. Students can apply for scholarships at LCC, the State of Michigan, community organizations, and their employer. Selection criteria and requirements vary according to the individual scholarship and it is important to pay attention to application deadline dates. Please take a look at the following scholarship opportunities offered through a variety [online scholarship search engines](#).

*Grants*
Grants are funds to help cover educational costs and do not need to be repaid. These funds are offered by the federal government, State of Michigan, and LCC. Additional information can be found on the [Grants](#) webpage.

*Student Employment & Work-Study*
On- and off-campus employment opportunities allows the student to earn the funds to help cover the costs of educational expenses. As work is completed, the student can earn wages that may be used toward school-related costs. More information can be found on the [LCC Student Employment & Work-Study](#) webpage.

*Loans*
Loans are available through the government and students also have the option of taking out loans from a private lender. These funds must be repaid. See the [Loans](#) webpage for more information.

Applying for Financial Aid

*Free Application for Federal Student Aid (FAFSA) Process*
To qualify for Financial Aid, students must complete and submit the Free Application for Student Aid ([FAFSA](#)) using LCC’s school code: 002278.

If planning on attending Fall 2024, Spring 2025, and/or Summer 2025, the student must complete the 2024-2025 FAFSA, which requires 2022 income information.
Types of Financial Aid

Need-Based v. Non-Need-Based Financial Aid

Need-based aid is financial aid a student can receive if the student has financial need and meets other eligibility criteria. Financial need is determined by subtracting the Student Aid Index (SAI) derived from the FAFSA from the student’s Cost of Attendance (COA). Students cannot receive more need-based aid than the amount of financial need.

Example: COA of $11,000 and SAI of $7000 = financial need of $4,000. Student is eligible for $4,000 in need-based aid.

The following are need-based financial aid programs:

- **Children of Fallen Heroes Scholarship**
  The Children of Fallen Heroes Scholarship is provided to students whose parent or guardian was a public safety officer who died in the line of duty. This scholarship is available to those who are Federal Pell Grant eligible and are under 24 years of age or enrolled at an institution of higher education at the time of parent's or guardian's death.

- **Federal Pell Grant**
  The Federal Pell Grant is a need-based federal grant to promote access to postsecondary education, and is awarded to low- and middle-income undergraduate students who have not yet earned a bachelor’s or professional degree. Students must meet basic eligibility requirements. Grant amounts are based on the student's SAI (see Determining Financial Aid Eligibility), and enrollment level at the Federal Pell Grant Census Date. The maximum annual award is $7,395 for 2024-2025 award year. Students are limited to receiving the equivalent of 12 full-time semesters of Federal Pell Grant.

- **Federal Supplemental Educational Opportunity Grant (FSEOG)**
  The FSEOG is a federal grant awarded to students who demonstrate financial need, meet the basic eligibility requirements, and qualify for a Federal Pell Grant. FSEOG funding is limited; therefore, priority is given to students who have the lowest SAI.

- **Federal Direct Subsidized Loan**
  Federal Direct Subsidized are loans made to eligible undergraduate students who need help with covering educational expenses. These funds must be repaid according to the terms of the Master Promissory Note and interest does not accrue while the student is in school.

- **Federal Work-Study**
  Federal Work-Study is a need-based federal program that provides students with employment opportunities, both on- and off-campus, to assist with educational expenses. Students must meet the basic eligibility requirements to receive these funds.
• **Fostering Futures Scholarship**  
The Fostering Futures Scholarship is awarded on a first-come, first-served basis to students who have been placed by the Department of Human Services in the Michigan foster care system on or after the 13th birthday. To apply for these funds, students can create an MISSG portal and submit a Fostering Futures Scholarship application or contact the Customer Care Center at 1-888-447-2687. Eligible applicants are required to maintain half-time enrollment (minimum 6 credit hours) and meet Satisfactory Academic Progress.

• **Iraq & Afghanistan Service Grant**  
The Iraq and Afghanistan Service Grant is a need-based federal grant awarded to students whose parent or guardian was a member of the U.S. armed forces who died as a result of military service performed in Iraq or Afghanistan after the events of 9/11 when the student was under 24 years old or enrolled in college at least part-time at the time of the student’s parent’s or guardian’s death. The student must be enrolled at least half-time (6 credit hours) and the award amount is prorated based on enrollment level: 100% for full-time (12 or more credits), 75% for three-quarter-time (9-11.99 credits), and 50% for half-time (6-8.99 credits).

• **LCC Grant**  
The LCC Grant is an institutional grant awarded to students who demonstrate financial need. Grant funds are limited; therefore, priority is given to students with the lowest SAI.

• **Michigan Competitive Scholarship**  
The Michigan Competitive Scholarship is awarded to students who are pursuing their first degree and demonstrate financial need along with having a qualifying ACT or SAT score. Eligible applicants are required to file a FAFSA each year, maintain half-time enrollment (minimum 6 credit hours), maintain a GPA of 2.0 and meet Satisfactory Academic Progress. This award can only pay for tuition and fee charges and may be adjusted due to other awards. The award amount is pro-rated based on enrollment levels: 100% for full-time (12 or more credits), 75% for three-quarter-time (9-11.99 credits), and 50% for half-time (6-8.99 credits).

• **Michigan Achievement Scholarship**  
The Michigan Achievement Scholarship provides renewable scholarships to undergraduate students who graduate from a Michigan high school with a diploma, certificate of completion, or achieved a high school equivalency certificate in 2023 or after. Students must demonstrate financial need by completing the Free Application for Federal Student Aid (FAFSA) and having a Student Aid Index (SAI) of $30,000 or less. Students who received the Michigan Achievement Scholarship in Academic Year 2023-24, and have completed a 2024-25 FAFSA, shall be considered meeting the financial need component of the Michigan Achievement Scholarship for Academic Year 2024-25 regardless of their SAI. The scholarship of up to $2750 per academic year can cover remaining tuition and mandatory fees that are not covered by other gift aid. Depending on individual student eligibility, the award may cover other educational expenses.
Non-need-based aid is financial aid that is not based on SAI. The student’s eligibility is determined by COA and the amount of other financial aid awarded.

Example: COA of $11,000 and need-based awards of $4,000 = no more than $7,000 in non-need-based aid.

The following are non-need-based student aid programs:

- **Children of Veterans Tuition Grant (CVTG)** The CVTG is awarded for up to four academic years to students older than 16 and less than 26 years of age who are the natural or adopted child of a Michigan veteran. This award covers tuition and mandatory fees (Registration and Student Support Fees), prorates based on enrollment level and may be adjusted due to other awards. CVTG will not cover any billing hours in excess of credit hours.

- **Federal Direct Unsubsidized Loan** The Federal Direct Unsubsidized are loans made to eligible undergraduate, graduate, and professional students to help cover educational expenses. Determining Eligibility
After completing the Free Application for Federal Student Aid (FAFSA), the student will receive a Student Aid Report. The Financial Aid Office will use the information from this report to determine the types and amounts of financial aid the student may qualify for by using the following formula:

\[
\text{COST OF ATTENDANCE} - \text{STUDENT AID INDEX} = \text{FINANCIAL NEED}
\]
Cost of Attendance

Cost of attendance (COA) is based on the average educational and living expenses for a student attending LCC. It does not represent an individual student's actual costs. The COA includes:

- Tuition and Fees
- Books and Supplies
- Housing and Food
- Transportation
- Personal and Miscellaneous
- Loan Fees
- Professional Licensure (if required for program)

Students may determine or estimate their COA using the following methods:

1. Current financial aid students, login to myLCC, click Banner, select Financial Aid and Financial Aid Record to access the Award Overview tab
2. Prospective students, access the Net Price Calculator or view the below chart for fall and spring semester costs for a full-time student

Student Aid Index

The Student Aid Index (SAI) is an eligibility index number that the financial aid office uses to determine how much federal student aid you would receive. This number results from the information that you provide on your FAFSA® form. This number is not a dollar amount of aid eligibility or what your family is expected to provide. A negative SAI indicates the student has a higher financial need.

The SAI is not the amount of money the family will have to pay for college, nor is it the amount of federal student aid a student will receive. It is a number used by schools to calculate how much financial aid students are eligible to receive.
Professional Judgment
Professional Judgment refers to the discretion that federal regulations give to financial aid administrators to make adjustments, on a case-by-case basis, to certain elements of a student’s FAFSA information or adjust a student’s dependency status. These adjustments are intended to provide a more accurate assessment of the amount of federal aid a student is eligible to receive. There are two types of Professional Judgment:

**SPECIAL CIRCUMSTANCES:**
Refers to financial situations that justify an aid administrator adjusting the student’s data elements in the Cost of Attendance and/or Expected Family Contribution calculation(s) such as:

- **Loss of Income:** Loss of employment; household size changes due to separation, divorce, birth or additional dependents, etc.; high medical expenses; Rollovers of IRA’s; etc.
- **Cost of Attendance:** Study abroad expenses; cooperative education costs; dependent care; disability-related expenses; etc.

**UNUSUAL CIRCUMSTANCES**
Refers to the conditions that justify an aid administrator making an adjustment to dependency status (more commonly referred to as a dependency override), based on a student’s unique situation such as:

- Human trafficking; refugee or asylee status; parental abandonment; homelessness; incarceration; etc.

Students, with an approved dependency override in a prior academic year, will remain independent for each subsequent award year unless LCC has conflicting information about the student’s independence status or the student’s circumstances have changed. If the student’s circumstances have changed, the Financial Aid Office must be notified.

Students will need to complete the [Professional Judgment Request](#) form and will be required to provide supporting documentation. If additional clarification is needed after reviewing the supporting documentation, the student will be notified via their LCC email to access their Banner Self Service account to determine the clarifying documentation that is needed. In some cases, an advising appointment and/or phone conversation may be needed.

**Consortium**
In some cases, students choose to attend two colleges simultaneously. In most cases, a student cannot receive Federal or State financial aid at both institutions simultaneously and consequently, financial aid would be processed by only one of the colleges where the student is enrolled.
In the case where a pre-articulated Consortium Agreement exists between two institutions, the student's combined enrollment will be used to determine aid eligibility. To learn more, please contact the Financial Aid Office at LCC for program specific information.

Courses in Program of Study
The U.S. Department of Education requires students to be enrolled in an eligible program of study to receive financial aid and only courses that apply toward that program of study will be used to determine the amount of financial aid the student will receive. The purpose of this federal requirement is to ensure students are able to obtain their degree or certificate in a timely manner with minimal debt for student loan borrowers and to ensure that federal funds are used only to obtain a degree or certificate. Therefore, if a student registers for a course that does not count toward the declared degree or certificate, the course will not be used to determine the student's financial aid eligibility. To learn more, please refer to the Courses in Program of Study Q&A.

Enrollment Level
Financial aid is offered to students based on enrollment as a full-time student. If a student enrolls less than full-time, certain awards may be prorated. Enrollment level changes could impact the amount of financial aid a student will receive. Adding, dropping, withdrawing, or changing a course to audit status, after the semester begins, are types of enrollment level change that could impact the amount of aid a student receives. Before making an enrollment level change, students should contact their instructor, Success Coach, and the Financial Aid Office to understand all possible consequences of the change.

The chart below defines enrollment level based on the number of credits a student enrolls for:

- **Add** - adding a course to the student schedule.
- **Audited** courses are taken for no grade. Therefore, courses being audited cannot be considered part of a student’s enrollment level for financial aid purposes.
- **Drop** - removing a course from the student schedule where instructor approval is not required. A drop also removes the course from the student’s academic record. Generally, this means that the student will no longer be charged for all or part of the course. A course cancelled by LCC is also considered a dropped course.
- **Non-credit courses** are courses that are not given credit or grade for the hours earned. Therefore, non-credit courses cannot be considered part of a student enrollment level for financial aid purposes.
• **Withdrawal** - removing a course from the student schedule by issuing a grade of W (withdrawal) for the course. The course will be part of the student’s academic record.

### Enrollment Intensity for Federal Pell Grant
Enrollment intensity is the percentage of full-time enrollment at which a student is enrolled, rounded to the nearest whole percent. For example, full-time enrollment is 12 credit hours and the student is enrolled in 7 hours, the enrollment intensity would be $7 \div 12 \times 100\% = 58\%$.

### Falsification of Information
Falsification of information submitted by the student or parents for the purpose of receiving financial assistance may result in cancellation of assistance, require the student to pay back assistance received, and referral to the appropriate federal authorities. If students purposely give false or misleading information, they may be fined $10,000, sent to prison, or both by the federal government.

The Financial Aid Office may be required to verify information provided on the FAFSA by requesting documentation of income or other types of financial assistance. In addition, if the Financial Aid Office has conflicting information or has reason to believe that student information may not be valid, further investigation will occur prior to financial aid being awarded and/or refunded.

### Remedial / Developmental Courses
Remedial/Developmental Courses are defined as courses that are below college level but at least at the secondary (high school) education level. Once students attempt more than 30 remedial/developmental credits, the Financial Aid Office must begin limiting federal financial aid eligibility. Even if financial aid funds were not used for the prior coursework, the Financial Aid Office must limit federal financial aid eligibility. For example, if a student attempted 30
remedial/developmental credits and the following semester register for a total of 12 credits with 4 out of the 12 credits are considered remedial/developmental, the student’s financial aid eligibility will be based on 8 credits (half-time).

Below are courses that LCC considers remedial/developmental:

Revised Courses
Federal regulations limit the number of times a student may repeat a course while receiving financial aid for that course. This limit applies even if the student did not receive financial aid for earlier enrollments in the course. Note: Students must also adhere to the College’s Repeat Policy.

- A student may receive financial aid to repeat a previously passed course (1.0 or higher) one additional time.
- A student may receive financial aid when repeating a previously failed course (0.0F, 0.0U, ZF, or ZU) for as long as it takes the student to pass (1.0 or higher) the course.
- **A student who is taking a course that requires the student to enroll in the course multiple times to meet degree requirements may receive financial aid for these courses.**

Return of Title IV Funds (R2T4)

LCC is a non-attendance taking institution with the exception of programs that have licensure/accreditation requirements for attendance. Federal regulations require schools to perform a Return of Title IV Funds (R2T4) calculation for Title IV grant and/or loan recipients if one of the events in the table below occurs within the student’s payment period. Note: The R2T4 calculation is independent of the institution’s Refund Policy.

</tr>
</tbody>
</table>

Within 30 days of the determination of withdrawal, the R2T4 calculation must be completed to determine the amount of earned and unearned aid based on the student’s withdrawal date*. The institution and/or the student owes the unearned aid to the federal government. LCC will return the institution’s and the student’s unearned aid to the federal government within 45 days of the date of determination of withdrawal, LCC will bill the student for the
uneearned aid, and the student is responsible for repaying LCC. If the student was disbursed less than the revised award, the student may be due a post-withdrawal disbursement. LCC must notify the student in writing of eligibility for a post-withdrawal loan disbursement within thirty days of the determination of withdrawal. LCC must obtain the student’s permission to disburse additional loan funds. The student may choose to decline some or all of the loan funds to avoid incurring additional debt. For grant funds, LCC will use post-withdrawal funds to pay any allowable institutional charges prior to refunding the remaining funds to the student.

Unearned aid will be returned within 45 days of the date of determination of withdrawal in the following order:

- Federal Direct Unsubsidized Loans
- Federal Direct Subsidized Loans
- Federal Direct PLUS Loans
- Federal Pell Grants
- Federal Iraq and Afghanistan Service Grant
- Federal SEOG

*Withdrawal Date

- Official Withdrawal
  - When a student withdraws from all courses or withdraws/drops from a course and the student’s remaining courses have not yet begun.
  - When an instructor in a program with licensure/accreditation requirements for taking attendance withdraws/drops a student from a course. This action must occur within 14 days of the student’s last date of participation in an Academic Engagement*. The official withdrawal date used in the R2T4 calculation is the student’s last date of participation in an Academic Engagement*.

- Unofficial Withdrawal
  - When a student does not earn credit in at least one course and all failed courses were graded as unfinished. The instructor reports the last date of participation in an Academic Engagement* with the grade, which is the unofficial withdrawal date.
  - The unofficial withdrawal date used in the R2T4 calculation is the student’s last date of participation in an Academic Engagement*.
**Calculating Earned Title IV Aid**

To determine the total aid earned, LCC must divide the number of days the student attended during the semester by the total number of days the student was scheduled to attend for courses that were used to determine the student’s financial aid. This percentage is multiplied by the total Title IV financial aid the student is awarded for the semester (disbursed and to be disbursed).

For example:
- Student attended 64 days.
- Student’s schedule is 118 days in length.
- Student was awarded (disbursed and to be disbursed) Title IV aid of $5000 for the semester.

- The percentage of total aid earned = 54.2% (64 days attended / 118 days)
- The earned Title IV financial aid = $2710 (54.2% of total aid earned x $5000 awarded)

*Definition of Academic Engagement*

Academic engagement is defined as active participation by a student in an instructional activity related to the student’s course of study that includes, but is not limited to:
- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:
- Logging into an online class or tutorial without any further participation; or
- Participating in academic counseling or advisement.
- Comply with the provisions of any promissory note and all other agreements the student signs.
- Register for the number of credits required and maintain Satisfactory Academic Progress.
- Go to the StarZone on the second floor of the Gannon Building for personal assistance if the student has questions or does not understand the information provided.
- Budget and manage financial aid funds. Learn more at Money Basics.
Student Academic Progress (SAP)

Federal regulations require the Financial Aid Office at LCC to monitor the progress (both qualitatively and quantitatively) of all students toward the completion of a degree through Satisfactory Academic Progress (SAP). SAP is separate from LCC's Academic Standing. In order to receive federal funds, a student must meet SAP. If required, SAP also applies to state, institutional, and private funding.

To determine eligibility each semester, the Financial Aid Office will monitor and evaluate students' academic progress, regardless of whether aid was received. SAP is evaluated at the end of fall, spring, and summer semesters for all students who had academic history updates during the semester being evaluated. The evaluation will include all attempted credits, including earned credits (4.0-1.0 and Pass), failed credits (0.0F, 0.0U, ZF, and ZU), transfer credits, withdrawals, incompletes, audits, remedial, and repeated courses. Remedial coursework will be included in the determination of the GPA, completion ratio, and maximum timeframe. Repeated coursework will only include the highest grade earned in the GPA, but all attempts will be counted in the completion ratio with only one successful attempt counted as earned. All attempts will be used in the determination of maximum timeframe. Incomplete coursework will have no effect on the GPA; however, incompletes are counted as unearned in the determination of the completion ratio and maximum timeframe. Students who change majors or are pursuing a second degree will have SAP evaluated on all attempted credits, not just those applicable to their new major or second degree. Students will be notified of their SAP status via email and Banner Self Service after each evaluation period.

Note: SAP may be re-evaluated for students who have a Reinstated SAP status at any point of the semester if one of the following has occurred:
- Grade Change, expect for Incompletes
- Change of Program occurs

SAP Standards

Student must meet all the following SAP standards to remain eligible for financial aid:

- Maintain a minimum cumulative GPA of a 2.0 in all credits attempted at LCC.
- Maintain a minimum cumulative completion ratio of 70% of all credits attempted.
- The total number of credits a student attempts cannot exceed 150% of the maximum credits required for the student’s program of study.
Note: The table below represents a student pursuing a general associate degree requiring 63 credits. In order for the student to successfully complete their program within 150% of the credit hours required and maintain a cumulative completion ratio of 70%, the student must earn the following minimum credits.

**SAP Statuses**

**Good:**
- Students who meet SAP are in Good status.

**Warning:**
- *New Students*: Students who have completed at least one course with a minimum 1.0 grade and do not meet SAP after the first semester of attendance.
- *Continuing Students*: Students in Good status who fail to meet SAP but completed at least one course with a minimum of 1.0 grade in the most recent semester of attendance and have not attempted more than 150% of the credit hours required for the program.

To receive financial aid, students in Financial Aid Warning status must electronically submit a Warning Contract. Warning status will only be effective for one semester. If the student does not meet SAP by the end of the warning semester, the student will be Suspended and ineligible for financial aid.

**Suspended:**
- Students in Good status who fail to meet SAP and did not earn a minimum 1.0 grade in the most recent semester of attendance or have attempted more than 150% of the credit hours required for the program.
- Students who do not meet SAP by the end of the warning period.
- Students who did not meet the terms of an approved appeal.

Students in Financial Aid Suspended status are denied financial aid until SAP is met or the Financial Aid Office approves an appeal.

**Reinstated:**
- Students who calculate to Suspended but have an approved appeal and taking courses that count towards their program of study.
Students in Financial Aid Reinstated status are approved for financial aid as long as the student completes each semester with a minimum semester GPA of 2.0, completes 100% of all credits attempted and is taking courses that count toward the program of study on record.

To view LCC’s Academic Standing process, click here.

**Regaining Eligibility**

- Students may regain financial aid eligibility by taking courses at their own expense or by using other funding sources until they meet the minimum GPA and Completion Ratio requirements; however, students who exceed 150% of the credit hours required for the program may only regain eligibility through an SAP Appeal.
- Students who are suspended and have extenuating circumstances may submit a SAP Appeal. Submission of an appeal does not guarantee reinstatement of financial aid eligibility. Examples of extenuating circumstances are:
  - Death of an immediate family member
  - Documented hospitalization or illness
  - Major accident or illness of student or family member
  - Being victim of a crime or unexpected disaster
  - Change of major
  - Pursuit of second degree

- The SAP Appeal is available online at the [Financial Aid Forms & Other Requirements Forms](#) webpage. Students may submit an appeal throughout the semester using their secure sign-in. Students will be notified of the appeal decision within three weeks of submission. Students may request a paper version of this form by contacting the Financial Aid Office
- Students with a denied appeal may continue to attend but must pay all tuition and fees.

Academic Alert
At times you may hear from your Academic Success Coach (ASC) in response to an alert (formerly known as an Early Alert) received from one of your instructors. This does not mean you are in trouble! It just means that your instructor recognizes that you may benefit from some additional support and we want to provide that. Sometimes instructors send alerts when students are not passing a class, not turning in work, or if they have shared that they are struggling.

ASCs partner with faculty because they want you to have a great experience and get all the resources you need to be successful. If your ASC or instructor reaches out about a specific class or concern, please respond! They want to work with you to identify anything that could help you succeed. Likewise, at times your instructor may recognize you may need some additional help with the content of a particular class or that you may need a resource from the Learning Commons. That may prompt a communication from tutoring and again, this simply means there are resources and support at the college to help you along the way.
For more information, view the Academic Alerts webpage.

Academic Standing
Only coursework completed at LCC is considered for determination of Academic Standing. The Academic Standing is determined at the end of each semester (Fall, Spring, Summer).

At LCC, students must maintain at least a 2.00 cumulative Grade Point Average (GPA) to remain in good academic standing.

- Students in Good Standing may enroll in up to 28 credits per semester.

Students with a cumulative GPA of a 3.5 or higher will be recognized by the College via the Dean’s List and the President’s List.

- Dean’s List: GPA of 3.50 to 3.80 and completion of at least 6 credits for the calculated term.
  - Students with “I” (Incomplete) or “W” (Withdrawal) grades for the calculated term are not eligible for this list.
  - Calculations are based on LCC courses only (no transfer credits).
- President’s List: GPA of 3.81 or above and completion of at least 6 credits for the calculated term.
  - Students with “I” (Incomplete) or “W” (Withdrawal) grades for the calculated term are not eligible for this list.
  - Calculations are based on LCC courses only (no transfer credits).
Students whose cumulative GPA falls below 2.0 will be placed on Probation 1, Probation 2, or Probation 3 standing, which indicate unsatisfactory academic progress. While on a Probationary standing, the student may have limits on registration for courses. In addition, students on a Probationary standing may be required to meet with an Academic Success Coach and sign a Success Contract prior to registering. Students can return to Good Standing by earning a cumulative GPA of 2.0 or higher.

- **Probation 1:** Generally, the first semester with a Cumulative GPA below 2.0
  - Registration is limited to enrolling in no more than 12 credits per semester.
  - If the student has already registered for more than 12 credits prior to the processing of Academic Standing, the Registrar’s Office will drop the last registered course(s) that brought the students over the credit limit.
  - Students are encouraged to meet with an Academic Advisor and Academic Success Coach.

- **Probation 2:** Generally, the second continuous semester with a Cumulative GPA below 2.0
  - Registration is limited to enrolling in no more than 8 credits per semester.
  - If the student has already registered for more than 8 credits prior to the processing of Academic Standing, the Registrar’s Office will drop the last registered course(s) that brought the student over the credit limit.
  - Students are encouraged to meet with an Academic Success Coach, complete an Academic Success Self-Assessment, and share the Academic Success Self-Assessment with the Success Coach.

- **Probation 3:** Generally, the third continuous semester with a Cumulative GPA below 2.0
  - Registration is limited to enrolling no more than 4 credits per semester.
  - If the student has already registered for more than 4 credits prior to the processing of Academic Standing, the Registrar’s Office will drop the last registered course(s) that brought the student over the credit limit.
  - Students are required to meet with an Academic Success Coach, complete an Academic Success Self-Assessment and share the Academic Success Self-Assessment with their Success Coach.
  - Students also are encouraged to meet with an Academic Advisor.

Accommodations for Students with Documented Disabilities

In compliance with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, LCC does not discriminate against qualified students with disabilities.

Students with disabilities may contact the Center for Student Access to determine reasonable accommodations that can be granted.
Students should contact the ADA/504 Coordinator at the Center for Student Access:

**Center for Student Access**
Gannon Building - StarZone
(517) 483-1924
[Email](lcc-accessibility@lcc.edu)

**Admission to the College**
LCC is an open-admission community college. Certain programs, however, require a separate selective admissions application. The selective admissions application is in addition to the regular admissions application for the College.

**Selective Admissions**
Admission to selective admission programs is on a competitive basis, and these programs have program admission requirements beyond those required for admission to the College. Admission to LCC does not guarantee admission to a selective admission program.

Students wishing to apply for admission to a selective admission program should visit the [Selective Admissions Programs webpage](#) or contact the Selective Admissions office at 517-483-1182 or [email](#).

There is a $20 non-refundable application fee to a selective admission program with exception for Neurodiagnostic Technology and Radiologic Technology/MRI (no application fee).

**International Admissions**

*F, J, M Visa Holders*
International students are students admitted to the United States on an F, J, or M visa to study at LCC as well as international students interested in transferring to LCC from another US institution and international students applying to the [English for Speakers of Other Languages Program at LCC](#).

- **F Student Visa**: for study at an accredited U.S. college or university or to study English at an English language institute
- **J Exchange Visa**: for participation in an exchange program, including high school and university study
- **M Student Visa**: for non-academic or vocational study or training in the United States

Additional information can be found on the [M1 and F1 Admissions](#) webpage.
Other Visa not F-1/M-1
For individuals who wish to study at LCC while holding a non-resident status other than M-1 or F-1, additional information can be found on the Other Visa not F-1/M-1 webpage.

International Guest Student
For individuals with an F-1 or M-1 visa who currently attend another US college/university and intend to take a small number of classes at LCC (less than full-time enrollment), additional information can be found on the International Guest Students webpage.

For questions regarding any International Admissions, please view the International Admissions Forms and FAQ webpage, contact the StarZone at 517-483-1200 option 2 (toll-free 800-644-4522).

“00A,” “0.0FA,” “0.0UA,” “FA,” “I,” “NR,” “NS,” “P,” “TR,” “TRL,” “TRP,” “W,” “X,” “ZF,” and “ZU” grades are not included in calculating grade point averages.

For example, a student who receives five credit hours of 4.0, five credit hours of 3.0 and five credit hours of 2.0 would have a total of 45 GPA points. To compute the grade point average (GPA), the number of GPA points is divided by GPA hours (credits) taken during the semester. The student in this example would have a 3.0 GPA (45 GPA points/15 credits).
Enrollment Verification and Student Attendance

LCC is not an attendance-taking institution with the exception of Eaton Regional Educational Service Agency (ERESA), Clinton County Regional Education Service Agency (CCRESA), and programs that have licensure and/or accreditation requirements for attendance.

During the first 2 weeks of each part of term, or by the 8th day of variable terms less than 8 weeks, faculty are required to determine if the student has actively engaged in an instructional activity related to the student’s course. Faculty must notify the Registrar’s Office of any student who has not actively engaged in an instructional activity as noted above.

Academic engagement is defined as active participation by a student in an instructional activity related to the student’s course that includes, but is not limited to:

- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:

- Logging into an online class or tutorial without any further engagement; or
- Participating in academic counseling or advising.

For licensure/accreditation requirements:

- For programs which require attendance due to 3rd-party accreditation, faculty responsible for those courses will take attendance in accordance with the accreditor’s requirements.

If a student is dropped from a course through Enrollment Verification, they will receive a 100% refund of tuition and refundable fees. However, the Financial Aid Office will recalculate the student’s financial aid eligibility and adjust awards as necessary for any change in enrollment status for the semester. For more information, students should contact the Financial Aid Office; Students who receive veteran benefits should contact the Veteran Services Office.
After the first 2 weeks of the part of term, or by the 8th day of variable terms less than 8 weeks, if the faculty identifies a student as having not engaged in the course, the faculty must complete Enrollment Verification in the student information system (Banner) indicating that the student never engaged in an instructional activity.

Initial attendance and participation records are retained in the instructor’s grade book and/or in the D2L system and Banner system according to the Academic Records Policy (Board Policy 3.030). Additional information can be obtained by viewing the Standard Operating Procedure, Enrollment Verification and Student Attendance, RO.026.

**Extra Credit**

Extra credit is defined as any opportunity for a student to raise a course grade that is not included in the percentages stated in the Methods of Evaluating Student Achievement/Progress in the section syllabus. Each department will determine for each of their courses and state in the course’s syllabus whether or not extra credit may be offered.

In courses where extra credit may be offered:
- Individual instructors will determine whether or not there will be extra credit opportunities in their sections.
- Instructors’ extra credit guidelines will be stated in their section syllabi.

In sections where there are extra credit opportunities:
- They must involve student work that is directly related to the Student Learning Outcomes of the course.
- They may be used to raise a student’s final grade a maximum of 0.5 on LCC’s 4.0 scale.
- All students in a section must have the possibility of earning extra credit; however, instructors may set eligibility criteria such as completion of all homework assignments or tests. These eligibility criteria may not be connected to a student’s cumulative course grade and must be provided to students far enough in advance for all students to have the opportunity to satisfy the criteria.
- Detailed information, including any eligibility criteria, must be distributed in advance of each opportunity.
General Education Requirements
LCC is committed to helping its graduates gain four valuable Essential Learning Outcomes: knowledge of human cultures and the physical and natural world, intellectual and practical skills, personal and social responsibility, and integrated and applied learning. With these strengths, our graduates will be better able to develop the life skills necessary for them to enrich and support themselves, their families, and their communities as engaged global citizens.

All associate degrees therefore incorporate LCC General Education requirements fostering the capabilities and the flexibility that employers look for, and that citizens of the twenty-first century need. Depending on their chosen degrees, students will successfully complete the options in the appropriate Transfer Degrees (MTA) tab or Applied Degrees tab of LCC General Education.

Appropriate transfer credit from other colleges and universities, along with credit from Advanced Placement (AP), College-Level Examination Program (CLEP), DANTES Subject Standardized Test (DSST), International Baccalaureate (IB), credit by examination, and credit for experiential learning is applicable toward LCC General Education requirements for all degrees, including degrees that otherwise would require completion of the full MTA. However, due to statewide rules, areas of prior learning such as CLEP, DSST, IB, credit by examination, and credit for experiential learning are not applicable to the MTA endorsement at this time.

General Rules and Guidelines
LCC is an institution of educational excellence. Members of the LCC community strive to create an environment that contributes to academic success and personal growth. All members of LCC’s community are responsible for creating and respecting conditions both in the classroom and on campus that encourage teaching and learning in a positive atmosphere.

Grades
Grades are available on the web to students approximately 5 business days after the close of each semester. Students who have an overdue balance to the College will not have access to their grades until July 1, 2024.

Grade Changes
Students may petition an instructor for a grade change of a final grade in a course. A student’s final grade in a course may be changed by the course instructor. Grade changes by instructors are initiated by submitting a signed Grade Change Form to the departmental office for review and approval by the departmental chair or lead faculty member. The completed
Grade Change Form is then forwarded by the appropriate academic area to the Registrar’s Office for updating the student's academic record.

If a grade change is unresolved, the student should review the final grade appeal process.

Granting Additional Associate Degrees

Any student who has earned an associate degree from LCC or any other accredited community college may be awarded additional degrees providing that they meet the following institutional graduation requirements:

- Complete a program of study approved by the College and consisting of a minimum of 60 semester credits with no more than 10 percent of these credits acquired on the pass/fail (P/Z) grading system. (See Degree and Certificate Program Pathways webpage for more information.)
- Maintain a cumulative grade point average of 2.0 or above.
- Earn toward the program of study at least 15 semester credits directly from LCC (except for approved consortial programs taught primary by partner schools).
- Satisfy all general and specific requirements of LCC.
- LCC’S General Education – Applied Degrees requirements are satisfied by virtue of the student earning the first associate degree.
- LCC’s General Education requirements are waived by the acceptance of the completed Michigan Transfer Agreement from an accredited community college or university, regardless of whether an associate degree or higher has been completed.
- No additional degree will be granted in the same program of study in which a previous degree was earned.
- The following CANNOT be used for degree requirements:
  - Courses numbered below 100.
  - Courses in Mathematics or Statistics that are not listed on the LCC General Education Requirements webpage.
  - Courses in English or Writing numbered below 118.
  - Courses in English as a Second Language.
  - Courses in Reading.
  - Courses in non-technical Vocabulary.
  - Courses in Academic Experience numbered other than 100 or 101.
  - Courses in Student Development numbered other than 101.
- Submit an application for graduation to the Registrar’s Office the semester the program requirements are completed, on or before the deadline.

Note: Students may not follow program pathways which are expired or whose catalog year predates their first semester of enrollment as shown on their LCC transcript.
Granting an Associate Degree When the Student has an Earned Bachelor's Degree or Higher Degree

A student who has earned a bachelor's degree or higher degree from an accredited college or university may be awarded an associate degree at LCC subject to the following requirements:

1. All requirements for the associate degree must be met.

2. The LCC cumulative grade point average must be a 2.0 or above.

3. A minimum of 15 semester credits toward the program of study must be completed directly from LCC (except for approved consortial programs taught primarily by partner schools).

4. The College's General Education requirements are satisfied by virtue of the student earning the bachelor's degree or higher degree.

5. The following CANNOT be used for degree requirements:
   a) courses numbered below 100
   b) courses in Mathematics or Statistics that are not listed on the Transfer Degrees (MTA) tab or Applied Degrees tab of LCC General Education.
   c) courses in English or Writing numbered below 118
   d) courses in English as a Second Language
   e) courses in Reading
   f) courses in non-technical Vocabulary
   g) courses in Academic Experience numbered other than 100 or 101
   h) courses in Student Development numbered other than 101

6. Exceptions to the above should be appealed to the Academic Affairs Office.

Note: Students may not follow program pathways which are expired or whose catalog year predates their first semester of enrollment as shown on their LCC transcript.
Granting Exceptions to the Institutional General Education Requirements for Associate Degrees

General Education exceptions may be granted when courses outside the approved list satisfy the specific General Education requirement(s), for example, appropriate LCC term/quarter courses without an exact LCC course equivalent, etc. A student who wishes to formally appeal a determination that the General Education requirement for an Associate degree has not been met should appeal to Academic Affairs. Academic Affairs will apply the following parameters in making a determination on whether an exception to current policy is warranted:

1. A College error does not automatically warrant a waiver of a published graduation requirement.
2. The College does not waive a General Education requirement, though a substitution might be appropriate.

The Academic Affairs Office will inform the student and the Registrar’s Office in writing of either the approval or denial of the exception.

The final decision for granting exceptions to the institutional General Education requirements rests with the Academic Affairs Office.

High School Dual Enrollment & Home School Program Criteria
Dual Enrollment provides an opportunity for qualified high school students to earn college credit while working toward their high school diploma. High school credit may or may not be granted according to the discretion of the participating student's high school. Dual enrollment affords students educational advancement in specific areas where unusual ability and interest are displayed, especially in courses and academic areas not available in the student’s high school.

Note: Some colleges/universities will not accept college credit for college courses used to meet high school graduation requirements.

High School Programming
LCC offers high school-based programs, which include High School Credit by Exam, High School Advantage, Career and Technical Education (ERESA and CCRESA), as well as HOPE and Promise Scholarships. For more information, call 517-483-9707.

How Students Can Satisfy LCC General Education Requirements
For more information, see the Transfer Degrees (MTA) tab or Applied Degrees tab of LCC General Education.

All students must fulfill LCC General Education requirements in order to be awarded an associate degree. The ways in which students can satisfy these requirements are presented below. Because these requirements may be revised each academic year, students should consult an Academic Advisor to stay informed of current options for satisfying General Education requirements. Students should also be aware that not all courses that satisfy General Education – Applied Degrees requirements transfer to all colleges. Students planning to transfer should see an Academic Advisor before enrolling in any course.

For degrees requiring General Education – Applied Degrees, students can satisfy the requirements in any of the following ways:

1. Achieve grades of 2.0 or higher in approved General Education – Applied Degrees courses. (See the General Education webpage for the full list of options.)
2. Achieve a grade of 2.0 or higher on a Comprehensive Examination, where appropriate and available, for an approved course in a General Education area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the $150 processing fee, and may receive transfer credit on their LCC transcript. See Credit by Examination procedure under the Incoming Transfer Credits header.)

3. Achieve a grade of 2.0 level or higher on a Core Area Proficiency Examination, where appropriate and available. Each exam is specific to a single General Education area or, for Mathematics, to a particular course, and is administered for a $50 fee in the Course Testing Center (GB 2228). Core Area Proficiency Examinations may only be taken once to satisfy a specific General Education area. (See General Education Requirements webpage for more information.)

4. Present evidence of completed Michigan Transfer Agreement from an accredited Michigan college or university.

5. Present evidence of an earned associate degree or higher degree from an accredited college or university.

6. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless the learning outcomes are aligned to the appropriate General Education outcomes and use of the general credit is approved by the Provost or designee.

7. Establish appropriate course credit through the Advanced Placement Examination (AP), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), and/or others as recognized by LCC.

8. Establish credit for an approved course through the Experiential Learning Process. (See Credit for Experiential Learning.)

For degrees requiring the Michigan Transfer Agreement (MTA), students can satisfy the requirements in any of the following ways:

1. Achieve grades of 2.0 or higher in approved MTA courses. (See the General Education webpage, specifically the MTA tab, for a full list of courses.)

2. Achieve a grade of 2.0 or higher on a Comprehensive Examination, where appropriate and available, for an approved course in an MTA area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the $150 processing fee, and may receive transfer credit on their LCC transcript. See Credit by Examination procedure.)

3. Present evidence of completed Michigan Transfer Agreement from an accredited Michigan college or university.

4. Present evidence of an earned bachelor’s degree or higher degree from an accredited college or university.

5. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless approved by the Provost.
6. Establish appropriate course credit through the Advanced Placement Examination (AP), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), credit by examination, or credit for experiential learning.

   a. Non-AP areas of prior learning – for example, College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), credit by examination, and credit for experiential learning – may satisfy LCC General Education requirements but are not applicable to the MTA at this time.

The following do NOT satisfy General Education requirements:
- LCC placement test scores
- A waiver of any course that is also a General Education course
- Completion of higher-level courses that are not approved General Education courses.

How to Apply for an Associate Degree, Certificate of Achievement, or Certificate of Completion

Prior to submitting an application for an Associate Degree, Certificate of Achievement, or Certificate of Completion, students should consult with an advisor to review progress toward completing requirements. Any substitutions or waivers for program requirements must be approved on an authorized form signed by the department offering the program. Substitutions and waivers are not allowed for institutional degree and certificate requirements. (See Institutional Requirements for Associate Degrees procedure and Institutional Requirements for Certificates of Achievement and Certificates of Completion procedure under the Graduation Requirements, Certificates & Degrees header.) Students apply by the deadline the semester they complete the program requirements. Information and the applications are located online at the Graduation webpage.

Procedures are as follows:

1. Complete and submit an Application for Associate Degree, Certificate of Achievement, or Certificate of Completion to the Registrar’s Office. These applications are available on the Graduation webpage. If substitutions and/or waivers have been approved and are not indicated in Degree Works, a Course Substitution and Waiver Authorization form must be attached to the application when submitted or the application will be denied.

   a. Note: Students may not follow program pathways which are expired or whose catalog year predates their first semester of enrollment as shown on their LCC transcript. The requirements must be met by the semester the program pathway expires.
2. Once the audit for the associate degree or certificate has been completed, the Registrar’s Office will send a notification via LCC email indicating whether the associate degree or certificate has been approved or denied.

3. Once awarded, the LCC transcript will show the degree or certificate earned.

4. Diplomas and certificates are mailed to students during the semester after degrees and certificates have been awarded.

Certificates of Achievement and Certificates of Completion are a designated course or groups of designated courses. To receive a Certificate of Achievement or Certificate of Completion from LCC, a student must meet the following institutional graduation requirements:

1. Complete a program of study approved by the College and consisting of a minimum of 30 semester credits for a Certificate of Achievement and fewer than 30 semester credits for a Certificate of Completion with no more than 10 percent of these credits acquired on the pass/fail (P-Z) grading system. (See Degree and Certificate Program Pathways webpage).

8. Submit an application for graduation to the Registrar’s Office the semester the program requirements are completed, on or before the deadline.

Note: Students may not follow program pathways which are expired or whose catalog year predates their first semester of enrollment as shown on their LCC transcript.
Incoming Transfer Student Information

Evaluation and Acceptance of Transfer Credits from Other Institutions

LCC welcomes students who have already successfully completed college-level course work. Accordingly, the college will allow for the transfer and acceptance of credit from other accredited institutions of higher education.

Incoming Transfer Credits

The information below describes alternative, or accelerated degree completion options to obtain credit toward a degree or certificate, including transfer credit, credit for licensure/certification, credit for prior learning, and credits earned during military service. For general rules, view the Evaluation and Acceptance of Transfer Credits, RO.004, Standard Operating Procedure, which is associated with the LCC Board Policy 3.100.

Credit for Licensure and Certifications
LCC recognizes that current licensure or certification represents earned credentials for which credit may be granted. Therefore, the college assesses national and state licensures and certifications as part of its credentialing function. Any student who has applied to LCC may apply for licensure or certification credit evaluation. Please visit the Licensure and Certification webpage for the list of accepted equivalencies.

Credits Earned in the U.S. Armed Forces
LCC will evaluate the student’s military training and coursework for possible award of transfer credit after the student has been admitted to the College and the official Joint Services Transcript has been received.

Credit Earned at Foreign Educational Institution
Current students requesting credit for credits earned at foreign institutions will need to submit their international transcripts to a National Association of Credential Evaluation Services (NACES) member for evaluation before having it sent to LCC.

Credit Earned by Examination
To allow students who may have previous knowledge or experience to prove competency when appropriate and gain credit by comprehensive or other applicable exams.

Credit for Experiential Learning
LCC is in agreement that learning outside the classroom is valid. Therefore, it is the College’s function to assess extra-institutional learning and experience as part of its credentialing responsibility.

Current students requesting credit for previously acquired knowledge and learning experience will need to complete an Experiential Learning Application. For more information, go to the Credit for Prior Learning webpage.

Credits Earned from National Normed Exams
LCC recognizes students may have previous knowledge or experience as measured by
Nationally Normed Exams. Students may receive credit for LCC coursework completed if minimum score requirements are met. Credits can be granted from the following National Normed Exams: Advanced Placement Examination (AP), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), and International Baccalaureate Program (IB).

**General Credits**

Due to curricular, financial aid, and Veteran’s implications, LCC will not automatically award General Credits (non-equivalent 000) during the initial evaluation of incoming transcripts. All General Credit 000 equivalencies will be removed from the College webpage.

Requests for awarding general credits are allowable only for the following purposes:

- General Associate degree elective(s) which can be requested by a general academic advisor, a program advisor, or Academic Affairs Project Manager (AAPM).
- Specific program requirement(s) which can only be requested by a program advisor or AAPM.
- General education requirement(s) which can only be requested by AAPM.

In addition, please note the following provisos:

- With the exception of Prior Learning Assessments (PLA), general credits must be from a regionally accredited institution and must be college-level (non-developmental).
- Only general credits can used for program substitutions for a maximum of 12 credits unless approved by Academic Affairs or if the credits are being applied to programs that allow more than 12 general credits, such as General Associate GA, Agricultural Technology AAS, Veterinary Technology AAS, Nursing – RN Option AAS, etc.

The requirement(s) the general credits are intended to satisfy.

- For programs other than the General Associate degree, a substitution form also will be needed per Standard Operating Procedure “Program-Level Course Substitutions and Waivers-RO.007” located on the LCC Board Policies webpage next to BP 3.090.

**Outgoing Transfer Students**

Students planning to transfer to another institution should be aware that universities and colleges differ widely in the courses they accept for transfer. A student intending to transfer should follow the transfer guide of the institution to which they intend to enroll. Transfer guides are not LCC degree guides. In order to achieve maximum transferability of courses, students should consult with an academic advisor. Visit the Transfer Opportunities webpage for more information about transfer programs. For additional transfer opportunities, view the Transfer Center (formerly known as the University Center) webpage.
Student Bereavement Resources

LCC recognizes that students may experience the loss of a loved one while taking classes. If you have lost someone while actively enrolled in courses, you should consider the following:

- Reach out to your instructor(s) using their preferred method of contact to notify them if you need to miss class or coursework for bereavement purposes, such as attending a funeral, wake, memorial service, bereavement counseling, or other bereavement-related event(s). Contact information for your instructor(s) can be found on your course syllabus.
- If requested by your instructor(s), please be prepared to provide documentation of your loss (e.g., an obituary or funeral program).
- Work with your instructor(s) to determine if you are able to make up any missed coursework. Faculty are encouraged to be sensitive to a student’s grief. However, it is at the discretion of your instructor(s) to allow you to make up any missed coursework.
- Contact your Academic Success Coach if you need assistance with reaching out to your instructors, making a plan to catch up in your course(s), withdrawing from courses, or connecting to on- or off-campus resources to assist you during this time.
- LCC offers free and confidential emotional support counseling by appointment. LCC Counselors are state-licensed, professional counselors who can help you with managing your loss.

For questions, please contact the Registrar’s Office at 517-483-1200, option 2.

Using a Course More Than Once for Credit toward a Degree or Certificate

In order to ensure that graduates from LCC are academically well rounded, students will not be allowed to use the same course more than once for credit toward a degree or certificate unless specifically required or permitted to do so by the program pathway they are following. Under no circumstances will a student be allowed to use the same course more than once for credit toward the General Associate Degree.
Veteran’s Affairs Education Benefit

For students who utilize VA Education Benefits, LCC will maintain records pertaining to student enrollments and VA certifications for a period of at least three (3) years, per State Approving Agency and Dept. of Veteran Affairs policy. Questions pertaining to LCC student VA Education Benefit records should be directed to the LCC Center for Veteran and Family Support.
Student Appeals and Complaints

LCC is committed to student success. Whenever contested issues cannot be resolved through an interactive process with faculty or administration, students are encouraged to submit complaints and concerns they may have to LCC Student Appeals & Complaints.

- The College will promptly review and evaluate complaints and take appropriate actions.
- A complaint is any concern that LCC has violated a law or policy or has incorrectly applied an established process.
- Complaints or appeals may be academic or non-academic.

Before submitting a complaint or appeal, students are encouraged to do the following if applicable:

1. First attempt to resolve matters with the instructor or staff person involved.
2. If not resolved, contact the supervisor of the instructor or staff member involved to seek a resolution.
3. If the issue remains unresolved, submit a Student Complaint form.

Students that have questions or need assistance with this process should contact the LCC Ombudsperson.

Academic Amnesty

LCC has an Academic Amnesty policy to authorize the elimination of a grade or grades of 0.0, 0.0F, or 0.0U in calculating a student’s grade point average (GPA). Academic Amnesty recognizes that factors or reasons may result in a student not achieving satisfactory academic performance and that such performance may be a barrier to the student’s eligibility to enter some occupational fields or achieve academic progress. This process applies to qualified students who receive one or more 0.0, 0.0F, or 0.0U grades, resulting in a low GPA possibly blocking their entrance into programs or fields of study. For additional information, please see Academic Amnesty process.
Administrative Appeals
To provide students who experience an emergency situation, unexpected event, or administrative error an avenue to submit an administrative appeal to request an amendment to their academic record that is appropriate to the student’s circumstantial need(s). For more information, view the LCC Student Appeals and Complaints webpage.

In the event a class is canceled as a result of College administrative action, students enrolled in that class will receive 100% tuition and fee refund.
