Message from the Provost

Welcome to Lansing Community College! On behalf of our faculty and staff, congratulations on taking the next step in your education.

As an LCC Star, you have access to all our top-ranked programs. Choose from cutting-edge technical fields like robotics and automation or cybersecurity and programming, or take a look at our in-demand health care degrees like nursing, emergency medical services and dental hygiene. You can also build your foundation in math, English, history, sociology and more, in preparation for transfer to a four-year university. Whatever you choose, you can be confident your education will prepare you for your next step.

You have picked a particularly excellent time to attend a community college in Michigan, with several state-funded programs providing free or reduced tuition for students. LCC also offers a multitude of scholarships and grants, helping to put college within your budget. Visit the Financial Aid webpage (lcc.edu/financial-aid) to learn more about options for funding your education.

Beyond financial resources, I want to make sure you know about LCC's supportive resources. Of course, you can expect to learn from world-class instructors on the latest equipment and technology. But we also offer a wealth of services to ensure you have what you need to succeed – tutoring, academic advising, career advising, mental health counseling, veterans' resources, laptops for checkout, clubs and events – all of it free to students. Plus, every student is assigned an Academic Success Coach, your personal mentor to make sure you are on track and thriving at LCC.

I hope this catalog is a useful guide as you get started at LCC. If you ever need help or have a question, please reach out to our StarZone at 517-483-1200 or lcc-starzone@star.lcc.edu.

Go Stars!

Sincerely,
Sally Welch
Provost

A History of LCC

Lansing Community College is one of the largest community colleges in Michigan, serving more than 13,000 students each year. It offers a multitude of associate degrees and certificate programs in addition to career and workforce development and personal enrichment options. The college was founded in 1957 and has since grown from its flagship campus in downtown Lansing to include locations in Delta Township, East Lansing, and Mason. LCC is consistently

named one of Michigan's best community colleges, and students enjoy unsurpassed instruction, beautiful facilities, cutting-edge technology and comprehensive support services to help them succeed.

Accreditation

Lansing Community College is accredited by the Higher Learning Commission (HLC), a regional accreditation agency that accredits degree-granting institutions of higher education located in the 19-state North Central region of the United States. Regional accreditation validates the quality of an institution as a whole and evaluates multiple aspects of an institution, including its academic offerings, governance and administration, mission, finances, and resources. Institutions that the HLC accredits are evaluated against the Commission's Criteria for Accreditation, a set of standards that must be met in order for the institution to receive and/or maintain accredited status. The HLC's Criteria for Accreditation reflect a set of guiding values. Accreditation is largely a peer-based review and evaluation process. HLC decision-making bodies are comprised of institutional representation from colleges and universities accredited by the Commission; public members are also sometimes involved.

Board of Trustees

LCC is governed by a Board of Trustees, consisting of seven members, elected at large in the community college district on a nonpartisan basis. Members are elected to serve 6-year terms.

Board Policies

Students are responsible for adhering to all applicable Board Policies. To view Board Policies, go to the Board of Trustees' Policies webpage.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA): FERPA is a federal law that sets forth requirements regarding the privacy of student education records. FERPA governs the release of and access to education records that are maintained by an educational institution.

LCC is prohibited from sharing student education records with parents, spouse, guardians, or any other third party without a release (consent) on file. Students may submit a Release of Information (FERPA) request form directly to the Registrar's Office in order to authorize the College to share education records with named designee(s). This form can also be used to cancel, add, remove, or change the designee(s) on the release. Paper copies are available by visiting the StarZone or by accessing the Registrar's Office public shared drive.

When a student turns 18 years old, or enters a postsecondary institution at any age, the rights under FERPA transfer from the parents to the student. The FERPA statute is found at 20 U.S.C § 1232g, and the FERPA regulations are found at 34 CFR Part 99 on the U.S. Department of Education FERPA webpage.

LCC's Registrar's Office communicates students' rights under FERPA with all registered students through their LCC student email every semester.

Directory Information: Directory information is information contained in the education records of a student that would not generally be considered harmful or an invasion of privacy if disclosed.

LCC defines directory information as the following:

- Name of student
- Dates of attendance
- Enrollment status
- Awards, degrees, or certificates received

- Participation in officially recognized activities
- Sport, weight, and height of members of an athletic team
- Previous educational agency or institution attended
- LCC email address

Under the provisions of the FERPA of 1974, as Amended, students have the right to withhold the disclosure of the Directory Information. To request to prevent disclosure, students must submit a Request to Prevent Disclosure of Directory Information. Students may submit this form at any time. The form remains in effect until the student provides a written release to the Registrar's Office requesting the form to be canceled.

Behavioral Intervention Team (BIT)

The Behavioral Intervention Team (BIT) works to promote the sharing of information internally when significant circumstances pertaining to the health and safety of LCC's students arise. Members of the team take in and assess information, take action when necessary, and monitor details about behavioral concerns noted on campus. The team links students of concern to appropriate services either on or off campus while balancing the individual's rights with the rights of all others for safety.

There are three types of alerts, and three distinct email banners:

1. An **EMERGENCY NOTIFICATION** is an immediate threat to persons or property.
2. A **TIMELY WARNING** is based on a [Clery crime(s)](#) that pose(s) a serious or ongoing threat to the campus community.
3. **PUBLIC SAFETY NOTICES** are non-Clery incidents or situations that may impact campus safety or operations.

You can review or make changes to your RAVE profile by going to [RAVE Mobile Safety webpage](#) and specifying Lansing Community College.

Anyone in the community can also **register** for LCC Emergency Alerts by registering at the same site and specifying Lansing Community College.

Estimate Tuition Cost

Planning for the cost of higher education is extremely important. Use the [Tuition Cost Estimator](#) tool to estimate the cost of tuition for this semester.

Course fees support costs unique to specific courses, beyond the standard cost of instruction and basic materials. Fees include a variety of consumable costs, specialized equipment, and technology dedicated to the associated course. Further, small group instruction is sometimes required by state or federal regulations, national accreditation mandates, or quality and safety standards, which all impact faculty-to-student ratios and overall program costs. These costs do not change because of distance learning.

Students should determine that all the required course prerequisites have been met and seats are available.

Late Registration and Scheduling Adjustments

Late registration at LCC is allowed within the first calendar week or three (3) days of registration, depending on the parts of term.

- Late registration for Fall and Spring, parts of term: 16 week, 15 week, and 14 week; will be allowed within the first week (7 calendar days) of registration.
- Late registration for Fall and Spring, parts of term: 12 week, 12B week, 8A week, and 8B week; will be allowed within the first three days (3 calendar days) of registration.
- Late registration for Summer, for all parts of term, will be allowed within the first three days (3 calendar days) of registration.

Late registration is defined as adding a course for the current semester after the semester has begun. A schedule adjustment is defined as adding a course by a student with registration activity for the current semester. Adding an additional course, switching sections, and being reinstated into a section in which the student was previously registered, are all examples of schedule adjustments. Once the late registration period has ended, special circumstance may be considered after consultation with the instructor and the Academic Dean.

WHAT IS REGISTRATION ACTIVITY?

Examples of registration activity include:
- A student is registered in a section for the current semester
- A student dropped a section during the current semester
- A student was on a waitlist for a section during the current semester

Transfer Programs

For students following the Michigan Transfer Agreement, the requirements can be completed online.

Maximum Enrollment per Semester

Individual students will enroll in no more than 28 credits per semester. Students who wish to enroll in more than 28 credits per semester may request permission from the Dean or designee overseeing the academic program the student is following. The Dean or designee will make a decision which is based on the student's academic and personal circumstances and which supports reasonable expectations for successful learning and course completion. In the case of any appeal, the final decision rests with the Academic Affairs Office.

Placement Levels

Most courses require basic skills proficiency levels which must be met prior to enrolling in courses that require specific placement levels. Students are strongly encouraged to establish their placement levels, complete orientation, and meet with an advisor prior to registration. Placement levels may be established through high school transcripts documenting required GPA or through ACT, SAT, CLEP, ASVAB, or GED test scores, or through placement testing. Levels may also be established through previously completed college coursework.

Tuition and Fee Information

Below are policies related to the calculation of tuition based on residency and veteran status, the payment of those fees, and the refund policy.

Eligibility for In-District, In-State, Out-of-State, or International Tuition

In order to abide by state law and ensure the fairness for taxpayers in the district, the College's Board of Trustees periodically approves revised tuition and fees for resident, non-resident, out-of-state, and international students.

2025-2026 TUITION RATES (PER BILLING HOUR)

The cost to the student for attending a course is determined by the course's billing hours, instead of credit hours. A billing hour represents the scheduled amount of time that a student spends in direct contact with an instructor, in lab, or with laboratory equipment.

COLLEGE DISTRICT RESIDENT STUDENTS -$120*

Resident students have lived for four months or more within one of the 15 school districts listed below and pay property taxes to support LCC's budget. School districts include:

School Districts included in LCC District		
Bath	Haslett	Okemos
Dansville	Holt/Dimondale	Stockbridge
Dewitt	Lansing	Waverly
East Lansing	Leslie	Webberville
Grand Ledge	Mason	Williamston

IN-STATE STUDENTS - $240*

If student resides in Michigan, but not in one of the above 15 school districts, the student is an in-state student.

OUT-OF-STATE STUDENTS - $360*

If student lives outside of Michigan, the student is an out-of-state student.

INTERNATIONAL STUDENTS - $420*

If the student has been admitted to the United States on a temporary, non-resident status, the student is classified as an international student.

If a student is age 62 or older on the first day of the semester and a resident of the LCC district four months prior to the beginning of the semester in which registering, the student qualifies for a reduced tuition rate of $60 per billing hour on classes at LCC. (Note: Michigan residents living outside the LCC district qualify for a reduced rate of $120 per billing hour.) These rates apply to LCC classes taken for audit or credit. Classes with zero billable hours are not covered by the tuition rate reduction. For details, stop by the StarZone or call 517-483-1957.

Mandatory Fees

- **Registration Fee** - $25*
  The registration fee is applied to each semester the student is enrolled and pays for some of the cost of registration. This fee is charged to all students.
- **Student Support Fee** - $15*
  Fee includes student support services such as tutoring, advising, counseling, library, computer lab, and parking. (This fee is charged per billable hour.)
- **Course Fee** *
  Course fees vary and apply to courses requiring specialized supplies, equipment, facilities, and other instructional resources unique to the individual course.

*Tuition and Fees are subject to change by action of the LCC Board of Trustees.

About Billing Hours

What is a billing hour?
The cost for attending a course is determined by the course's billing hours, instead of credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor or with laboratory equipment.

How are billing hours for a course determined?
Several factors are considered in determining the billing hours of a course. The main factor is the number of hours the student is expected to either be in a class or in another "instructional" setting (such as a lab) in a typical week for a full-semester course. LCC courses range from one billing hour to more than 10 billing hours per course. The billing system caps the number of billing hours that can be added to a course. For the majority of courses at LCC, the credit hours and the billing hours are the same.

Tuition Estimate Resources

Tuition Cost Estimator

The Course Tuition Cost Estimator will give you a rough estimate of the tuition and fee charges for one or more courses you plan to enroll in. This is a tool to help you plan prior to registering for courses.

This tool can be used to receive an estimate of how much students similar to you paid to attend LCC during the current Academic Year.

Military-Connected Student In-State Tuition

A Military-Connected Student is an individual who is using Veterans Affairs (VA) Educational Benefits under Chapter 30, Chapter 31, Chapter 33, Chapter 35, or the Fry Scholarship. A Military-Connected Students who lives in the State of Michigan while attending LCC, regardless of their former state of residence, and regardless of when they or the military member was discharged from military service, will pay in-state tuition rates for all VA approved programs.

To remain compliant and approved to receive VA GI Bill® funding, schools must charge in-state tuition and fee amounts to "covered individuals." A "covered individual" is defined in Section 1005 of Public Law 116-315 as:

- A veteran who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when they discharged from military service.
- A spouse or child using transferred benefits who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member discharged from military service.
- A spouse or child using benefits under the Survivors' and Dependents Educational Assistance Program (DEA) who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member died in the line of duty or when the individual became eligible to receive the benefit.
- A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship who lives in the state in which the institution of higher learning is located, regardless of their former state of residence, and enrolls in the school, regardless of when the military member died in the line of duty.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government web site for U.S. Department of Veterans Affairs.

Payment of Tuition and Fees

According to the Michigan Community College Act, "the Board of Trustees may establish and collect tuition and fees for resident and nonresident students." The Board of Trustees shall review student tuition and fees on an annual basis, based on the financial requirements of the College, to provide optimal services to students at an affordable price.

Tuition and Fees Refund Policy

It shall be the College policy to refund tuition and fees accordingly, except where superseded by law, to a student who properly withdraws from a class. Specific dates can be found in the Teaching Period Schedule for Fall 2025, Spring 2026, and Summer 2026.

Additional information can be viewed on the Tuition and Fees Refund Policy webpage, per the Board Policy 5.070: Student Tuition and Fees.

Financial Aid

What is Financial Aid?

Financial aid refers to funding intended to help students cover the cost of their education. It may come in the form of grants, scholarships, work-study opportunities, and loans. Financial aid is typically awarded based on financial need, academic merit, or a combination of both. Federal and state regulations, institutional policies, and individual program requirements determine eligibility and application procedures.

Ways to Cover the Cost of Post-Secondary Education

Scholarships

Scholarship eligibility varies based on financial need, academic merit, field of study, talent, athletic participation, etc. For the most part, these funds do not need to be repaid. Students can apply for scholarships at LCC, the State of Michigan, community organizations, and their employer. Selection criteria and requirements vary according to the individual scholarship and it is important to pay attention to application deadline dates. Please take a look at the following scholarship opportunities offered through a variety online scholarship search engines.

Grants

Grants are funds to help cover educational costs and do not need to be repaid. These funds are offered by the federal government, State of Michigan, and LCC. Additional information can be found on the Grants webpage.

Student Employment & Work-Study

On- and off-campus employment opportunities allows the student to earn the funds to help cover the costs of educational expenses. As work is completed, the student can earn wages that may be used toward school-related costs. More information can be found on the LCC Student Employment & Work-Study webpage.

Loans

Loans are available through the government and students also have the option of taking out loans from a private lender. These funds must be repaid. See the Loans webpage for more information.

Applying for Financial Aid

Free Application for Federal Student Aid (FAFSA) Process

To qualify for Financial Aid, students must complete and submit the Free Application for Student Aid (FAFSA) using LCC's school code: 002278.

If planning on attending Fall 2024, Spring 2025, and/or Summer 2025, the student must complete the 2024-2025 FAFSA, which requires 2022 income information.

Types of Financial Aid

Need-based aid is financial aid a student can receive if the student has financial need and meets other eligibility criteria. Financial need is determined by subtracting the Student Aid Index (SAI) derived from the FAFSA from the student's Cost of Attendance (COA). Students cannot receive more need-based aid than the amount of financial need.

Example: COA of $11,000 and SAI of $7000 = financial need of $4,000. Student is eligible for $4,000 in need-based aid.

The following are need-based financial aid programs:

- Children of Fallen Heroes Scholarship
  The Children of Fallen Heroes Scholarship is provided to students whose parent or guardian was a public safety officer who died in the line of duty. This scholarship is available to those who are Federal Pell Grant eligible and are under 24 years of age or enrolled at an institution of higher education at the time of parent's or guardian's death.
- Federal Pell Grant
  The Federal Pell Grant is a need-based federal grant to promote access to postsecondary education, and is awarded to low- and middle-income undergraduate students who have not yet earned a bachelor's or professional degree. Students must meet basic eligibility requirements. Grant amounts are based on the student's SAI (see Determining Financial Aid Eligibility), and enrollment level at the Federal Pell Grant Census Date. The maximum annual award is $7,395 for 2024-2025 award year. Students are limited to receiving the equivalent of 12 full-time semesters of Federal Pell Grant.
- Federal Supplemental Educational Opportunity Grant (FSEOG)
  The FSEOG is a federal grant awarded to students who demonstrate financial need, meet the basic eligibility requirements, and qualify for a Federal Pell Grant. FSEOG funding is limited; therefore, priority is given to students who have the lowest SAI.

Eligible applicants are required to maintain half-time enrollment (minimum 6 credit hours) and meet Satisfactory Academic Progress.

- Iraq & Afghanistan Service Grant

  The Iraq and Afghanistan Service Grant is a need-based federal grant awarded to students whose parent or guardian was a member of the U.S. armed forces who died as a result of military service performed in Iraq or Afghanistan after the events of 9/11 when the student was under 24 years old or enrolled in college at least part-time at the time of the student's parent's or guardian's death. The student must be enrolled at least half-time (6credit hours) and the award amount is prorated based on enrollment level: 100% for full-time (12 or more credits), 75% for three-quarter-time (9-11.99 credits), and 50% for half-time (6-8.99 credits).

- LCC Grant

  The LCC Grant is an institutional grant awarded to students who demonstrate financial need. Grant funds are limited; therefore, priority is given to students with the lowest SAI.

- Michigan Competitive Scholarship

  The Michigan Competitive Scholarship is awarded to students who are pursuing their first degree and demonstrate financial need along with having a qualifying ACT or SAT score. Eligible applicants are required to file a FAFSA each year, maintain half-time enrollment (minimum 6 credit hours), maintain a GPA of 2.0 and meet Satisfactory Academic Progress. This award can only pay for tuition and fee charges and may be adjusted due to other awards. The award amount is pro-rated based on enrollment levels: 100% for full-time (12 or more credits), 75% for three-quarter-time (9-11.99 credits), and 50% for half-time (6-8.99 credits).

Non-need-based aid is financial aid that is not based on SAI. The student's eligibility is determined by COA and the amount of other financial aid awarded. State of Michigan, Scholarship and Grant Programs webpage.

Example: COA of $11,000 and need-based awards of $4,000 = no more than $7,000 in non-need-based aid.

Determining Eligibility

After completing the Free Application for Federal Student Aid (FAFSA), the student will receive a Student Aid Report. The Financial Aid Office will use the information from this report to determine the types and amounts of financial aid the student may qualify for by using the following formula:

COST OF ATTENDANCE - STUDENT AID INDEX = FINANCIAL NEED

Cost of Attendance

Cost of attendance (COA) is based on the average educational and living expenses for a student attending LCC. It does not represent an individual student's actual costs. The COA includes:

- Tuition and Fees
- Books and Supplies
- Housing and Food
- Transportation
- Personal and Miscellaneous
- Loan Fees
- Professional Licensure (if required for program)

Students may determine or estimate their COA using the following methods:

1. Current financial aid students, login to myLCC, click Banner, select Financial Aid and Financial Aid Record to access the Award Overview tab
2. Prospective students, access the Net Price Calculator or view the below chart for fall and spring semester costs for a full-time student

Full Time Cost of Attendance Chart

*Housing: For students enrolled in more than six credits in fall or spring or three credits in summer and who receive Veteran Benefits that include a Basic Allowance for Housing (BAH), Room cost will be 0.

Student Aid Index

The Student Aid Index (SAI) is an eligibility index number that the financial aid office uses to determine how much federal student aid you would receive. This number results from the information that you provide on your FAFSA® form. This number is not a dollar amount of aid eligibility or what your family is expected to provide. A negative SAI indicates the student has a higher financial need.

The SAI is not the amount of money the family will have to pay for college, nor is it the amount of federal student aid a student will receive. It is a number used by schools to calculate how much financial aid students are eligible to receive.

Professional Judgment

Professional Judgment refers to the discretion that federal regulations give to financial aid administrators to make adjustments, on a case-by-case basis, to certain elements of a student's FAFSA information or adjust a student's dependency status. These adjustments are intended to provide a more accurate assessment of the amount of federal aid a student is eligible to receive. There are two types of Professional Judgment:

SPECIAL CIRCUMSTANCES:
Refers to financial situations that justify an aid administrator adjusting the student's data elements in the Cost of Attendance and/or Expected Family Contribution calculation(s) such as:

- Loss of Income: Loss of employment; household size changes due to separation, divorce, birth or additional dependents, etc.; high medical expenses; Rollovers of IRA's; etc.
- Cost of Attendance: Study abroad expenses; cooperative education costs; dependent care; disability-related expenses; etc.

UNUSUAL CIRCUMSTANCES
Refers to the conditions that justify an aid administrator making an adjustment to dependency status (more commonly referred to as a dependency override), based on a student's unique situation such as:

- Human trafficking; refugee or asylee status; parental abandonment; homelessness; incarceration; etc.

Students, with an approved dependency override in a prior academic year, will remain independent for each subsequent award year unless LCC has conflicting information about the student's independence status or the student's circumstances have changed. If the student's circumstances have changed, the Financial Aid Office must be notified.

Students will need to complete the Professional Judgment Request form and will be required to provide supporting documentation. If additional clarification is needed after reviewing the supporting documentation, the student will be notified via their LCC email to access their Banner Self Service account to determine the clarifying documentation that is needed. In some cases, an advising appointment and/or phone conversation may be needed.

Consortium

In some cases, students choose to attend two colleges simultaneously. In most cases, a student cannot receive Federal or State financial aid at both institutions simultaneously and consequently, financial aid would be processed by only one of the colleges where the student is enrolled.

In the case where a pre-articulated Consortium Agreement exists between two institutions, the student's combined enrollment will be used to determine aid eligibility. To learn more, please contact the Financial Aid Office at LCC for program specific information.

Courses in Program of Study

The U.S. Department of Education requires students to be enrolled in an eligible program of study to receive financial aid and only courses that apply toward that program of study will be used to determine the amount of financial aid the student will receive. The purpose of this federal requirement is to ensure students are able to obtain their degree or certificate in a timely manner with minimal debt for student loan borrowers and to ensure that federal funds are used only to obtain a degree or certificate. Therefore, if a student registers for a course that does not count toward the declared degree or certificate, the course will not be used to determine the student's financial aid eligibility. To learn more, please refer to the Courses in Program of Study Q&A.

Enrollment Level

Financial aid is offered to students based on enrollment as a full-time student. If a student enrolls less than full-time, certain awards may be prorated. Enrollment level changes could impact the amount of financial aid a student will receive. Adding, dropping, withdrawing, or changing a course to audit status, after the semester begins, are types of enrollment level change that could impact the amount of aid a student receives. Before making an enrollment level change, students should contact their instructor, Success Coach, and the Financial Aid Office to understand all possible consequences of the change.

The chart below defines enrollment level based on the number of credits a student enrolls for:

Enrollment Level	Credits Required for Fall, Spring, and Summer Semesters
Full-Time	12 or more credits
Three-Quarter-Time	9 - 11.99 credits
Half-Time	6 - 8.99 credits
Less Than Half-Time	Less than 6 credits

- **Add** - adding a course to the student schedule.
- **Audited** courses are taken for no grade. Therefore, courses being audited cannot be considered part of a student's enrollment level for financial aid purposes.
- **Drop** - removing a course from the student schedule where instructor approval is not required. A drop also removes the course from the student's academic record.

Generally, this means that the student will no longer be charged for all or part of the course. A course canceled by LCC is also considered a dropped course.

- **Non-credit courses** are courses that are not given credit or grade for the hours earned. Therefore, non-credit courses cannot be considered part of a student enrollment level for financial aid purposes.
- **Withdrawal** - removing a course from the student schedule by issuing a grade of W (withdrawal) for the course. The course will be part of the student's academic record.

Enrollment Intensity for Federal Pell Grant

Enrollment intensity is the percentage of full-time enrollment at which a student is enrolled, rounded to the nearest whole percent. For example, full-time enrollment is 12 credit hours and the student is enrolled in 7 hours, the enrollment intensity would be 7 ÷ 12 × 100% = 58%.

Enrolled Credit Hours	Formula	Enrollment Intensity
12	12 hours ÷ 12 hours	100%
11	11 hours ÷ 12 hours	92%
10	10 hours ÷ 12 hours	83%
9	9 hours ÷ 12 hours	75%
8	8 hours ÷ 12 hours	67%
7	7 hours ÷ 12 hours	58%
6	6 hours ÷ 12 hours	50%
5	5 hours ÷ 12 hours	42%
4	4 hours ÷ 12 hours	33%
3	3 hours ÷ 12 hours	25%
2	2 hours ÷ 12 hours	17%
1	1 hours ÷ 12 hours	8%

Falsification of Information

Falsification of information submitted by the student or parents for the purpose of receiving financial assistance may result in cancellation of assistance, require the student to pay back assistance received, and referral to the appropriate federal authorities. If students purposely give false or misleading information, they may be fined $10,000, sent to prison, or both by the federal government.

The Financial Aid Office may be required to verify information provided on the FAFSA by requesting documentation of income or other types of financial assistance. In addition, if the Financial Aid Office has conflicting information or has reason to believe that student information may not be valid, further investigation will occur prior to financial aid being awarded and/or refunded.

Remedial / Developmental Courses

Remedial/Developmental Courses are defined as courses that are below college level but at least at the secondary (high school) education level. Once students attempt more than 30 remedial/developmental credits, the Financial Aid Office must begin limiting federal financial aid eligibility. Even if financial aid funds were not used for the prior coursework, the Financial Aid Office must limit federal financial aid eligibility. For example, if a student attempted 30 remedial/developmental credits and the following semester register for a total of 12 credits with 4 out of the 12 credits are considered remedial/developmental, the student's financial aid eligibility will be based on 8 credits (half-time).

Below are courses that LCC considers remedial/developmental:

Repeated Courses

Federal regulations limit the number of times a student may repeat a course while receiving financial aid for that course. This limit applies even if the student did not receive financial aid for earlier enrollments in the course. Note: Students must also adhere to the College's Repeat Policy.

- A student may receive financial aid to repeat a previously passed course (1.0 or higher) one additional time.
- A student may receive financial aid when repeating a previously failed course (0.0F, 0.0U, ZF, or ZU) for as long as it takes the student to pass (1.0 or higher) the course.
- **A student who is taking a course that requires the student to enroll in the course multiple times to meet degree requirements may receive financial aid for these courses.**

Return of Title IV Funds (R2T4)

LCC is a non-attendance taking institution with the exception of programs that have licensure/accreditation requirements for attendance. Federal regulations require schools to perform a Return of Title IV Funds (R2T4) calculation for Title IV grant and/or loan recipients if one of the events in the table below occurs within the student's payment period. Note: The R2T4 calculation is independent of the institution's Refund Policy.

Event	Determination of Withdrawal	Type of Withdrawal	What is Used as Withdrawal Date
Student completely withdraws/is withdrawn from all courses	Date student withdrew from final course	Official Withdrawal	Last Date of Participation in an Academic Engagement*
Student withdraws/is withdrawn or drops from a course and the student's remaining courses have not yet begun	Date student withdrew or dropped from last active course	Official Withdrawal	Last Date of Participation in an Academic Engagement*
Student does not earn credit in at least one course and all failed courses were graded as unfinished	Date grade(s) post showing student did not earn credit in at least one course and all failed courses were graded as unfinished. The instructor provides the last date of participation when the grade for the course is submitted.	Unofficial Withdrawal	Last Date of Participation in an Academic Engagement*
Student is withdrawn for non-participation from a course that is part of a program that has licensure/accreditation requirements for attendance	Date student is withdrawn from last active course	Official Withdrawal	Last Date of Participation in an Academic Engagement*

Within 30 days of the determination of withdrawal, the R2T4 calculation must be completed to determine the amount of earned and unearned aid based on the student's withdrawal date*. The institution and/or the student owes the unearned aid to the federal government. LCC will return the institution's and the student's unearned aid to the federal government within 45 days of the date of determination of withdrawal, LCC will bill the student for the

unearned aid, and the student is responsible for repaying LCC. If the student was disbursed less than the revised award, the student may be due a post-withdrawal disbursement. LCC must notify the student in writing of eligibility for a post-withdrawal loan disbursement within thirty days of the determination of withdrawal. LCC must obtain the student's permission to disburse additional loan funds. The student may choose to decline some or all of the loan funds to avoid incurring additional debt. For grant funds, LCC will use post-withdrawal funds to pay any allowable institutional charges prior to refunding the remaining funds to the student.

Unearned aid will be returned within 45 days of the date of determination of withdrawal in the following order:

- Federal Direct Unsubsidized Loans
- Federal Direct Subsidized Loans
- Federal Direct PLUS Loans
- Federal Pell Grants
- Federal Iraq and Afghanistan Service Grant
- Federal SEOG

Withdrawal Date
- Official Withdrawal
  - When a student withdraws from all courses or withdraws/drops from a course and the student's remaining courses have not yet begun.
  - When an instructor in a program with licensure/accreditation requirements for taking attendance withdraws/drops a student from a course. This action must occur within 14 days of the student's last date of participation in an Academic Engagement*. The official withdrawal date used in the R2T4 calculation is the student's last date of participation in an Academic Engagement*.
- Unofficial Withdrawal
  - When a student does not earn credit in at least one course and all failed courses were graded as unfinished. The instructor reports the last date of participation in an Academic Engagement* with the grade, which is the unofficial withdrawal date.
  - The unofficial withdrawal date used in the R2T4 calculation is the student's last date of participation in an Academic Engagement*.

To determine the total aid earned, LCC must divide the number of days the student attended during the semester by the total number of days the student was scheduled to attend for courses that were used to determine the student's financial aid. This percentage is multiplied by the total Title IV financial aid the student is awarded for the semester (disbursed and to be disbursed).

For example:
- Student attended 64 days.
- Student's schedule is 118 days in length.
- Student was awarded (disbursed and to be disbursed) Title IV aid of $5000 for the semester.

- The percentage of total aid earned = 54.2% (64 days attended / 118 days)
- The earned Title IV financial aid = $2710 (54.2% of total aid earned x $5000 awarded)

*Definition of Academic Engagement

Academic engagement is defined as active participation by a student in an instructional activity related to the student's course of study that includes, but is not limited to:
- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:
- Logging into an online class or tutorial without any further participation; or
- Participating in academic counseling or advisement.
- Comply with the provisions of any promissory note and all other agreements the student signs.
- Register for the number of credits required and maintain Satisfactory Academic Progress.
- Go to the StarZone on the second floor of the Gannon Building for personal assistance if the student has questions or does not understand the information provided.
- Budget and manage financial aid funds. Learn more at Money Basics.

Student Academic Progress (SAP)

Federal regulations require the Financial Aid Office at LCC to monitor the progress (both qualitatively and quantitatively) of all students toward the completion of a degree through Satisfactory Academic Progress (SAP). SAP is separate from LCC's Academic Standing. In order to receive federal funds, a student must meet SAP. If required, SAP also applies to state, institutional, and private funding.

To determine eligibility each semester, the Financial Aid Office will monitor and evaluate students' academic progress, regardless of whether aid was received. SAP is evaluated at the end of fall, spring, and summer semesters for all students who had academic history updates during the semester being evaluated. The evaluation will include all attempted credits, including earned credits (4.0-1.0 and Pass), failed credits (0.0F, 0.0U, ZF, and ZU), transfer credits, withdrawals, incompletes, audits, remedial, and repeated courses. Remedial coursework will be included in the determination of the GPA, completion ratio, and maximum timeframe. Repeated coursework will only include the highest grade earned in the GPA, but all attempts will be counted in the completion ratio with only one successful attempt counted as earned. All attempts will be used in the determination of maximum timeframe. Incomplete coursework will have no effect on the GPA; however, incompletes are counted as unearned in the determination of the completion ratio and maximum timeframe. Students who change majors or are pursuing a second degree will have SAP evaluated on all attempted credits, not just those applicable to their new major or second degree. Students will be notified of their SAP status via email and Banner Self Service after each evaluation period.

Note: SAP may be re-evaluated for students who have a Reinstated SAP status at any point of the semester if one of the following has occurred:
- Grade Change, expect for Incompletes
- Change of Program occurs

SAP Standards

Student must meet all the following SAP standards to remain eligible for financial aid:

- Maintain a minimum cumulative GPA of a 2.0 in all credits attempted at LCC.
- Maintain a minimum cumulative completion ratio of 70% of all credits attempted.
- The total number of credits a student attempts cannot exceed 150% of the maximum credits required for the student's program of study.

Note: The table below represents a student pursuing a general associate degree requiring 63 credits. In order for the student to successfully complete their program within 150% of the credit hours required and maintain a cumulative completion ratio of 70%, the student must earn the following minimum credits.

Semester	Credits Earned	Credits Attempted	Completion Ratio	Maximum Timeframe
1	11	15	73%	25%
2	21	30	70%	50%
3	32	45	71%	75%
4	42	60	70%	100%
5	53	75	70%	125%
6	63	90	70%	150%

SAP Statuses

Good:

- Students who meet SAP are in Good status.

Warning:

- **New Students**: Students who have completed at least one course with a minimum 1.0 grade and do not meet SAP after the first semester of attendance.
- **Continuing Students**: Students in Good status who fail to meet SAP but completed at least one course with a minimum of 1.0 grade in the most recent semester of attendance and have not attempted more than 150% of the credit hours required for the program.

To receive financial aid, students in Financial Aid Warning status must electronically submit a Warning Contract. Warning status will only be effective for one semester. If the student does not meet SAP by the end of the warning semester, the student will be Suspended and ineligible for financial aid.

Suspended:

- Students in Good status who fail to meet SAP and did not earn a minimum 1.0 grade in the most recent semester of attendance or have attempted more than 150% of the credit hours required for the program.
- Students who do not meet SAP by the end of the warning period.
- Students who did not meet the terms of an approved appeal.

Students in Financial Aid Suspended status are denied financial aid until SAP is met or the Financial Aid Office approves an appeal.

Reinstated:

- Students who calculate to Suspended but have an approved appeal and taking courses that count towards their program of study.

Students in Financial Aid Reinstated status are approved for financial aid as long as the student completes each semester with a minimum semester GPA of 2.0, completes 100% of all credits attempted and is taking courses that count toward the program of study on record.

Regaining Eligibility

- Students may regain financial aid eligibility by taking courses at their own expense or by using other funding sources until they meet the minimum GPA and Completion Ratio requirements; however, students who exceed 150% of the credit hours required for the program may only regain eligibility through an SAP Appeal.
- Students who are suspended and have extenuating circumstances may submit a SAP Appeal. Submission of an appeal does not guarantee reinstatement of financial aid eligibility. Examples of extenuating circumstances are:

  - Death of an immediate family member
  - Documented hospitalization or illness
  - Major accident or illness of student or family member
  - Being victim of a crime or unexpected disaster
  - Change of major
  - Pursuit of second degree

- The SAP Appeal is available online at the Financial Aid Forms & Other Requirements Forms webpage. Students may submit an appeal throughout the semester using their secure sign-in. Students will be notified of the appeal decision within three weeks of submission. Students may request a paper version of this form by contacting the Financial Aid Office
- Students with a denied appeal may continue to attend but must pay all tuition and fees.

Leave of Absence

A leave of absence (LOA) for financial aid purposes is a temporary interruption in a student's program of study that can impact their financial aid eligibility, potentially requiring repayment of funds or a reevaluation of aid.

Certain programs have capacity limitations, particularly concerning space in labs and clinical sites; therefore, there may be delays in accommodating students who have taken a leave of absence. Students who have taken a leave of absence may need to repeat courses or undergo skill evaluations to ensure they are current with necessary competencies. This will be determined on a case-by-case basis. Students are responsible for contacting the Financial Aid Office to determine the impact of a leave of absence on their financial aid status and eligibility.

Academic Alert

At times you may hear from your Academic Success Coach (ASC) or the Learning Commons (tutoring) in response to an Academic Alert received from one of your instructors. This just means that your instructor recognizes that you may benefit from some additional support to be successful in your class and there are resources at LCC to help! Instructors send Academic Alerts when students are not passing a class, not turning in work, or if students have shared that they are struggling.

Academic Success Coaches (ASC) partner with faculty because they want you to have a great experience and get all the resources you need to be successful. If your ASC or instructor reaches out about a specific class or concern, please respond! They want to work with you to identify anything that could help you succeed.

For more information, view the Academic Alerts webpage.

Academic Standing

Only coursework completed at LCC is considered for determination of Academic Standing. The Academic Standing is determined at the end of each semester (Fall, Spring, Summer).

At LCC, students must maintain at least a 2.00 cumulative Grade Point Average (GPA) to remain in good academic standing.

- Students in Good Standing may enroll in up to 28 credits per semester.

Students with a cumulative GPA of a 3.5 or higher will be recognized by the College via the Dean's List and the President's List.

- Dean's List: GPA of 3.50 to 3.80 and completion of at least 6 credits for the calculated term.
    - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
    - Calculations are based on LCC courses only (no transfer credits).
- President's List: GPA of 3.81 or above and completion of at least 6 credits for the calculated term.
    - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
    - Calculations are based on LCC courses only (no transfer credits).

Students whose cumulative GPA falls below 2.0 will be placed on Probation 1, Probation 2, or Probation 3 standing, which indicate unsatisfactory academic progress. While on a Probationary standing, the student may have limits on registration for courses. In addition, students on a Probationary standing may be required to meet with an Academic Success Coach and sign a Success Contract prior to registering. Students can return to Good Standing by earning a cumulative GPA of 2.0 or higher.

- Probation 1: Generally, the first semester with a Cumulative GPA below 2.0
  - Registration is limited to enrolling in no more than 12 credits per semester.
  - If the student has already registered for more than 12 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the students over the credit limit.
  - Students are encouraged to meet with an Academic Advisor and Academic Success Coach.
- Probation 2: Generally, the second continuous semester with a Cumulative GPA below 2.0
  - Registration is limited to enrolling in no more than 8 credits per semester.
  - If the student has already registered for more than 8 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the student over the credit limit.
  - Students are encouraged to meet with an Academic Success Coach, complete an Academic Success Self-Assessment, and share the Academic Success Self-Assessment with the Success Coach.
- Probation 3: Generally, the third continuous semester with a Cumulative GPA below a 2.0
  - Registration is limited to enrolling no more than 4 credits per semester.
  - If the student has already registered for more than 4 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the student over the credit limit.
  - Students are required to meet with an Academic Success Coach, complete an Academic Success Self-Assessment and share the Academic Success Self-Assessment with their Success Coach.
  - Students also are encouraged to meet with an Academic Advisor.

Accommodations for Students with Documented Disabilities

In compliance with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, LCC does not discriminate against qualified students with disabilities.

Students with disabilities may contact the Center for Student Access to determine reasonable accommodations that can be granted.

Students should contact the ADA/504 Coordinator at the Center for Student Access:

Admission to the College

LCC is an open-admission community college. Certain programs, however, require a separate selective admissions application. The selective admissions application is in addition to the regular admissions application for the College.

Selective Admissions

Admission to selective admission programs is on a competitive basis, and these programs have program admission requirements beyond those required for admission to the College. Admission to LCC does not guarantee admission to a selective admission program.

Students wishing to apply for admission to a selective admission program should visit the [Selective Admissions Programs webpage](#) or contact the Selective Admissions office at 517-483-1182 or [email](#).

There is a $20 non-refundable application fee to a selective admission program with exception for Neurodiagnostic Technology and Radiologic Technology/MRI (no application fee).

International Admissions

F, J, M Visa Holders

International students are students admitted to the United States on an F, J, or M visa to study at LCC as well as international students interested in transferring to LCC from another US institution and international students applying to the [English for Speakers of Other Languages Program at LCC](#).

- **F Student Visa**: for study at an accredited U.S. college or university or to study English at an English language institute
- **J Exchange Visa**: for participation in an exchange program, including high school and university study
- **M Student Visa**: for non-academic or vocational study or training in the United States

Additional information can be found on the [M1 and F1 Admissions](#) webpage.

For individuals who wish to study at LCC while holding a non-resident status other than M-1 or F-1, additional information can be found on the Other Visa not F-1/M-1 webpage.

International Guest Student

For individuals with an F-1 or M-1 visa who currently attend another US college/university and intend to take a small number of classes at LCC (less than full-time enrollment), additional information can be found on the International Guest Students webpage.

For questions regarding any International Admissions, please view the International Admissions Forms and FAQ webpage, contact the StarZone at 517-483-1200 option 2 (toll-free 800-644-4522).

Computing Grade Point Average

A student's grade point average (GPA) is determined on the following basis:

Numerical Grade	GPA Points
4.0	4.0
3.5	3.5
3.0	3.0
2.5	2.5
2.0	2.0
1.5	1.5
1.0	1.0
0.0F	0.0
0.0U	0.0

"00A," "0.0FA," "0.0UA," "FA," "I," "NR," "NS," "P," "TR," "TRL," "TRP," "W," "X," "ZF," and "ZU" grades are not included in calculating grade point averages.

For example, a student who receives five credit hours of 4.0, five credit hours of 3.0 andfive credit hours of 2.0 would have a total of 45 GPA points. To compute the grade pointaverage (GPA), the number of GPA points is divided by GPA hours (credits) taken during the semester. The student in this example would have a 3.0 GPA (45 GPA points/15 credits).

Enrollment Verification and Student Attendance

LCC is not an attendance-taking institution with the exception of Eaton Regional Educational Service Agency (ERESA), Clinton County Regional Education Service Agency (CCRESA), and programs that have licensure and/or accreditation requirements for attendance.

During the first 2 weeks of each part of term, or by the 8th day of variable terms less than 8 weeks, faculty are required to determine if the student has actively engaged in an instructional activity related to the student's course. Faculty must notify the Registrar's Office of any student who has not actively engaged in an instructional activity as noted above.

Academic engagement is defined as active participation by a student in an instructional activity related to the student's course that includes, but is not limited to:

- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:

- Logging into an online class or tutorial without any further engagement; or
- Participating in academic counseling or advising.

For licensure/accreditation requirements:

- For programs which require attendance due to 3rd-party accreditation, faculty responsible for those courses will take attendance in accordance with the accreditor's requirements.

If a student is dropped from a course through Enrollment Verification, they will receive a 100% refund of tuition and refundable fees. However, the Financial Aid Office will recalculate the student's financial aid eligibility and adjust awards as necessary for any change in enrollment status for the semester. For more information, students should contact the Financial Aid Office; Students who receive veteran benefits should contact the Veteran Services Office.

After the first 2 weeks of the part of term, or by the 8th day of variable terms less than 8 weeks, if the faculty identifies a student as having not engaged in the course, the faculty must complete Enrollment Verification in the student information system (Banner) indicating that the student never engaged in an instructional activity.

Initial attendance and participation records are retained in the instructor's grade book and/or in the D2L system and Banner system according to the Academic Records Policy (Board Policy 3.030). Additional information can be obtained by viewing the Standard Operating Procedure, Enrollment Verification and Student Attendance, RO.026.

Extra Credit

Extra credit is defined as any opportunity for a student to raise a course grade that is not included in the percentages stated in the Methods of Evaluating Student Achievement/Progress in the section syllabus. Each department will determine for each of their courses and state in the course's syllabus whether or not extra credit may be offered.

In courses where extra credit may be offered:
- Individual instructors will determine whether or not there will be extra credit opportunities in their sections.
- Instructors' extra credit guidelines will be stated in their section syllabi.

In sections where there are extra credit opportunities:
- They must involve student work that is directly related to the Student Learning Outcomes of the course.
- They may be used to raise a student's final grade a maximum of 0.5 on LCC's 4.0 scale.
- All students in a section must have the possibility of earning extra credit; however, instructors may set eligibility criteria such as completion of all homework assignments or tests. These eligibility criteria may not be connected to a student's cumulative course grade and must be provided to students far enough in advance for all students to have the opportunity to satisfy the criteria.
- Detailed information, including any eligibility criteria, must be distributed in advance of each opportunity.

Final Grades

Final grades are available on the web to students within 5 business days after the close of each semester.

General Education Requirements

LCC is committed to helping its graduates gain 4 valuable Essential Learning Outcomes: knowledge of human cultures and the physical and natural world, intellectual and practical skills, personal and social responsibility, and integrated and applied learning. With these strengths, our graduates will be better equipped and empowered to complete their goals while becoming engaged global citizens.

All associate degrees therefore incorporate LCC General Education requirements fostering the capabilities and the flexibility that employers look for, and that citizens of the 21st century need. Depending on their chosen degrees, students will successfully complete the options in the appropriate Transfer Degrees (MTA) tab or Applied Degrees tab of LCC General Education.

Appropriate transfer credit from other colleges and universities, along with credit from the list below, is applicable toward LCC General Education requirements for all degrees, including degrees that otherwise would require completion of the full Michigan Transfer Agreement (MTA).

- Advanced Placement (AP)
- College-Level Examination Program (CLEP)
- DANTES Subject Standardized Test (DSST)
- International Baccalaureate (IB)
- Credit by Examination
- Credit for Experiential Learning

However, due to statewide rules, areas of prior learning such as CLEP, DSST, IB, Credit by Examination, and Credit for Experiential Learning are not applicable to the MTA endorsement at this time.

General Rules and Guidelines

LCC is an institution of educational excellence. Members of the LCC community strive to create an environment that contributes to academic success and personal growth. All members of LCC's community are responsible for creating and respecting conditions both in the classroom and on campus that encourage teaching and learning in a positive atmosphere.

Grade Changes

Students may petition an instructor for a grade change of a final grade in a course. A student's final grade in a course may be changed by the course instructor. Grade changes by instructors are initiated by submitting a signed Grade Change Form to the departmental office for review and approval by the departmental chair or lead faculty member. The completed Grade Change Form is then forwarded by the appropriate academic area to the Registrar's Office for updating the student's academic record.

If a grade change request is denied, the student may review the final grade appeal process.

Granting Additional Associate Degrees

Any student who has earned an associate degree from LCC or any other accredited community college may be awarded additional degrees providing that they meet the following institutional graduation requirements:

- Complete a program of study approved by the College and consisting of a minimum of 60 semester credits with no more than 10 percent of these credits acquired on the pass/fail (P/Z) grading system. (See Degree and Certificate Program Pathways webpage for more information.)

- Earn toward the program of study at least 15 semester credits directly from LCC (except for approved consortial programs taught primary by partner schools).
- Satisfy all general and specific requirements of Lansing Community College.
- LCC'S General Education – Applied Degrees requirements are satisfied by virtue of the student earning the first associate degree.
- LCC's General Education requirements are waived by the acceptance of the completed Michigan Transfer Agreement from an accredited community college or university, regardless of whether an associate degree or higher has been completed.
- No additional degree will be granted in the same program of study in which a previous degree was earned.
- The following CANNOT be used for degree requirements:
  - Courses numbered below 100.
  - Courses in Mathematics or Statistics that are not listed on the LCC General Education Requirements webpage.

- Submit an application for graduation to the Registrar's Office the semester the program requirements are completed, on or before the deadline.

Note: Students may not follow program pathways which are expired or whose catalog year predates their first semester of enrollment as shown on their LCC web transcript.

Granting an Associate Degree When the Student has an Earned Bachelor's Degree or Higher Degree

A student who has earned a bachelor's degree or higher degree from an accredited college or university may be awarded an associate degree at Lansing Community College (LCC) subject to the following requirements:

1. All requirements for the associate degree must be met.

2. The LCC cumulative grade point average must be a 2.0 or above.

3. A minimum of 15 semester credits toward the program of study must be completed directly from LCC (except for approved consortial programs taught primarily by partner schools).

4. The College's General Education requirements are satisfied by virtue of the student earning the bachelor's degree or higher degree.

5. The following CANNOT be used for degree requirements:
   a. courses numbered below 100
   b. courses in Mathematics or Statistics that are not listed on the Transfer Degrees (MTA) tab or Applied Degrees tab of LCC General Education.

   f. courses in non-technical Vocabulary
   g. courses in Academic Experience numbered other than 100 or 101
   h. courses in Student Development numbered other than 101

6. Exceptions to the above should be appealed to the Academic Affairs Office.

Note: Students may not be granted degrees whose program pathways are expired or whose catalog year predates their first semester of enrollment as shown on their LCC web transcript.

Granting Exceptions to the Institutional General Education Requirements for Associate Degrees

General Education exceptions may be granted when courses outside the approved list satisfy the specific General Education requirement(s). Examples include appropriate Lansing Community College (LCC) term/quarter courses or transfer credits without an exact LCC course equivalent.

A student who wishes to formally appeal a determination that the General Education requirement for an Associate degree has not been met should appeal to Academic Affairs. Academic Affairs will apply the following parameters in making a determination on whether an exception to current policy is warranted:

1. A College error does not automatically warrant a waiver of a published graduation requirement.

2. The College does not waive a General Education requirement, though a substitution might be appropriate.

The Academic Affairs Office will inform the student and the Registrar's Office in writing of either the approval or denial of the exception.

The final decision for granting exceptions to the institutional General Education requirements rests with the Academic Affairs Office.

High School Dual Enrollment & Home School Program Criteria

Dual Enrollment provides an opportunity for qualified high school students to earn college credit while working toward their high school diploma. High school credit may or may not be granted according to the discretion of the participating student's high school. Dual enrollment affords students educational advancement in specific areas where unusual ability and interest are displayed, especially in courses and academic areas not available in the student's high school.

Note: Some colleges/universities will not accept college credit for college courses used to meet high school graduation requirements.

High School Programming

LCC offers high school-based programs, which include [High School Credit by Exam](), [High School Advantage](), Career and Technical Education (ERESA and CCRESA), as well as [HOPE and Promise Scholarships](). For more information, call 517-483-9707.

How Students Can Satisfy LCC General Education Requirements

For more information, see the Transfer Degrees (MTA) tab or Applied Degrees tab of Lansing Community College (LCC) [General Education]().

All students must fulfill LCC General Education requirements in order to be awarded an associate degree. The ways in which students can satisfy these requirements are presented below. Because these requirements may be revised each academic year, students should consult an Academic Advisor to stay informed of current options for satisfying General Education requirements. Students should also be aware that not all courses that satisfy

General Education – Applied Degrees requirements transfer to all colleges. Students planning to transfer should see an Academic Advisor before enrolling in any course.

For degrees requiring General Education – Applied Degrees, students can satisfy the requirements in any of the following ways:
1. Achieve grades of 2.0 or higher in approved General Education – Applied Degrees courses. (See the General Education webpage for the full list of options.)
2. Achieve a grade of 2.0 or higher on a comprehensive examination, where appropriate and available, for an approved course in a General Education area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the $150 processing fee, and may receive transfer credit on their LCC transcript. See Credit by Examination procedure.)
3. Present evidence of completed Michigan Transfer Agreement from an accredited Michigan college or university.
4. Present evidence of an earned associate degree or higher degree from an accredited college or university.
5. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless use of the general credit is approved by the Provost or designee.
6. Establish appropriate course credit through the Advanced Placement Examination (AP), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), and/or others as recognized by LCC.
7. Establish credit for an approved course through the Experiential Learning Process. (See Credit for Experiential Learning.)

For degrees requiring the Michigan Transfer Agreement (MTA), students can satisfy the requirements in any of the following ways:
1. Achieve grades of 2.0 or higher in approved MTA courses. (See the General Education webpage, specifically the MTA tab, for a full list of courses.)
2. Achieve a grade of 2.0 or higher on a comprehensive examination, where appropriate and available, for an approved course in an MTA area. Upon successfully completing the exam, the student receives transfer credit for the course. (A comprehensive exam is an exam for which the student completes an application, pays the $150 processing fee, and may receive transfer credit on their LCC transcript. (See Credit by Examination procedure.)
3. Present evidence of completed Michigan Transfer Agreement from an accredited Michigan college or university.
4. Present evidence of an earned bachelor's degree or higher degree from an accredited college or university.
5. If no degree has been earned, transfer in comparable course credit for an approved course from an accredited institution. General credit does not apply unless approved by the Provost or designee.

a. Establish appropriate course credit through the Advanced Placement Examination (AP), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), credit by examination, or credit for experiential learning. Non-AP areas of prior learning – for example, College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), International Baccalaureate (IB), credit by examination, and credit for experiential learning – may satisfy LCC General Education requirements but are not applicable to the MTA at this time.

The following do NOT satisfy General Education requirements:
- LCC placement test scores
- A waiver of any course that is also a General Education course
- Completion of higher-level courses that are not approved General Education courses.

How to Apply for an Associate Degree or Certificate

Prior to submitting an application for an Associate Degree, Certificate of Achievement, or Certificate of Completion, students should consult with an advisor to review progress toward completing requirements. Any substitutions or waivers for program requirements must be approved on an authorized form signed by the department offering the program. Substitutions and waivers are not allowed for institutional degree and certificate requirements. (See Institutional Requirements for Associate Degrees procedure and Institutional Requirements for Certificates of Achievement and Certificates of Completion procedure under the Graduation Requirements, Certificates & Degrees header.) Students apply by the deadline the semester they complete the program requirements. Information and the applications are located online at the Graduation webpage.

Procedures are as follows:

1. Complete and submit an Application for Associate Degree, Certificate of Achievement, or Certificate of Completion to the Registrar's Office. These applications are available on the Graduation webpage.    Note: Students may not be granted associate degrees or certificates whose program pathways are expired or whose catalog year predates their first semester of enrollment as shown on their LCC web transcript. The requirements must be met by the semester the program pathway expires.

2. Once the audit for the associate degree or certificate has been completed, the Registrar's Office will send a notification via LCC email indicating whether the associate degree or certificate has been approved or denied.

3. Once awarded, the LCC transcript will show the degree or certificate earned.

4. Diplomas are mailed to students during the semester after degrees and certificates have been awarded.

Incoming Transfer Student Information

Evaluation and Acceptance of Transfer Credits from Other Institutions

LCC welcomes students who have already successfully completed college-level course work. Accordingly, the college will allow for the transfer and acceptance of credit from other accredited institutions of higher education.

Incoming Transfer Credits

The information below describes alternative, or accelerated degree completion options to obtain credit toward a degree or certificate, including transfer credit, credit for licensure/certification, credit for prior learning, and credits earned during military service. For general rules, view the Transfer Credit - Evaluation and Acceptance, RO.004, Standard Operating Procedure, which is associated with the LCC Board Policy 3.100.

Credit for Licensure, Certification, and Other Credentials

LCC recognizes that current licensure, certification, or other credentials represents earned credentials for which credit may be granted. Therefore, the college assesses national and state licensures and certifications as part of its credentialing function. Any student who has applied to LCC may apply for licensure or certification credit evaluation. Please visit the Licensure, Certification, and Other Credentials webpage for the list of accepted equivalencies.

Credits Earned in the U.S. Armed Forces

LCC will evaluate the student's military training and coursework for possible award of transfer credit after the student has been admitted to the College and the official Joint Services Transcript has been received. For general rules, view the Transfer Credit Earned in the U.S. Armed Forces Standard Operating Procedure.

Credit Earned at Foreign Educational Institution

Current students requesting credit for credits earned at foreign institutions will need to submit their international transcripts to a National Association of Credential Evaluation Services (NACES) member for evaluation before having it sent to LCC.

Credit Earned by Examination

To allow students who may have previous knowledge or experience to prove competency when appropriate and gain credit by comprehensive or other applicable exams. For general rules, view the Credit by Examination Standard Operating Procedure.

Credit for Experiential Learning

LCC is in agreement that learning outside the classroom is valid. Therefore, it is the College's function to assess extra-institutional learning and experience as part of its credentialing responsibility.

Current students requesting credit for previously acquired knowledge and learning experience will need to complete an Experiential Learning Application. For more information, go to the Credit for Prior Learning webpage.

Credits Earned from National Normed Exams

LCC recognizes students may have previous knowledge or experience as measured by Nationally Normed Exams. Students may receive credit for LCC coursework completed if minimum score requirements are met. Credits can be granted from the following National Normed Exams: Advanced Placement Examination (AP), College Level Examination Program (CLEP), DANTES Subject Standardized Tests (DSST), and International Baccalaureate Program (IB). For general rules, please view the Transfer Credit Earned from Nationally Normed Exams Standard Operating Procedure.

General Credits

Due to curricular, financial aid, and Veteran's implications, LCC will not automatically award General Credits (non-equivalent 000) during the initial evaluation of incoming transcripts. All General Credit 000 equivalencies will be removed from the College webpage.

Requests for awarding general credits are allowable only for the following purposes:

- General Associate degree elective(s) which can be requested by a general academic advisor, a program advisor, or Academic Affairs Project Manager (AAPM).
- Specific program requirement(s) which can only be requested by a program advisor or AAPM.
- General education requirement(s) which can only be requested by AAPM.

In addition, please note the following provisos:

- With the exception of Prior Learning Assessments (PLA), general credits must be from a regionally accredited institution and must be college-level (non-developmental).
- Only general credits can used for program substitutions for a maximum of 12 credits unless approved by Academic Affairs or if the credits are being applied to programs that allow more than 12 general credits, such as General Associate GA, Agricultural Technology AAS, Veterinary Technology AAS, Nursing – RN Option AAS, etc.

The requirement(s) the general credits are intended to satisfy.

- For programs other than the General Associate degree, a substitution form also will be needed per Standard Operating Procedure "Program-Level Course Substitutions and Waivers-RO.007".

Outgoing Transfer Students

Students planning to transfer to another institution should be aware that universities and colleges differ widely in the courses they accept for transfer. A student intending to transfer should follow the transfer guide of the institution to which they intend to enroll. Transfer guides are not LCC degree guides. In order to achieve maximum transferability of courses, students should consult with an academic advisor. Visit the Transfer Center webpage for more information about transfer programs.

Student Bereavement Resources

LCC recognizes that students may experience the loss of a loved one while taking classes. If you have lost someone while actively enrolled in courses, you should consider the following:

- Reach out to your instructor(s) using their preferred method of contact to notify them if you need to miss class or coursework for bereavement purposes, such as attending a funeral, wake, memorial service, bereavement counseling, or other bereavement-related event(s). Contact information for your instructor(s) can be found on your course syllabus.
- If requested by your instructor(s), please be prepared to provide documentation of your loss (e.g., an obituary or funeral program).
- Work with your instructor(s) to determine if you are able to make up any missed coursework. Faculty are encouraged to be sensitive to a student's grief. However, it is at the discretion of your instructor(s) to allow you to make up any missed coursework.
- Contact your Academic Success Coach if you need assistance with reaching out to your instructors, making a plan to catch up in your course(s), withdrawing from courses, or connecting to on- or off-campus resources to assist you during this time.
- LCC offers free and confidential emotional support counseling by appointment. LCC Counselors are state-licensed, professional counselors who can help you with managing your loss.

For questions, please contact the Registrar's Office at 517-483-1200, option 2.

Academic Amnesty

LCC has an Academic Amnesty process associated with the Board Policy 3.010 to authorize the elimination of a grade or grades of 0.0, 0.0F, or 0.0U in calculating a student's grade point average (GPA). Academic Amnesty recognizes that factors or reasons may result in a student not achieving satisfactory academic performance and that such performance may be a barrier to the student's eligibility to enter some occupational fields or achieve academic progress. This process applies to qualified students who receive one or more 0.0, 0.0F, or 0.0U grades, resulting in a low GPA possibly blocking their entrance into programs or fields of study. For additional information, please see Academic Amnesty process.

Administrative Appeals

To provide students who experience an emergency situation, unexpected event, or administrative error an avenue to submit an administrative appeal to request an amendment to their academic record that is appropriate to the student's circumstantial need(s). For more information, view the LCC Student Appeals and Complaints webpage.

Canceling Course Sections

In the event a class is canceled as a result of College administrative action, students enrolled in that class will receive 100% tuition and fee refund.

To view the Cancelling Course Sections Board Policy 3.080, please visit the Board of Trustees Board Policies webpage.
